*Civil Service Commission,
August 23, 1929.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz. :—

REGULATIONS GOVERNING THE APPOINTMENT OF THIRD CLASS VALUERS IN THE VALUATION OFFICE OF THE INLAND REVENUE DEPARTMENT.

These Regulations are liable to alteration from time to time.

1. The Civil Service Commissioners will satisfy themselves that the steps taken by the Department, by public advertisements in the Press or otherwise, to make known the existence of vacancies have been such as to secure all desirable publicity. The advertisement will fix the last day on which applications can be received and the date by which the age limits will be reckoned.

2. Applications will be addressed to the Department on the appropriate form. After the last day for application has been reached, the authorities of the Department will scrutinise all the applications received and recommend to the Commissioners such candidates as appear to them to be best qualified for the duties. They will at the same time forward to the Civil Service Commissioners the application forms of the candidates recommended, together with the forms of any candidates not recommended who are employed in a Government Department; and the list of candidates to be interviewed by the Selection Board will then be settled by agreement between the Department and the Civil Service Commissioners, who may, if dissatisfied with the candidates recommended, take such steps in consultation with the Department as they think fit to obtain other candidates.

3. Candidates recommended by the Department and accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board, who will select for the vacancies existing those candidates who appear to them to possess the qualifications most suited to the posts to be filled. The Selection Board will usually comprise representatives of the Civil Service Commission, the Department and a nominee of the Surveyors' Institution.

Until further notice, and other things being equal, preference will be given by the Selection Board to candidates who are debarred from more active employment by a physical impairment due to the War and not of a nature to interfere with the discharge of the duties of the post. Other things being equal and subject to this preference, preference will also be given to candidates who have served in His Majesty's Forces between 4th August 1914, and 11th November 1918, and among these preference will be given to such as have served or are serving in a Government Department over candidates without such service.

4. Candidates must be between the age of 25 and 30 years on a date to be fixed in respect of the competition in which they are to take part. In reckoning age for this purpose a candidate may deduct from his age time served in His Majesty's Forces between the 4th August 1914, and the 11th November 1918.

5. Candidates must have attained a satisfactory standard of general education and must have passed the Final Examination of the Surveyors' Institution, or the corresponding examination of the Auctioneers' and Estate Agents' Institute or of the Land Agents' Society. They must have had at least four years' professional experience which may have been obtained in :—

- (a) The Office of a F.S.I., F.A.I., or
