PUBLISHED BY AUTHORITY.

FROM FRIDAY, SEPTEMBER 30, to TUESDAY, OCTOBER 4, 1808.

ADMIRALTY-OFFICE, SEPTEMBER 27, 1808.

Copy of a Letter from Vice-Admiral Lord COLLINGWOOD, Commander in Chief of his Majesty's Ships and Vessels in the Mediterranean, to the Honourable W. W. POLE, dated on board the Ocean, at Gibraltar, August 27, 1808.

SIR,

I inclose, for the information of the Lords Commissioners of the Admiralty, the copy of a letter I have received from Lord Cochrane, captain of his Majesty's ship the Imperieuse, giving an account of the surrender of the castle of Mongal, (a fort on the coast of Catalonia, in possession of the French,) to his Majesty's ship under his command, which his lordship had subsequently destroyed, after having delivered the principal part of the military stores to the Spanish militia.

I have great pleasure in transmitting this information to their Lordships, as it points out one of the many instances in which his Majesty's ships on the eastern coast of Spain have rendered effectual aid to the patriot Spaniards, in resisting and driving the enemy out of their country, and of the zeal and indefatigable industry with which Captain Lord Cochrane engages in that service.

Captain Otway, of the Montague, landed at Rosas bay a party of marines in aid of the Spanish peasantry, to oppose a French force which was approaching to attack that fortress on the 23d ult. and obliged the enemy to retire.

I am, &c. COLLINGWOOD.

His Majesty's Ship Imperieuse, off Mongal, 31st July 1808.
MY LORD,

The castle of Mongal, an important post, completely commanding a pass in the road from Barcelona to Gerona; which the French are

now besieging, and the only one between those towns occupied by the enemy, surrendered this morning to his Majesty's ship under my command. The Spanish militia behaved admirably, in carrying an outpost on a neighbouring hill. Lieutenant Hone, with the marines, took possession of the castle, which, by means of powder, is now levelled to the ground. The rocks there are blown down into the road, which in many other places is rendered impassable to artillery without a very heavy loss of men, if they determine to repair them.

I inclose to your Lordship a list of the prisoners and of the material part of military stores; all that could be of use to the Spanish militia have been delivered to them.

I have the honour to be, &c.

COCHRANE.
