F. D. GROVER, Secretary.

7th March, 1957.

Civil Service Commission, 5th March, 1957.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:

REGULATIONS FOR RECRUITMENT TO THE NATIONAL AGRICULTURAL ADVISORY SERVICE UNDER THE MINISTRY OF AGRICULTURE, FISHERIES AND FOOD.**1. Age.**

Candidates must on 1st August, 1957, be at least 18 years of age for appointment to Grade B, at least 20½ years of age for appointment to Grade IV (a) or Grade IV (b), at least 25 years of age for appointment to Grade III, at least 26 for appointment to Grade A and at least 31 years of age for appointment to Grade II. Provided that a candidate under 25 years of age on 1st August, 1957, may be accepted for appointment to Grade III if he is exceptionally well qualified.

There is no upper age limit specified for this Competition, but in appointing persons in a permanent capacity Departments expect regular and effective service for a reasonable period, and the Commissioners will take this requirement into account.

2. Sex and Marriage.

(i) Both men and women, including married women, may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible for appointment under these Regulations to situations which render them eligible for pension and other benefits under the Superannuation Acts, unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

3. Nationality.

To be eligible for appointment to a situation (other than a situation in the Cabinet Office, Ministry of Defence, Admiralty, War Office, Air Ministry or Ministry of Supply or a situation in the Foreign Service or other situation under the Secretary of State for Foreign Affairs) a candidate must be a British subject, a British protected person or a citizen of the Irish Republic and in addition satisfy one of the following conditions:—

(a) if he was a British subject, a British protected person or a citizen of the Irish Republic at birth—

(i) at least one of his parents must be, or have been at death, a British subject, a British protected person or a citizen of the Irish Republic, or

(ii) the candidate must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment:

(b) if he was not a British subject, a British protected person or a citizen of the Irish Republic at birth, he must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment:

(c) if not qualified under sub-paragraph (a) or sub-paragraph (b) of this paragraph, he must satisfy the Commissioners that he is so closely connected with a country or territory within the Commonwealth either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his favour.

4. Qualifications.

(a) Candidates for Grades II, III or IV must have a University degree in agriculture, dairying, horticulture, or the appropriate natural sciences, or engineering, or a National Diploma in appropriate subjects, or a qualification accepted by the Commissioners as of equivalent academic standard. For Grade IV (a) candidates must have obtained a University degree with first or second class honours in the appropriate scientific subject or an equivalent academic qualification. In addition candidates for posts in general agriculture (Section III 1), horticulture (Section III 2) or husbandry (Section III 3) must have had appropriate practical experience. For posts at Experimental Husbandry Farms experience in experimental technique is an advantage.

(b) Candidates for Grade A posts should have a University degree in science (or a scientific qualification of equivalent academic standard). Exceptionally, applications for Grade A posts in the laboratories will be considered from candidates without these qualifications, provided that they have comprehensive laboratory or analytical experience.

(c) Candidates for Grade B must normally possess either a University degree in Science or (1) a Higher School Certificate with mathematics or a science subject as a principal subject or (2) a General Certificate of Education with passes in five subjects at the levels shown in brackets:—

(i) English Language (Ordinary),

(ii) Two mathematical or scientific subjects (Advanced),
