THE MERCHANDISE MARKS (IMPORTED GOODS) EXEMPTION DIRECTION (No. 5), 1934, DATED NOVEMBER 28,

1934, MADE BY THE BOARD OF TRADE UNDER SECTION 3 (1) OF THE MERCHANDISE MARKS ACT, 1926 (16 & 17 GEO. 5, c. 53).

Whereas by Section 3 subsection (1) of the Merchandise Marks Act, 1926 (16 & 17 Geo. 5, c. 53), it is provided that if, where an Order in Council has been made under that Act with respect to any goods, it is shown to the satisfaction of the appropriate Department by persons appearing to the Department to have a substantial interest in the matter that the application of the provisions of the Order or of some of those provisions to any particular class or description of those goods has caused, or is likely to cause, injury or hardship to the said persons or any of them, the Department may direct that the Order, or any particular provisions of the Order, shall cease to apply to goods of that class or description or shall apply to such goods subject only to such modifications and conditions as the Department think fit, and the Order shall, while the Direction is in force, have effect subject thereto:

And whereas by Article 1 of the Merchandise Marks (Imported Goods) No. 10 Order, 1934, (a) it is (amongst other things) provided that it shall not be lawful to sell or expose for sale in the United Kingdom any imported goods of the descriptions specified in Class III. of the Schedule to that Order unless they bear an indication of origin:

And whereas sacks and bags made wholly or mainly of woven piece goods wholly or partly of jute whether or not coated, impregnated, or in any other way treated or operated upon are included in the descriptions of goods specified in Class III. of the Schedule to the said Order:

And whereas by Article 6 of the said Order it is (amongst other things) provided that the said Order shall come into force so far as regards goods specified in Class III. of the Schedule thereof on the 1st March 1935:

And whereas the Board of Trade, being the appropriate Department in this case, having considered representations made to them in that behalf by persons appearing to the Board to have a substantial interest in the matter, are satisfied that the application of the aforesaid provisions of Article 1 of the said Order to sacks and bags of the aforesaid descriptions prior to the first day of April 1935, is likely to cause hardship to the said persons:

Now therefore the Board of Trade in pursuance of the powers conferred upon them by the said Section 3 hereby direct as follows:—

1. Until the first day of April 1935, Article 1 of the Merchandise Marks (Imported Goods) No. 10 Order, 1934, shall not apply to imported sacks and bags made wholly or mainly of woven piece goods wholly or partly of jute whether or not coated, impregnated or in any other way treated or operated upon.

2. This Direction may be cited as the Merchandise Marks (Imported Goods) Exemption Direction (No. 5) 1934.

Dated this twenty-eighth day of November 1934.

H. F. CARLILL,
A Secretary to the Board of Trade.
