The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz. :—

#### REGULATIONS RESPECTING OPEN COMPETITIVE EXAMINATIONS FOR SITUATIONS IN THE JUNIOR GRADE OF THE ADMINISTRATIVE CLASS.

*With the exception of posts in the Defence Departments and the Colonial, Dominions, and India Offices, for which men only are eligible, competitions under these regulations are open both to men and women.*

*These regulations are liable to alteration from time to time.*

1. Candidates must have attained the age of 21 and must not have attained the age of 24 on the first day of August in the year in which the examination is held.

In reckoning age for competition the following allowances will be made, viz. :—

(a) Candidates who have served or are serving in the Army, Navy, or Air Force may deduct from their actual age any time during which they have so served.

(b) Candidates who have served in any established civil situation to which they were admitted with the Certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject.

Provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

3. No person actually serving in the Army, Navy, or Air Force will be eligible for admission to the examination unless he produces to the Civil Service Commissioners, when called upon to do so, the permission of his Commanding Officer to attend the examination, dated before the commencement of the competition, and given in accordance with such orders as may from time to time be issued.

Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to attend the examination before the commencement of the competition.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

This option cannot be exercised by a candidate who can reduce his aggregate to 700 by omitting one or more of the subjects he proposes to offer.

7. The following restrictions apply to particular subjects in Section B.

International Relations (26), may not be taken by a candidate who offers European History, Period 3 (9), or International Law (15).

Greek Literature (61), may be taken only by candidates who offer Greek Translation (58), and Latin Literature (65) only by those who offer Latin Translation (62).

In subjects 69 to 85 the history or literature paper associated with a language may be taken only by candidates who offer the language itself for examination.

A candidate who offers one or more of the subjects French History (69), German History (72), Spanish or Italian History (75), Russian History (78), may not offer either subject 8 (European History, Period 1 or Period 2) or subject 9 (European History, Period 3).

For Astronomy (37), Engineering (50), Geography (51), and the Physical Anthropology branch of Special Anthropology (53), other equivalent training will be required. There will be no laboratory test as part of the examination.

The assignment by the Civil Service Commissioners of successful candidates will be made with due regard to the requirements of the situation to be filled. Subject to this condition, candidates will be allowed to choose, according to their place on the list, among the vacancies (a) for which they are duly qualified; or they may elect to wait for the chance of a vacancy (b). When vacancies (b) occur, they will be offered in rotation to the qualified candidates then on the list, who will be free to decline them without forfeiting their claim to subsequent vacancies (b).

The Civil Service Commissioners further give notice that an Open Competitive Examination will be held in London in 1938 under the foregoing Regulations. The viva voce tests will begin towards the end of June; the written examination will begin early in July.

No person will be admitted to Examination from whom the Secretary of the Civil Service Commission has not received, on or before the 11th April 1938, an application, in the candidate's own handwriting, on a prescribed form, which may be obtained from the Secretary at once.

1. Candidates will be required to appear before a Board of Selection which will meet at the office of the Civil Service Commission on the second Tuesday in May, and will decide which candidates possess suitable qualifications for entry into the Consular Service, and to posts in the Assistant Officer Grade in the Department of Overseas Trade, in order to enable them to compete at the examination prescribed below. Candidates may appear before this Board at any time after they have attained the age of nineteen; but a candidate who is not recommended for acceptance by the Board of Selection may not appear before that Board for interview a second time unless he is specifically notified after his first appearance that the Board will be prepared to see him again.

Candidates must be natural-born British subjects and born within the United Kingdom or in one of the self-governing Dominions of parents also born within those territories, except when the circumstances are such as to justify a departure from the general rule, in which case they can be allowed to compete by special permission of the Secretary of State for Foreign Affairs, provided they fulfil the conditions of the rule in respect of nationality prescribed for candidates for admission to His Majesty's Civil Service as a whole, viz:—

“Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject. Provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of

any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act."

4. No person actually serving in the Army, Navy or Air Force will be eligible for admission to the examination unless he produces to the Civil Service Commissioners when called upon to do so, the permission of his Commanding Officer to attend the examination, dated before the commencement of the competition, and given in accordance with such orders as may from time to time be issued.

*N.B.—Competitions under these Regulations are open to candidates of either sex. The Regulations are liable to alteration from time to time.*

1. The limits of age for this Examination are 18 and 23. In reckoning age, candidates who

have served, or are serving in the Navy, Army, or Air Force may deduct from their actual age any time during which they have so served. Candidates must be of the prescribed age on the first day of the Examination.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject. Provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

3. No person actually serving in the Army, Navy, or Air Force will be eligible for admission to the Examination unless he produces to the Civil Service Commissioners when called upon to do so, the permission of his Commanding Officer to attend the Examination, dated before the commencement of the competition, and given in accordance with such orders as may from time to time be issued.

The Examination may be held in two parts at the discretion of the Civil Service Commissioners. In this case the first part of the Examination, viz., subjects 1 to 6 inclusive, will be used to reduce the number of competitors to be admitted to the second part, viz., subject 7. Of those who

pass and obtain the highest aggregate marks on the first part a certain number, to be determined by the Civil Service Commissioners, will be admitted to the second part of the Examination. The successful list will consist of those candidates who pass and obtain the highest aggregate marks in the whole Examination.

6. Any attempt, direct or indirect, on the part of candidates to enlist support for their applications through influential persons will disqualify them for appointment.

7. Applications for permission to attend an Examination must be made at such time and in such manner as the Civil Service Commissioners may appoint.
