At the Court at Buckingham Palace, the 28th day of March 1930.

PRESENT,

The KING's Most Excellent Majesty.
Lord Chancellor.
Lord President.
Lord Macmillan.
Mr. Roberts.
Mr. James Brown.

WHEREAS by Section 1 of the Marriage of British Subjects (Facilities) Act, 1915, it is (amongst other things) enacted as follows:—

“ Where His Majesty is satisfied that the law in force in any part of His Majesty's Dominions outside the United Kingdom makes due provision for the publication of banns or for the giving of notice in respect of marriages between British Subjects intended to be solemnised or contracted in the United Kingdom, and for the recognition of certificates for marriage issued by Superintendent Registrars in England and of certificates for marriage issued by Registrars, and certificates of proclamation of banns, in Scotland, and of certificates for marriage issued by Registrars in Ireland as sufficient notice in respect of marriages between British Subjects intended to be solemnised or contracted in that part of His Majesty's Dominions, His Majesty may by Order in Council declare that this Section shall apply to that part of His Dominions, and in such case:—

“ (a) Where a marriage is intended to be solemnised or contracted in the United Kingdom between a British Subject resident in England, Scotland, or Ireland and a British Subject resident in that part of His Majesty's Dominions, a certificate of the publication of banns or a certificate of notice of marriage issued in accordance with such law shall in England have the same effect as a certificate for marriage issued by a Superintendent Registrar and in Scotland and Ireland have the same effect as a certificate for marriage issued by a Registrar in Scotland and Ireland respectively; and

“ (b) Where a marriage is intended to be solemnised or contracted in that part of His Majesty's Dominions between a British Subject resident in that part and a British Subject resident in England, Scotland, or

Ireland, a certificate for marriage may be issued in England by a Superintendent Registrar, or in Scotland or Ireland by a Registrar, in the like manner as if the marriage was to be solemnised or contracted under circumstances requiring the issue of such a certificate, and as if both such British Subjects were resident in England, Scotland, or Ireland, as the case may be ”:

And whereas by Section 1 of the Marriage of British Subjects (Facilities) Amendment Act, 1916, it is enacted as follows:—

“ If His Majesty is satisfied that, for the purposes of a marriage to be solemnised or contracted in any part of His Dominions outside the United Kingdom between a British Subject resident in that part and a British Subject resident in England, Scotland, or Ireland, no notice of the marriage is, under the law in force in that part of His Dominions, required on the part of the person resident in England, Scotland, or Ireland, His Majesty may by Order in Council declare that Section 1 of the Marriage of British Subjects (Facilities) Act, 1915, shall apply to that part of His Dominions, notwithstanding that the law in force in that part does not make provision for the recognition of certificates for marriage issued in England, Scotland, and Ireland, and of certificates of proclamation of banns issued in Scotland, as sufficient notice in respect of such marriages as aforesaid, provided that the other conditions required by that Section are fulfilled ”:

And whereas His Majesty is satisfied that for the purposes of a marriage to be solemnised or contracted in the part of His Dominions outside the United Kingdom hereinafter mentioned between a British Subject resident therein and a British Subject resident in England, Scotland, or Ireland, no notice of the marriage is under the law in force in that part of His Dominions required on the part of the person resident in England, Scotland, or Ireland, and that under the said law the other conditions required by the hereinbefore recited Section 1 of the Marriage of British Subjects (Facilities) Act, 1915, are fulfilled:

Now, therefore, His Majesty, by virtue and in exercise of the powers by the above-recited Acts in His Majesty vested, is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

Section 1 of the Marriage of British Subjects (Facilities) Act, 1915, shall apply to the part of His Majesty's Dominions outside the United Kingdom hereunder mentioned:—

The Island of Jersey.

And it is hereby further ordered that this Order in Council be registered and published in the Island of Jersey, not as being essential to its operation therein, but that His Majesty's subjects in the said Island may have notice of the making thereof, and that they are bound thereby.

And the Lieutenant-Governor or Commander-in-Chief for the time being, and also

the Bailiff and Jurats of the Royal Court, of the Island of Jersey, are to give the necessary directions herein as to them may respectively appertain.

Civil Service Commission,
June 10, 1930.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz. :—

REGULATIONS FOR THE COMPETITIVE SELECTION OF ASSISTANTS IN THE NATIONAL GALLERY, MILLBANK (TATE GALLERY).

N.B.—These regulations are liable to alteration from time to time. Competitions under these regulations do not take place at fixed intervals, but are held only on the occurrence of vacancies.

1. Candidates must have attained the age of 20 and must not exceed the age of 35 on a date to be fixed in respect of the competition in which they are to take part.

In reckoning age for competition the following allowances will be made, viz. :—

(a) Candidates who have served or are serving in the Army, Navy, or Air Force may deduct from their actual age any time during which they have so served.

(b) Candidates who have served in any established civil situation to which they were admitted with the Certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made :—

(a) In the case of candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners.

(b) In the case of natural-born British subjects who served in His Majesty's Armed Forces in the Great War between 4th August 1914 and 11th November 1918.

(c) In the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalisation or by any other voluntary and formal act.

3. Until further order preference will be given to candidates who have served in His Majesty's Naval, Military, or Air Forces between the 4th August 1914 and the 11th November 1918.

4. No person actually serving in the Army, Navy or Air Force will be eligible for admis

sion to the examination unless he produces to the Civil Service Commissioners, when called upon to do so, the permission of his Commanding Officer to attend the examination, dated before the commencement of the competition, and given in accordance with such orders as may from time to time be issued.

Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to attend the examination before the commencement of the competition.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

5. The Trustees of the National Gallery, Millbank, will take such steps as they think most appropriate to make known the existence of any vacancy or vacancies which they desire to fill on any one occasion, and the Civil Service Commissioners will satisfy themselves that the steps taken have been such as to secure all desirable publicity.

6. Candidates should be familiar with the history and practice of the Fine Arts, and it is desirable that they should have a knowledge of modern foreign languages.

7. Application shall be addressed in the first instance to the Director of the National Gallery, Millbank, and shall be made on the appropriate form. After the last day for application has been reached the authorities of the Department shall scrutinise all the applications received and recommend to the Commissioners such candidates as appear to them qualified for the duties of the posts in question. They shall then forward to the Civil Service Commissioners all the application forms received, who may then, if dissatisfied with the candidates presenting themselves, take such steps in consultation with the authorities of the Gallery as they may think fit to obtain other candidates. The list of qualified candidates shall then be settled by agreement between the Civil Service Commissioners and the authorities of the National Gallery, Millbank.

8. Candidates must satisfy the Civil Service Commissioners that they have received such systematic education, general or technical, or general and technical together, as in their opinion fits them for the post. The Commissioners may, if in doubt, submit any or all of the candidates to a qualifying examination to test such education, or any part of it.

9. Candidates must satisfy the Civil Service Commissioners as to their health and character. Female candidates must be unmarried or widows and will be required to resign their appointments on marriage.

Until further order, and other things being equal, preference will be given by the Selection Board to candidates who are debarred from active employment by a physical impairment due to the War and not of a nature to interfere with the discharge of ordinary administrative duties.

10. Candidates who are recommended by the authorities of the Department and are accepted by the Civil Service Commissioners as possessing the requisite qualifications will be sum-

moned to an interview before a Selection Board, who will recommend for the vacancies existing those candidates who appear to them to possess the highest qualifications, and their decision will be final. The Selection Board shall be nominated by the Commissioners in consultation with the authorities of the Department who shall be represented on the Selection Board, and if practicable one of the Commissioners shall be the Chairman. The Selection Board will take into consideration the candidate's record of experience and education, any recommendations that they may receive from persons named by any candidates as having direct knowledge of their work in the past, and the personal qualities of the candidate as shown at the interview; and on their estimation of all the above evidence they will frame their decisions.

11. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendation from persons who are not personally acquainted with the candidate's work, whether at school, at the University, in the Forces, or otherwise.

12. If a qualifying examination is held, each candidate subjected thereto will be required to pay a fee of £3. A Selected Candidate will be required to pay a fee of £8, towards which the fee paid at the qualifying examination (if any) will count, before the issue of a certificate of qualification for appointment.
