## QUARANTINE STATIONS (REGULATION) ORDER OF 1928.

The Minister of Agriculture and Fisheries, by virtue and in exercise of the powers vested in him under the Diseases of Animals Acts, 1894 to 1927, and of every other power enabling him in this behalf, hereby orders as follows:—

*Approval by Minister of Agriculture and Fisheries of Premises as Quarantine Station for Animals intended for Export.*

1.—(1) The Minister of Agriculture and Fisheries, hereinafter referred to as the Minister, may specially approve and authorise the use of any specified premises in Great Britain as a quarantine station for animals intended for export to a place of destination outside Great Britain in accordance with the provisions and for the purposes of this Order, and subject to such other conditions and rules as the Minister may prescribe; and it shall not be lawful to use any premises for the said purposes which have not been so approved and authorised.

(2) Premises approved and authorised for use as a quarantine station for the said purposes, hereinafter referred to as an approved quarantine station, shall not, whilst such approval is operative, be used for any other purpose.

(3) The Minister may at any time revoke any approval and authority given by him for the use of specified premises as a quarantine station for the purposes of this Order and thereupon the said premises shall cease to be an approved quarantine station.

*Restriction of use of approved quarantine station to certain animals.*

(2) An animal when being moved to an approved quarantine station with permission granted under this Order, shall be accompanied by a declaration signed by the owner of the animal at the time of the movement or by his authorised agent to the effect
