They shall open all the said envelopes which are received on or before the said day and appear to be so signed and shall extract the voting papers therefrom and shall count the votes thereby given for the several candidates and shall report the result to the Council.

(8) At the Annual meeting of the Council held in the ensuing month of March the Chairman presiding thereat shall declare to be elected the candidates (not exceeding the appropriate number) for whom the highest numbers of votes have been ascertained (in the manner above provided) to have been given.

(10) The candidates elected shall be entitled to retain office as members of the Council until the close of the Annual meeting thereof to be held in the month of March in the year succeeding the year of the election.
