Civil Service Commission,
8th May 1951.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz. :-

REGULATIONS FOR THE NORMAL RECRUITMENT FROM ESTABLISHED CLERICAL OFFICERS FOR THE EXECUTIVE CLASS (AND CORRESPONDING DEPARTMENTAL CLASSES) AND INFORMATION OFFICER CLASS OF THE HOME CIVIL SERVICE.

1. Age.

Candidates must be at least 21 and under 28 years of age on the 1st August 1951.

Provided that the Commissioners may, at their discretion, waive the maximum age limit in favour of a candidate who has been employed by his Department overseas, if they are satisfied that he would otherwise be deprived of one of the attempts which, but for service overseas, he might have made while within the normal age limits.

The Commissioners will not make this concession in favour of any candidate who has missed any of his chances of competing through his own action. Nor will the concession be used to replace any chance which a candidate has missed through any cause (other than service overseas) outside his own control.

2. Sex.

Both men and women are eligible, but women will not ordinarily be appointed to posts in the Admiralty or to the Immigration Service of the Home Office.

3. Service.

Candidates must either -

(a) be serving on the 1st August 1951 in an established situation in the General Clerical Class or in the Departmental Clerical Classes of the Customs and Excise Department and the Valuation Office of the Board of Inland Revenue with a certificate of the Civil Service Commissioners; or

(b) be serving on the 1st August 1951 on the established conditions of the General Clerical Class or of the Departmental Clerical Classes of the Customs and Excise Department and the Valuation Office of the Board of Inland Revenue except for pension, pending the issue of the certificate of the Civil Service Commissioners and have been notified by the Commissioners, by that date that a decision as to physical eligibility has been deferred; or

(c) if they were rejected on medical grounds for established appointment, must be serving on the 1st August 1951 on the established conditions of the General Clerical Class or of the Departmental Clerical Classes of the Customs and Excise Department and the Valuation Office of the Board of Inland Revenue except for sick leave and pension; or

(d) be serving on the 1st August 1951 in the Office of the Receiver for the Metropolitan Police District, the Office of the Crown Agents for the Colonies, or Trinity House in clerical posts to which they were admitted as a result of a competition held by the Civil Service Commissioners for the Clerical Classes of the Civil Service.

Members of the General Clerical Class who have been accepted for transfer to Branch B of the Foreign Service are not eligible.

4. Number of Attempts.

No candidate may compete in more than three Limited Competitions under Normal Regulations.

5. Health and Character.

Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

6. Examination.

The written examination will consist of papers in English and Arithmetic, a General Paper, and a test of General Intelligence.

Of the candidates who obtain the highest marks in the written examination a certain number, to be fixed by the Commissioners, will be summoned to an interview at which the Interviewing Board will award each candidate a mark for his or her record and personal qualities. The Department of each candidate summoned to interview will be asked to supply a confidential report and this will be taken into account by the Interviewing Board.

The final order of merit will be determined by combining the marks for written examination and interview.

7. Assignment.

The Commissioners will decide to which Department each successful candidate is to be assigned. A candidate who declines to accept the post offered will have no claim to be assigned to another, but will be regarded as having declined appointment. Assignments will be made in accordance with the needs of the public service, but regard will be paid, so far as vacancies permit, to the previous Departmental experience of the candidates and to the wishes of Departments

for the assignment of particular candidates who have served under them, and the wishes of candidates will, where possible, be taken into account.

8. Fee.

A fee of 7s. 6d. is payable by all candidates. This must be sent with the application form, and is not returnable in any circumstances.

The Civil Service Commissioners further give notice that a Competition will be held under the above Regulations, the written examination commencing on the 14th August 1951.

No person will be admitted to the Competition from whom the Secretary of the Civil Service Commission has not received, on or before the 14th June 1951, an application on the prescribed form which may be obtained from the Secretary at once.

Civil Service Commission,
8th May 1951.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz. :—

RECRUITMENT UNDER NORMAL REGULATIONS OF A FISHERY OFFICER (MALE) IN THE MINISTRY OF AGRICULTURE AND FISHERIES.

1. Age.

Candidates must be at least 23 years of age on the 1st January 1951. The Commissioners have not specified an upper age limit for this Competition; in general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service, and accordingly the Commissioners reserve the right to give weight to this factor in considering candidates for this post who are over 50 years of age.

2. Sex.

Men only may compete under these Regulations.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions :—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalized British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Qualification.

A candidate must satisfy the Commissioners that he possesses a sound general education and is qualified to deal with matters affecting fishermen and the fishing industry. For this purpose some knowledge of sea fisheries and of the fishing industry or some seafaring experience is desirable.

5. Health and Character.

The successful candidate must satisfy the Commissioners as to his health and character.

6. Competition.

The Commissioners may summon to appear before a Selection Board all who are found to be *prima facie* eligible, or may, if they see fit, summon only those whose qualifications and experience are considered to be most suitable. The Selection Board will take into consideration the candidates' record of experience and education, any recommendation from persons named by the candidates as having direct knowledge of their work, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above facts they will frame their recommendations. The decision of the Commissioners will be final.

7. Candidates Trained as Teachers.

A person upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or

other influential persons except as referees to be named by them in their Application Forms, will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidates' work, whether at school, in the Forces, or otherwise.

9. Fee.

The successful candidate will be required to pay a fee of £1 10s. before the issue of a Certificate of Qualification for appointment.
