WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 22nd day of December 1925 (N.P. (1) 3877/25), in the words following, viz. :—

“Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions and other allowances in the nature thereof payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman or Marine therein shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

“And whereas by Your Majesty's Orders in Council bearing dates the 13th day of August 1920, the 8th day of December 1924, and the 25th day of June 1925, provision has been made, subject to certain conditions and restrictions, for the increase on a percentage basis of certain pensions granted before the 4th day of August 1914:

“And whereas by Your Majesty's Order in Council bearing date the 22nd day of January 1920, and certain subsequent Orders, new scales of retired pay for service were instituted for all Officers retired on or after the 1st day of April 1919, and approval has been given subject to certain conditions to the application of the said scales as from the 1st day of April

1919, to Officers previously retired, who had served during the late war in any service capacity:

“And whereas by Your Majesty's Order in Council bearing date the 11th day of October 1923, scales of additional retired pay and disability retired pay were introduced for Officers of the Royal Navy, Royal Marines and certain of the Royal Naval Reserve Forces who are invalided out of the Service on or after the 1st day of October 1921, on account of injury or sickness certified by the competent medical authority as attributable to the conditions of service:

“And whereas we are of opinion that further provision should be made for the benefit of Officers who before the date on which any of the aforesaid Orders came into operation were retired or discharged from the service on account of peace time injuries and granted injury pensions and whose total means are below the maximum limits prescribed by Your Order in Council bearing date the 13th day of August 1920:

“We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to empower us at our discretion and with effect from the 1st day of April 1920, to increase the retired pay or pension of any such Officer by such sum as may be necessary to bring his total means up to the maximum limits prescribed for an unmarried person or for a married person, as the case may be, by Your Order in Council bearing date the 13th day of August 1920, provided that

“(a) the amount of the pension and injury pension originally granted together with any increase previously granted under

Your Orders in Council bearing dates the 13th day of August 1920 and the 8th day of December 1924, and any increase granted under this Order shall in no case exceed the retired pay and additional retired pay which might have been granted to him had he been invalided for the same injury on the date of this Order:

“(b) that in determining the rate of additional retired pay which might have been granted to him had he been invalided on the date of this Order, regard shall be had to the present degree of disablement as determined by the competent medical authority after medical examination, if such be deemed necessary, and

“(c) that no increase under this Order be granted to any pensioner with effect from a date earlier than the 7th day of August 1924, unless he was resident in the British Islands before that date.

The unofficial members shall be appointed by the Governor in Council of Kenya or Uganda as the case may be.

(2) The General Manager may be present at all meetings of the Council and take part in the discussion, but shall not be entitled to vote.

9. The names of all members appointed to the Council shall be forthwith notified in the Official Gazettes of Kenya and Uganda, and any number of a Gazette containing a notice of any such appointment shall be deemed sufficient evidence thereof for all purposes.

10. Each official member shall hold office during the pleasure of the Governor by whom he is appointed, and each unofficial member shall hold office for a period of two years from appointment subject to such conditions as may be laid down by the Governor in Council by whom he is appointed.

11. The senior official member representing the Colony and Protectorate of Kenya shall be the chairman of the Council, provided that when meetings are held in Uganda the senior official member present representing the Protectorate of Uganda shall preside.

12. If any member of the Council shall be prevented by absence, or other cause, from acting, the Governor by whom he is appointed may appoint some other person to act and vote in his place until he shall return, or be able to resume his functions.

13. The High Commissioner may make, and when made may vary or revoke regulations prescribing:—

(a) The fees and expenses which may be paid or allowed to members of the Council.

(b) The quorum necessary to constitute a meeting.

(c) The intervals at which meetings shall be held, the manner in which the business of the Council shall be conducted, the method of voting, and the form in which the minutes shall be kept.

14.—(1) The High Commissioner may consult the Council upon any matter concerning the administration and working of the Services, and shall consult the Council upon the following matters:—

(a) Any substantial alteration in the tariff of rates, fares and charges of the Services.

(b) All estimates of revenue and expenditure, including Loan Services.

(c) All Government Bills relating to the Services prior to submission to the Legislative Council of Kenya or Uganda, as the case may be.

15.—(1) All Government Bills relating to the Services shall, prior to submission to the Legislative Council of Kenya or Uganda, as the case may be, be submitted to the High Commissioner by the Government introducing the Bill.

(2) The Railway Council shall be entitled to submit to the High Commissioner within a reasonable time of receiving a copy of the proposed Bill a minute containing the Council's comments on the proposed Bill, and it shall be the duty of the High Commissioner to forward such memorandum to the Government concerned.

