

Electricity Commission, 1930.

FOCHABERS ELECTRICITY
(EXTENSION).

NOTICE is hereby given that application has been made to the Electricity Commissioners by The Most Noble Charles Henry Gordon Lennox, Duke of Richmond Gordon and Lennox, residing at Gordon Castle, Fochabers, as the person for the time being beneficially entitled in possession to that portion of the Gordon-Richmond Estates in the County of Moray, which includes Gordon Castle and the area of supply under the Fochabers Electric Lighting Order, 1906, and this Order (hereinafter referred to as "the Undertaker") as a Special Order (hereinafter referred to as "the Order") under the Electricity (Supply) Acts, 1882 to 1928, for the following among other purposes (that is to say):—

1. To extend the area of supply for the purposes of the Fochabers Electric Lighting Order, 1906 (hereinafter called "the principal Order"), by adding thereto the following areas in the Parish of Bellie and County of Moray (hereinafter called "the added Area"), which areas are bounded as follows, viz.:—

(a) Commencing at Fochabers Bridge and proceeding northwards alongside the east bank of the River Spey for a distance of 560 yards or thereby; thence proceeding due eastward through the Policies of Gordon Castle a distance of 1610 yards to a point about 200 yards east of the Holly Bank; thence due south to a point where it strikes the road leading to Gordon Castle Home Farm, north-west of White Gate on the public road from Fochabers to Portgordon, a distance of 1040 yards; thence westwards southwards and south-westwards along the west side of a belt of plantation in the Policies of Gordon Castle at the Knowe of Tarryreach to a point on the footpath in the said belt of plantation for a distance of 806 yards; thence north-westwards past the north side of East Lodge, Episcopal Chapel and West Lodge and through the Policy Grounds of Gordon Castle and crossing the public road which leads from Fochabers to Tugnet and through the Bellie Plantation until it reaches a point at Fochabers Bridge, first above mentioned; said last line from the point on the footpath in the belt of plantation to Fochabers Bridge being the north-east boundary of the area of the Fochabers Electric Lighting Order, 1906.

(b) Commencing from a point on the east bank of the River Spey 800 yards south of the Fochabers Bridge along the east bank of the River Spey in a southerly direction for a distance of 1533 yards to a point 133 yards above the intake of the Canal carrying water to the Fochabers Power Station; thence proceeding north-eastwards along a footpath for 320 yards until it reaches the Burn of Ordiequish; thence following

the course of said burn in a south-easterly direction for a distance, measuring in a straight line, of 467 yards; thence north-eastwards and northward for a distance of 1400 yards to a point where it reaches Fochabers Burn; thence along the said burn in a westerly direction to the bridge which crosses the burn on the road leading from Fochabers to Ordiequish; then southwards along the east side of the said road to Ordiequish for a distance of 109 yards; thence in a straight line past the south side of the Manse of Bellie and Speybank until it reaches the point on the east bank of the River Spey, first above mentioned, said last line from the point where it touches the Fochabers Burn being the south-west boundary of the area of the Fochabers Electric Lighting Order, 1906.

2. To extend the powers of the Undertaker under the principal Order to the added area.

3. To authorise the Undertaker to exercise within the added area such of the powers contained in the Electricity (Supply) Acts, 1882 to 1928, and in the enactments incorporated therewith, as are usually conferred upon distributors of electrical energy, and to incorporate with the Order and make applicable to the Undertaker and to the undertaking with such variations as are or may be contained in the Order, all or some of the provisions contained in the Schedule to the Electric Lighting (Clauses) Act, 1899.

4. The streets or parts of streets not repairable by the Local Authority within the added area which the Undertaker proposes to take special power by the Order to break up are specified in the Draft Order as applied for.

5. The streets and parts of streets within the added area in which it is proposed that electric lines shall be laid down within the period specified in the Order are the roads or parts of roads set out in the Third Schedule to the Order.

6. Every local or other public authority company or person desirous of bringing before the Electricity Commissioners any objection respecting the application must do so by registered letter addressed to the Secretary, Electricity Commission, Savoy Court, Strand, London, W.C.2, and despatched on or before the 1st day of December 1930, and a copy of such objections must also be sent to the undermentioned Solicitors or Parliamentary Agents.

7. Printed copies of the Draft Order as applied for and of the Order as made may be obtained at the price of two shillings for each copy at the Offices of the undermentioned Solicitors and Parliamentary Agents, and from Mr. Charles Webster at Gordon Castle Gardens, Fochabers.

8. A copy of the Draft Order, a map showing the boundaries of the area of supply and the streets and parts of streets in which it is proposed that electric lines shall be laid down within a specified time, and a copy of this advertisement have been deposited for public inspection in the Office at Elgin of the principal Sheriff-Clerk of the County of Moray, and in the Office of the Clerk to the County
