In accordance with the provisions of Section 3, sub-section (2) of the Merchandise Marks Act, 1926, the Board of Trade give notice that they have, in pursuance of the powers conferred upon them by the said

Section 3, given a Direction in the following terms:—

Whereas by Section 3, sub-section (1) of the Merchandise Marks Act, 1926 (16 & 17 Geo. 5, c. 53), it is provided that if, where an Order in Council has been made under that Act with respect to any goods, it is shown to the satisfaction of the appropriate Department by persons appearing to the Department to have a substantial interest in the matter that the application of the provisions of the Order or of some of those provisions to any particular class or description of those goods has caused or is likely to cause injury or hardship to the said persons or any of them, the Department may direct that the Order or any particular provisions of the Order shall cease to apply to goods of that class or description or shall apply to such goods subject only to such modifications and conditions as the Department think fit, and the Order shall, while the Direction is in force, have effect subject thereto:
