

4. Education.

(i) Candidates must either (a) have obtained at least second class honours in a full honours degree examination at a recognized university, or (b) be in the last year of a course for a full honours degree at a recognized university. In the latter case, they will not be appointed (if declared successful) unless they produce evidence, not later than 1st September of the year in which they compete, that they have obtained at least second class honours in their degree examination.

(ii) A candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces may be admitted to compete, notwithstanding that he fails to satisfy the requirements of sub-para. (i), if (a) he is in other respects eligible under these Regulations to compete, and (b) he is recommended to the Civil Service Commissioners by the appropriate Service Authority, as warranting consideration for appointment to the Administrative Class of the Home Civil Service by reason of his record, education, intelligence, and personal qualities.

METHODS I. AND II.

5. Age.

Candidates must be at least 20½ years and under 24 years of age on the 1st August of the year in which the examination is held. But a candidate who has served or is serving in H.M. Forces may deduct the period of such service from his actual age.

6. Sex.

Both men and women are eligible, but women will not ordinarily be appointed to posts in the Ministry of Defence, Admiralty, War Office, or Air Ministry.

7. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject, or

(ii) have resided in Her Majesty's Dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalized British subjects, they must have resided in Her Majesty's Dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's Dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

8. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

9. Vacancies.

The number of vacancies to be filled from the Competition as a whole, and the number to be filled by Method I and Method II respectively, will be determined by the Commissioners.

10. Candidates Trained as Teachers.

Candidates who have been trained as teachers and upon whose training public money has been spent cannot be appointed until the consent of the appropriate central educational authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

11. Assignment.

The Commissioners will decide to which Department each successful candidate is to be assigned. A candidate who declines to accept the post offered will have no claim to be assigned to another, but will be regarded as having declined appointment. Assignments will be made in accordance with the needs of the public service, but the wishes of candidates will, where possible, be taken into account.

12. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their Application Forms, will disqualify them for appointment.

13. Fees.

The total fee payable by all candidates is £4 for either Method separately and £6 for both Methods. Of this £2 must be paid on application.
