THE Lords Commissioners of Her Majesty's Treasury hereby give notice that They have made an Order under Schedule 2 to the Finance Act 1957, viz: The Composite Goods Order 1963.

This Order revokes and replaces the Composite Goods Order, 1962.

In the case of imported composite goods containing hydrocarbon oil as an ingredient, this Order continues the provisions of the 1962 Order for duty to be charged in respect of that oil at average rates, and for certain composite goods to be treated as not containing oil, or as consisting wholly of oil. The average rate of duty remains at 5½ per cent. ad valorem generally in respect of the composite goods described in the schedule to the Order but is increased to 10½ per cent. for certain of those goods, namely, solutions of alkyd resins incorporating vegetable oils or their fatty acids or both.

The provisions of the 1962 Order relating to duties on composite goods containing sugar, invert sugar, glucose, cocoa, coffee or chicory, have ceased to have effect and have not been replaced.

The Order comes into operation on the 4th September 1963, and has been published as Statutory Instruments 1963 No. 1464.

Copies may be purchased (price 5d. net) direct from Her Majesty's Stationery Office, at the following addresses:
