# Edinburgh Gazette.

PUBLISHED BY AUTHORITY.

FROM FRIDAY, MAY 22. to TUESDAY, MAY 26. 1807.

WHITEHALL, MAY 23, 1807.

The King has been pleased to appoint the Right Honourable George Earl of Crawford to be his Majesty's Lieutenant and Sheriff Principal of Fifeshire.

ADMIRALTY-OFFICE, May 19, 1807.

Copy of a letter from Admiral Lord Gardner, Commander in Chief of his Majesty's ships and vessels employed in the Channel, Soundings, &c. to William Marsden, Esq. dated the 15th instant.

SIR,

Vice-Admiral Sir James Saumarez having transmitted to me the enclosed letter from Captain Miller, of the Pallas, giving an account of the capture, by that ship, on the 8th of this month, of the Alerte French privateer, I desire you will be pleased to lay the same before the Lords Commissioners of the Admiralty.

I have the honour to be, &c.

GARDNER.

*His Majesty's Ship Pallas, at Sea,  
May 8, 1807.*

SIR,

His Majesty's ship under my command, on the morning of the 8th, Cape Ortegal bearing N. 20 deg. W. distant 66 miles, captured L'Alerte French privateer, of fourteen guns and eighty-five men; sailed from Bourdeaux the 6th of March; had captured the brig London, of London, bound to Quebec, on the 29th of March. I have the honour to be, &c.

GEORGE MILLER.

*To Sir James Saumarez, Bart. Vice-Admiral  
of the Blue, &c.*

Copy of a letter from Rear-Admiral Sir Alexander Cochrane, K. B. Commander in Chief of his Majesty's ships and vessels at the Leeward Islands, to William Marsden, Esq. dated on board the Northumberland, off Martinique, 13th April 1807.

SIR,

I enclose, for the information of the Lords Commissioners of the Admiralty, the copy of a

letter from Captain Pigot, of his Majesty's ship Circe, acquainting me with the capture of a fine brig privateer, of eighteen guns and 125 men. I have the honour to be, &c.

ALEX. COCHRANE.

*His Majesty's Ship Circe, Carlisle-Bay,  
Barbados, 5th April 1807.*

SIR,

I have the pleasure to acquaint you with the capture of the French privateer brig L'Austerlitz, of eighteen six-pounders and 125 men, by his Majesty's ship, under my command, after a chase of eighteen hours, in latitude 14 deg. 15 min. north, longitude 58 deg. west.

This vessel has done more mischief to the trade than any other from Guadeloupe during the war, and has been chased by several of our frigates before, but, from her superior sailing, always escaped; and had she not sprung her main topsail-yard, and fore-top-gallant-mast, during our chase, we should have had no chance of coming up with her. She appears to be in good order, and well adapted for his Majesty's service.

I have the honour to be, &c.

HUGH PIGOT.

*Rear-Admiral Sir Alexander Cochrane,  
K. B. &c.*

WAR-OFFICE, MAY 16, 1807.

The King's German Legion.
