

maximum of 300. This will take into account the candidate's record, his intelligence and personal qualities, his work in the qualifying examination, and the report on his performance at the residential centre. In the event of a tie between two or more candidates the Commissioners will decide which to declare successful. The Commissioners may at their discretion require a candidate to attend a second time before the Final Selection Board if they consider it necessary to enable them to reach a decision.

5. *Eligibility.* (i.) *Age.* Candidates must be at least 20½ years and under 24 years of age on 1st August 1949. But—

(a) a candidate who has served or is serving on a regular (including a regular short service) engagement in H.M. Forces may deduct the period of such service from his actual age;

(b) a candidate who has served or is serving voluntarily in H.M. Forces otherwise than on a regular or short service engagement or who has performed or is performing compulsory national service under the National Service Acts may deduct the period of such service from his actual age, up to a maximum of two years.

(ii.) *Education.* Candidates must either (a) have completed a course of study for a full honours degree at a recognized University and obtained at least second class honours at their degree examination, or (b) in the last year of a course for a full honours degree at a recognised University. In the latter case, they will not be declared successful unless they can produce evidence, not later than 1st September 1949, that they have obtained at least second class honours in their degree examination.

(iii.) A candidate who has served or is serving on a regular (including a regular short service) engagement in H.M. Forces may be admitted to compete, notwithstanding that he fails to satisfy the requirements of sub-para. (ii.), if (a) he is in other respects eligible under these Regulations to compete; and (b) he is recommended to the Civil Service Commissioners by the appropriate Service Authority, as warranting consideration for appointment to the Administrative Class of the Home Civil Service by reason of his record, education, intelligence, and personal qualities.

Methods I. and II.

6. *Sex and Marriage.* (i.) Both men and women are eligible, but women will not ordinarily be appointed to posts in the Ministry of Defence, Admiralty, War Office, or Air Ministry.

(ii.) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

7. *Nationality.* Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i.) have at least one parent who is or was at death a British subject, or

(ii.) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalized British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing, or residence, or by reason of national service, that an exception may properly be made in their favour.

8. *Health and Character.* Successful candidates must satisfy the Commissioners as to their health and character.

9. *Vacancies.* The number of vacancies to be filled from the Competition as a whole, and the number to be filled by Method I. and Method II. respectively, will be determined by the Commissioners, but the number of vacancies to be filled from Method II. will not exceed 25 per cent. of the whole.

10. *Candidates trained as Teachers.* Candidates who have been trained as teachers and upon whose training public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

11. *Assignment.* The Commissioners will decide to which Department each successful candidate is to be assigned. A candidate who declines to accept the post offered will have no claim to be assigned to another, but will be regarded as having declined appointment. Assignments will be made in

accordance with the needs of the public service, but the wishes of candidates will, where possible, be taken into account.

12. *Canvassing.* Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

13. *Fees.* The normal fee, payable by all candidates, is £1 for each attempt, and must be sent with the Application Form. A candidate who applies to compete by both Methods at different times must send the full fee with each Application Form; but one who sends in both Application Forms together may pay a reduced fee of 30s.

14. These Regulations apply to the examination of 1949, and are liable to be modified for subsequent examinations. They are issued by the Civil Service Commissioners with the approval of the Treasury.
