The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury and the Secretary of State for Foreign Affairs, viz. :—

RECRUITMENT UNDER NORMAL REGULATIONS TO THE SENIOR BRANCH OF THE FOREIGN SERVICE.

1. No Candidate may compete more than twice in all under Normal and Reconstruction Regulations.

2. *Age.* Candidates must (save as provided below) be at least 20½ years and under 26 years of age on the 1st day of August 1950, but

(a) a candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces will be eligible if his notional age on 1st August 1950, after the deduction from his actual age of the period of such service, will be under 24 years;

(b) the Commissioners may at their discretion admit a candidate who was born on or after 2nd August 1923, if he rendered civilian service otherwise than under the National Service Acts and so was debarred from competing in 1949 by the terms of paragraph 2 (b) of the Regulations governing the Normal Open Competition of 1949 for the Senior Branch of the Foreign Service, but in other respects complies with the requirements of these Regulations.

3. *Marriage.* Both men and women may compete under these Regulations; but

(a) every woman candidate must be unmarried or a widow;

(b) women will normally be required to resign their appointments on marriage, but in exceptional cases they may be retained with the permission of the Secretary of State for Foreign Affairs.

The approval of the Secretary of State is required before a successful male candidate who is married takes up appointment.

4. *Nationality.* (1) Every candidate must

(a) be a natural-born British subject; and

(b) have been born within the United Kingdom or within one of the self-governing Dominions of parents both of whom were also born within the United Kingdom or within one of the self-governing Dominions.

(2) No departure from this rule will be made without the special permission of the Secretary of State for Foreign Affairs, and then only in exceptional cases and in favour of candidates who are British subjects and who also satisfy one of the following conditions :—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this sub-paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions, either by ancestry, upbringing, or residence, or by reason of national service, that an exception may properly be made in their favour.

5. *Health and Character.* Successful candidates must satisfy the Commissioners as to their health and character.

6. *Education.* (i) Candidates must either (a) have completed a full course of study for an honours degree at a recognized University, and obtained at least second class honours at their degree examination, or (b) be in the last year of a full course for an honours degree at a recognized University. In the latter case, they will not be declared successful unless they can produce evidence, not later than 1st September 1950, that they have obtained at least second class honours in their degree examination.

(ii) Candidates who are unable to satisfy the provisions of sub-paragraph (i) may qualify if they take the written examination under Method I for the Administrative Class of the Home Civil Service and reach in it a standard satisfactory to the Commissioners.

(iii) A candidate who has served, or is serving, on a regular (including a regular short-service) engagement in His Majesty's Forces may be admitted to compete, notwithstanding that he fails to satisfy either sub-paragraph (i) or sub-paragraph (ii) if (a) he is in other respects eligible under these Regulations to compete; and (b) he is recommended to the Civil Service Commissioners by the appropriate Service Authority as warranting consideration for appointment to the Senior Branch of the Foreign Service by reason of his record, education, intelligence, and personal qualities.

7. *Examination.* (i) The examination consists of the following:—

(A) a written qualifying examination consisting of two papers in English, two General Papers, and a test of General Intelligence, for each of which a maximum of 100 marks is allotted (making 500 in all).

(B) an oral test in a foreign language approved by the Commissioners (normally French, German, Italian, Russian, Spanish); but the Commissioners may dispense with this in the case of a candidate who satisfies them that he possesses adequate ability to speak a modern foreign language.

(C) for candidates who pass the qualifying examination a series of tests of personal qualities, followed by an interview before the Final Selection Board.

(ii) The final order of merit will be determined by the mark awarded by the Final Selection Board out of a maximum of 300. This will take into account the candidate's record (including proficiency and interest in modern foreign languages), his intelligence and personal qualities, his work in the qualifying examination, and the report on his performance in the series of tests of personal qualities. In the event of a tie between two or more candidates, the Commissioners will decide which to declare successful.

8. *Candidates trained as Teachers.* Candidates who have been trained as teachers and upon whose training public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

9. *Canvassing.* Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms will disqualify them for appointment.

10. *Fee.* A fee of £1 is payable by all candidates. This must be sent with the Application Form.

