The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS FOR THE NORMAL RECRUITMENT BY OPEN COMPETITIVE SELECTION OF JUNIOR TECHNICAL ASSISTANTS (MALE) IN THE ROYAL MINT.

N.B.—*These regulations are liable to alteration from time to time. It is anticipated that competitions, when required, will normally be held in the Spring of the year.*

1. Candidates must have attained the age of 20 and must not have attained the age of 25 on the 1st March of the year in which the competition is held.

In reckoning age for this purpose a candidate may deduct any time, up to a maximum of two years, which he has spent in an approved works or in post-graduate research work in an approved laboratory; and candidates who have served, or are serving, in the Navy, Army, or Air Force may deduct from their actual age any time during which they have so served.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalisation or by any other voluntary and formal act.

3. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Navy, Army, or Air Force will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment,
