TUESDAY, JUNE 8, 1926.

At the Court at Buckingham Palace, the 1st day of June 1926.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of May 1926 (N.L. 1084/26), in the words following, viz.:—

“Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions or other allowances in the nature thereof payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, seaman or marine therein, shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

“And whereas by Orders in Council bearing dates the 12th day of December 1885 and the 12th day of October 1925, we are empowered to place on the retired list, irrespective of age or service, Officers of Your Majesty's Naval and Marine Forces who are in our opinion unfit for or unworthy of further employment and to grant to such Officers such rates of retired pay or such gratuity as we think fit within the limits prescribed in the said Orders in Council:

“And whereas the Schedule annexed to the said Order in Council bearing date the 12th day of October 1925, provides that the rate of retired pay for Officers retired for the above reasons shall be in every case lower by not less than 10 per cent. than the rate which might

have been granted had the Officer been placed on the retired list for incapacity:

“And whereas we are of opinion that Officers who have lost service as the result of sentence by Court Martial should be eligible at our discretion for retired pay at a rate lower by not less than 10 per cent. than the amount of retired pay to which but for their loss of service as the result of sentence by Court Martial such Officers would have been eligible if placed on the retired list for incapacity, or for retired pay at a rate not exceeding the rate for which, if placed on the retired list for incapacity, such Officers would have been eligible in virtue of their service as reduced by sentence of Court Martial, whichever rate is the lower:

“We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to sanction the substitution of the Schedule hereto annexed for the Schedule annexed to Your Majesty's Order in Council of the 12th day of October 1925, with effect as from that date.

“The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal.

“ SCHEDULE.

“1. An Officer who in the opinion of the Admiralty by reason of an act or acts of misconduct or through intemperate or irregular habits of life has become unfit for or is unworthy of further employment may be placed on the retired list irrespective of age or service whether he has been tried by Court Martial or not.

“2. An Officer placed on the retired list under Clause 1 may be granted such rate of

retired pay or such gratuity as the Admiralty in their discretion may think fit, provided that:—

(i) Retired pay be not granted to any Officer who would not have been eligible therefor if placed on the retired list for incapacity.

(ii) The maximum rate of retired pay shall be the lower of the two following rates, viz.:—

(a) The rate admissible on the incapacity scale, after crediting the Officer with any service lost as the result of sentence by Court Martial, less 10 per cent., or

(b) The rate admissible on the incapacity scale calculated upon the Officer's service as reduced by sentence of Court Martial.

(iii) The gratuity be not in excess of that for which the Officer might have been eligible if retired for incapacity.

“ 3. An Officer who has been dismissed the Service or dismissed with disgrace by sentence of Court Martial or whose name has been removed from the list of Officers, or who has been allowed to resign his commission or warrant to avoid trial by Court Martial may be awarded a compassionate allowance, but the grant of such an allowance and its duration, if granted, shall be entirely at the discretion of the Admiralty. No Officer may, however, be awarded a compassionate allowance in excess of the retired pay or gratuity which might have been granted to him if placed on the retired list under Clause 1 of this Schedule.

“ 4. Nothing in this Schedule shall prejudice or affect the power of the Admiralty to discharge or dismiss Officers or shall confer on any person who has been removed from His Majesty's Service any right to half pay, retired pay or pension, compassionate allowance or gratuity.

“ 5. The expression 'An Officer' in this Schedule shall include Commissioned Officers, Commissioned Officers from Warrant Rank, Warrant Officers and Subordinate Officers of all ranks in the Royal Navy and the Royal Marines.”

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

*Civil Service Commission,
June 4, 1926.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz. :—

REGULATIONS FOR THE COMPETITIVE SELECTION
OF JUNIOR ASSISTANTS IN THE NATIONAL
GALLERY AND THE TATE GALLERY.

N.B.—These regulations are liable to alteration from time to time. Competitions under these regulations do not take place at fixed intervals, but are held only on the occurrence of vacancies.