16. The minutes of the Council shall be submitted to the High Commissioner through the General Manager. The High Commissioner shall, as soon as may be after the receipt of any minute, and after considering any matter in connection therewith which may be represented to him by the General Manager, either act upon the minute or refer it back to the Council for further consideration or reserve the matter for submission to the Secretary of State.

17. There shall be formed a Railway and Harbour Fund, into which shall be paid all revenues derived from the administration of the services, and from which all disbursements shall be made.

Estimates of receipts and of expenditure on revenue and net revenue accounts and from betterment and renewal funds or other funds established by contributions from revenue, shall be prepared by the General Manager before the commencement of the financial year in which the expenditure is to be incurred, and supplementary and additional estimates may be prepared from time to time as may be necessary. Such estimates shall be submitted to the Council for consideration, and shall thereafter be transmitted with the recommendations of the Council to the High Commissioner for approval and transmission to the Secretary of State for his sanction.

As soon as may be after approval by the High Commissioner and before sanction by the Secretary of State, such estimates shall be submitted to the Legislative Councils of Kenya and Uganda, which may by resolution approve or disapprove of the estimates or propose modifications. The resolutions of the Legislative Councils shall be submitted for the consideration of the Secretary of State. Sanction of the estimates by the Secretary of

State shall be sufficient authority for the expenditure specified therein.

18. No money shall be withdrawn from the Railway and Harbour Fund except to satisfy a judgment of a Court of Law or except as approved on estimates sanctioned by the Secretary of State pursuant to Article 17, but the High Commissioner may authorise the withdrawal of such moneys as may be necessary for the Services pending such sanction. Subject to such regulations as may be prescribed by the High Commissioner, the General Manager may authorise expenditure in excess of the provision under the individual heads of the estimates, provided that such excess expenditure is covered by savings under other heads.

19. The Railway and Harbour Fund shall be liable for all loans including all charges connected therewith advanced by His Majesty's Government and raised or borrowed or to be raised or borrowed by the Government of Kenya or the Government of Uganda or by both Governments jointly for the purposes of the Services and expended for those Services. The High Commissioner shall pay out to the Treasurer of Kenya or Uganda, as the case may be, such interest and sinking fund contributions as may be required to meet the obligations of the Fund to His Majesty's Government or of Kenya or Uganda under the Ordinance raising the loan.

20. The High Commissioner shall not be required either by the Government of Kenya or the Government of Uganda to provide transport facilities either gratuitously or at a rate of charge which is insufficient to meet the costs involved in the provision of such transport facilities unless the Government concerned undertakes to pay the amount of loss incurred by reason of the provision of such transport facilities.

21. No loan shall be raised for the construction of new railways or for additions to the capital assets of the Services except by the Government of Kenya or the Government of Uganda, or by both Governments jointly in such proportions as the Secretary of State may determine; and any loan so raised shall be authorised and appropriated by Ordinance.

22. If any railway is constructed by either the Government of Kenya or the Government of Uganda or both against the advice of the High Commissioner, the High Commissioner may, with the approval of the Secretary of State, by Order declare that such railway shall be included in the Services and in such case the loss, if any, upon the working of such railway, shall be made good to the Railway and Harbour Fund by the Government or Governments concerned.

23. Accounts relating to the Services shall be kept as directed by the High Commissioner. Such accounts shall be subject to audit under the direction of the Director of Colonial Audit, and shall be published annually.

24. The High Commissioner shall forward to the Secretary of State all regulations made by him under this Order, and any such regulation may be disallowed by the Secretary of State, in which case such regulation shall cease to have effect from such date as the Secretary of State shall determine.

25. Nothing in this Order shall limit the rights of the legislatures of Kenya and Uganda to pass laws, not being inconsistent with the provisions of this Order, relating to the Services.

26. All contracts entered into by or with the authority of the Government of Kenya or the Government of Uganda on behalf of the Uganda Railway prior to the date of this Order shall be deemed to be contracts entered into by or on behalf of the High Commissioner.

27. The Governors of Kenya and Uganda may, by Joint Proclamations in the Gazettes of Kenya and Uganda at any time within two years from the date of this Order, and provided that the approval of the Secretary of State has been previously obtained, vary, annul, or add to the provisions of this Order in order to carry out the purposes of the same.

28. His Majesty, His Heirs and Successors in Council may from time to time revoke, alter, add to or amend this Order, and nothing in this Order shall limit the right of the Legislative Council of Kenya or Uganda to petition His Majesty through the Secretary of State for the termination of this Order or any provisions of this Order.