The Civil Service Commissioners further give notice that an Open Competitive Examination under the above Regulations will be held in 1950. The qualifying written examination will be held on the 5th and 6th January 1950, and the tests of personal qualities and the final interviews will be held from February to May 1950.

No person will be admitted to the examination from whom the Secretary of the Civil Service Commission has not received by the 15th November 1949, an application, in the candidate's own handwriting, on the prescribed form, which may be obtained from the Secretary at once.

(b) an interview before the Final Interview Board which will award a mark out of a maximum of 300 for the candidate's record, intelligence, and personal qualities.

The Commissioners may at their discretion require a candidate to attend a second time before the Final Interview Board if they consider it necessary to enable them to reach a decision.

3. *Eligibility.* Candidates must (save as provided below) be at least 20½ years and under 26 years of age on the 1st day of August 1950. But

(a) a candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces will be eligible if his notional age on 1st August 1950, after the deduction from his actual age of the period of such service will be under 24 years;

(b) the Commissioners may at their discretion admit a candidate who was born on or after 2nd August 1923, if he renders civilian service otherwise than under the National Service Acts and so was debarred from competing in 1949 by the terms of paragraph 3 (b) of the Regulations governing the Normal Open Competition of 1949 for the Administrative Class of the Home Civil Service, but in other respects complies with the requirements of these Regulations.

(B) For candidates who pass the qualifying examination a series of tests of personal qualities, followed by an interview before the Final Selection Board.

(ii) The final order of merit will be determined by the mark awarded by the Final Selection Board out of a maximum of 300. This will take into account the candidate's record, his intelligence and personal qualities, his work in the qualifying examination, and the report on his performance in the series of tests of personal qualities. In the event of a tie between two or more candidates the Commissioners will decide which to declare successful. The Commissioners may at their discretion require a candidate to attend a second time before the Final Selection Board if they consider it necessary to enable them to reach a decision.

5. *Eligibility.*

(i) *Age.* Candidates must be at least 20½ years and under 26 years of age on 1st August 1950. But

(a) a candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces will be eligible if his notional age on 1st August 1950, after the deduction from his actual age of the period of such service, will be under 24 years;

(b) the Commissioners may at their discretion admit a candidate who was born on or after 2nd August 1923 if he rendered civilian service otherwise than under the National Service Acts and so was debarred from competing in 1949 by the terms of paragraph 5 (i) (b) of the Regulations governing the Normal Open Competition of 1949 for the Administrative Class of the Home Civil Service, but in other respects complies with the requirements of these Regulations.

(ii) *Education.* Candidates must either (a) have completed a course of study for a full honours degree at a recognised University and obtained at least second class honours at their degree examination, or (b) in the last year of a course for a full honours degree at a recognised University. In the latter case, they will not be declared successful unless they can produce evidence, not later than 1st September 1950, that they have obtained at least second class honours in their degree examination.

(iii) A candidate who has served or is serving on a regular (including a regular short service) engagement in

H.M. Forces may be admitted to compete, notwithstanding that he fails to satisfy the requirements of sub-para. (ii), if (a) he is in other respects eligible under these Regulations to compete; and (b) he is recommended to the Civil Service Commissioners by the appropriate Service Authority, as warranting consideration for appointment to the Administrative Class of the Home Civil Service by reason of his record, education, intelligence, and personal qualities.

Methods I and II

6. *Sex and Marriage.* (i) Both men and women are eligible, but women will not ordinarily be appointed to posts in the Ministry of Defence, Admiralty, War Office, or Air Ministry.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

7. *Nationality.* Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

8. *Health and Character.* Successful candidates must satisfy the Commissioners as to their health and character.

9. *Vacancies.* The number of vacancies to be filled from the Competition as a whole, and the number to be filled by Method I and Method II respectively, will be determined by the Commissioners, but the number of vacancies to be filled from Method II will not exceed 25 per cent. of the whole.

10. *Candidates Trained as Teachers.* Candidates who have been trained as teachers and upon whose training public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

11. *Assignment.* The Commissioners will decide to which Department each successful candidate is to be assigned. A candidate who declines to accept the post offered will have no claim to be assigned to another, but will be regarded as having declined appointment. Assignments will be made in accordance with the needs of the public service, but the wishes of candidates will, where possible, be taken into account.

12. *Canvassing.* Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.