1. Candidates must have attained the age of 22 and must not exceed the age of 30 on a date to be fixed in respect of the competition in which they are to take part.

In reckoning age for competition the following allowances will be made, viz. :—

(a) Candidates who have served or are serving in the Army, Navy, or Air Force may deduct from their actual age any time during which they have so served.

(b) Candidates who have served for two full consecutive years in the Royal Irish Constabulary may deduct from their actual age any time not exceeding five years which they may have spent in such service.

(c) Candidates who have served in any established civil situation to which they were admitted with the Certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. Candidates must be natural-born British subjects and born of a father also a natural-born British subject; provided that exception may be made in the case of candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners, and provided that exception may be made as regards the father in the case of candidates who have served in His Majesty's Armed Forces during the Great War between the 4th August 1914 and the 11th November 1918.

3. Until further orders preference will be given to candidates who have served in His Majesty's Naval, Military, or Air Forces between the 4th August 1914 and the 11th November 1918.

No person will be eligible who obtained from any tribunal established under the Military Service Acts, 1916 to 1918, exemption from service in His Majesty's Forces under those Acts on the ground of a conscientious objection to the undertaking of military service, or, although not so exempted, declined to comply with obligations imposed upon him by those Acts.

4. The Trustees of the National Gallery will take such steps as they think most appropriate to make known the existence of any vacancy or vacancies which they desire to fill on any one occasion, and the Civil Service Commissioners will satisfy themselves that the steps taken have been such as to secure all desirable publicity.

5. No person actually serving in the Army,

Navy or Air Force will be eligible for admission to the examination unless he produces to the Civil Service Commissioners, when called upon to do so, the permission of his Commanding Officer to attend the examination, dated before the commencement of the competition, and given in accordance with such orders as may from time to time be issued.

Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to attend the examination before the commencement of the competition.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

6. Application shall be addressed in the first instance to the Keeper of the National Gallery, and shall be made on the appropriate form. After the last day for application has been reached the authorities of the Department shall scrutinise all the applications received and recommend to the Commissioners such candidates as appear to them qualified for the duties of the posts in question. They shall then forward to the Civil Service Commissioners all the application forms received, who may then, if dissatisfied with the candidates presenting themselves, take such steps in consultation with the authorities of the Gallery as they may think fit to obtain other candidates. The list of qualified candidates shall then be settled by agreement between the Civil Service Commissioners and the authorities of the National Gallery.

7. Candidates must satisfy the Civil Service Commissioners that they have received such systematic education, general or technical, or general and technical together, as in their opinion fits them for the post. The Commissioners may, if in doubt, submit any or all of the candidates to a qualifying examination to test such education, or any part of it.

8. Candidates must satisfy the Civil Service Commissioners as to their health and character. Female candidates must be unmarried or widows and will be required to resign their appointments on marriage.

Until further order, and other things being equal, preference will be given by the Selection Board to candidates who are debarred from active employment by a physical impairment due to the War and not of a nature to interfere with the discharge of ordinary administrative duties.

9. Candidates who are recommended by the authorities of the Department and are accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board, who will recommend for the vacancies existing those candidates who appear to them to possess the highest qualifications, and their decision will be final. The Selection Board shall be nominated by the Commissioners in consultation with the authorities of the Department who shall be represented on the Selection Board, and if practicable one of the Commissioners shall be the Chairman. The Selection Board will take into consideration the candidate's record of experience and education, any recommendations that they may receive from

persons named by any candidates as having direct knowledge of their work in the past, and the personal qualities of the candidate as shown at the interview; and on their estimation of all the above evidence they will frame their decisions.

10. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's work, whether at school, at the University, in the Forces, or otherwise.

11. If a qualifying examination is held, each candidate subjected thereto will be required to pay a fee of £3. A Selected Candidate will be required to pay a fee of £8, towards which the fee paid at the qualifying examination (if any) will count, before the issue of a certificate of qualification for appointment.
