NOTICE is hereby given in terms of paragraph 1 of the First Schedule to the Rivers (Prevention of Pollution) (Scotland) Act, 1951, that the Secretary of State, after consultation with the Clyde River Purification Board and the Council of every county or large burgh whose district is comprised wholly or partly in the area affected, has prepared a draft order in exercise of the powers conferred on him by section 29 of that Act. It is proposed that the order should operate from 16th May 1962.

The draft order applies the provisions of that Act, with modifications, to those tidal waters specified in paragraph 1 of the Second Schedule to the Act, viz.:

The tidal waters of the Firth of Clyde (including the waters of Holy Loch, Loch Goil, Loch Long and Gareloch) to the north and east of an imaginary line drawn across the Firth of Clyde in a westerly direction from Cloch Point in the County of Renfrew to Castle Hill, Dunoon, in the County of Argyll and of any stream flowing into those waters.

The modifications provide that the Act should not apply so as to restrict the ordinary use of sanitary appliances in vessels within the tidal waters.

A copy of the draft order and a written statement in explanation may be inspected by any person free of charge at the office of the Clerk to the Clyde River Purification Board, Town Clerk's Office (Room 4), City Chambers, Glasgow C.1, during office hours from 22nd January to 24th February 1962.
