At the Court at Buckingham Palace, the 1st day of November 1928.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 22nd day of October 1928 (C.W. 5650 28), in the words following, viz.:

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions, or other allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman, or Marine therein, or to the widow or any relative of a deceased Officer, Seaman or Marine, shall be paid in such manner, and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

"And whereas, under various Orders in Council, provision is made for the payment of gratuities to Officers of Your Majesty's Naval and Marine Forces on retirement or discharge, and of allowances to the children and brothers and sisters of deceased Officers:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to authorize us, at our discretion, to pay such gratuities and allow-

ances to the parent or guardian of the Officer or child, or to such other person as we may think fit."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

And whereas by Section 1 of the Merchant Shipping (Mercantile Marine Fund) Act, 1898, it is (among other things) provided that

references in Part XI of the Merchant Shipping Act, 1894, to the Mercantile Marine Fund shall be construed as references to the General Lighthouse Fund by the now reciting Act constituted:

And whereas it is expedient that the engineering establishment of the Corporation should be varied in manner hereinafter appearing:

And whereas it has been made to appear to His Majesty that the Board of Trade have consented to such variation:

At the Court at Buckingham Palace, the 1st day of November 1928.

**PRESENT,**

The KING's Most Excellent Majesty.

Marquess of Londonderry, K.G.

Lord Chamberlain.

Viscount Peel.

Secretary Sir W. Joynson-Hicks.

**WHEREAS** His Majesty the King has power and jurisdiction in the territories of South Africa known as Northern Rhodesia:

And whereas by an Order of His Majesty in Council bearing date the 16th day of July 1914, and entitled "The Northern Rhodesia Naturalisation Order in Council, 1914," (hereinafter referred to as the Principal Order) provision was made for the grant of letters of naturalisation to aliens in Northern Rhodesia:

And whereas it is expedient to amend the said Order by the addition of the provisions hereinafter contained:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

I. This Order may be cited as "The Northern Rhodesia Naturalisation Order in Council, 1928," and shall be read and construed as one with the Principal Order.

II. A person to whom letters of naturalisation have been granted in Northern Rhodesia under the Principal Order and who, when in any foreign state and not under disability, by obtaining a certificate of naturalisation or by any other voluntary and formal act, becomes naturalised therein, shall thenceforth be deemed to have ceased to possess the local status of British subject in Northern Rhodesia, and the wife and every minor child of that person shall thereupon also cease to possess that status.

III.—(1) Where the Governor is satisfied that letters of naturalisation granted under the Principal Order have been obtained by false representation or fraud, or by concealment of material circumstances, or that the person to whom such letters are granted has shown himself by act or speech to be disaffected or disloyal to His Majesty, the Governor shall, by order, revoke such letters.

(2) Without prejudice to the foregoing provisions the Governor shall by order revoke letters of naturalisation in any case in which he is satisfied that the person to whom such letters were granted either:—

(a) has during any war in which His Majesty is engaged unlawfully traded or communicated with the enemy or with the subject of an enemy state, or been engaged in or associated with any business which is to his knowledge carried on in such manner as to assist the enemy in such war; or

(b) has within five years of the date of the grant of such letters been sentenced by any court in His Majesty's dominions or in a British Protectorate to imprisonment for a term of not less than twelve months, or to a term of penal servitude, or to a fine of not less than one hundred pounds; or

(c) was not of good character at the date of the grant of such letters; or

(d) has since the date of the grant of such letters been for a period of not less than seven years ordinarily resident out of Northern Rhodesia otherwise than as a representative of a British subject, firm, or company carrying on business, or an institution established, in Northern Rhodesia or in His Majesty's dominions, or in the service of the Crown, and has not maintained substantial connection with Northern Rhodesia; or

(e) remains according to the law of a state at war with His Majesty a subject of that state:

and that (in any case) the continuance of such letters is not conducive to the public good.

(3) The Governor may, if he thinks fit, before making an order under this article refer the case for such inquiry as is hereafter specified.

(4) An inquiry under this article shall be held by a committee constituted for the purpose by the Governor presided over by a person appointed by the Governor and shall be conducted in such manner as the Governor may direct.

Provided that any such inquiry may, if the Governor thinks fit, instead of being held as aforesaid be held by the High Court, and the practice and procedure on any inquiry so held shall be regulated by rules of court.

A committee appointed under this article shall have all such powers, rights and privileges as are vested in the High Court or in any judge thereof on the occasion of any action, in respect of the following matters:—

(a) the enforcing the attendance of witnesses and examining them on oath affirmation, or otherwise, and the issue of a commission or a request to examine witnesses abroad: and

(b) the compelling the production of documents; and

(c) the punishing of persons guilty of contempt;

and a summons signed by one or more members of the committee may be substituted for and shall be equivalent to any formal process capable of being issued in any action for enforcing the attendance of witnesses and compelling the production of documents.

(5) Where the Governor revokes letters of naturalisation, the revocation shall have effect from such date as the Governor may direct, and thereupon the letters shall be given up and cancelled, and any person refusing or neglecting to give up such letters shall be liable on summary conviction to a fine not exceeding one hundred pounds.

IV.—(1) Where letters of naturalisation are revoked the Governor may by order direct that the wife and minor children, (or any of them) of the person whose letters are revoked shall cease to possess the local status of British subject in Northern Rhodesia and the wife or child, as the case may be, shall thereupon be regarded as an alien within the limits of Northern Rhodesia, but except where the Governor directs as aforesaid, the local status of British subject in Northern Rhodesia possessed by the wife and minor children of the person whose letters are revoked shall not be affected by the revocation, and they shall continue to possess the local status of British subject in Northern Rhodesia: Provided that

(a) it shall be lawful for the wife of any such person within six months after the date of the order of revocation to make a declaration of alienage, and thereupon she and any minor children of her husband and herself shall cease to possess the local status of British subject in Northern Rhodesia: and

(b) the Governor shall not make any such order as aforesaid in the case of a wife who was at birth a British subject, unless he is satisfied that if she had held letters of naturalisation in her own right the letters could properly have been revoked under this Order and the provisions of this Order as to referring cases for inquiry shall apply to the making of any such order as they apply to the revocation of letters of naturalisation.

(2) The provisions of this article shall, as respects persons affected thereby, have effect in substitution for any other provisions of the Principal Order as amended by this Order as to the effect upon the wife and children of any person where the person ceases to possess the local status of British subject in Northern

Rhodesia, and such other provisions shall accordingly not apply in any such case.

(3) Where letters of naturalisation are revoked the former holder thereof shall be regarded within the limits of Northern Rhodesia as an alien and as a subject of the state to which he belonged at the time the letters were granted.

#### CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD.

St. James's Palace, S.W.1,  
9th November 1928.

The KING has been graciously pleased to approve of the Award of the Medal of the Military Division of the Most Excellent Order of the British Empire to the under-mentioned:—

*For Gallantry.*

No. 363339 Leading Aircraftman Walter Arnold, Royal Air Force, for conspicuous gallantry displayed at Digby Aerodrome on the 20th June 1928.

This airman was a passenger in a machine which was wrecked upon landing and immediately caught fire. Arnold extricated himself from the burning wreckage and, although fully aware of the grave risk he was taking, re-entered the flames and succeeded in dragging the pilot, who was unconscious and very severely injured, to a position of safety. Arnold sustained burns to his face, neck and hands, and his prompt and courageous action undoubtedly saved the pilot's life, since the burning petrol spread rapidly and rendered any subsequent approach to the wreckage impossible.
