Treasury Chambers, London S.W.1.

THE Lords Commissioners of Her Majesty's Treasury hereby give notice that They have made an Order under Sections 1, and 13 of the Import Duties Act, 1958, viz.: The Import Duties (General) (No. 5) Order, 1964.

This Order was laid before the House of Commons on 8th May 1964, and is subject to Affirmative Resolution. The Order brings "imitation patent leather" within the scope of Tariff Heading 41.08. This implements a "corrigendum" to the Brussels Nomenclature issued by the Customs Co-operation Council in Brussels designed to align the French and English texts of the Heading.

The Order accordingly introduces a new sub-heading for "imitation patent leather" within the new Tariff Heading 41.08. The rates of duty applicable thereto are 20% (full), free (Commonwealth preference) and 3% (E.F.T.A.) ad valorem. The provisions of the Order become effective on 13th May 1964.

Hitherto imports of imitation patent leather have been classified under Headings in Tariff Chapter No. 41 other than 41.08, according to the type of leather to which the "patent-type" surface was applied. In practice, nearly all known imports have been classified under Tariff sub-heading 41.02 (A) the rates of duty currently applicable to this sub-heading being 20% (full), free (Commonwealth preference) and 8% (E.F.T.A.) ad valorem.

The Order therefore effectively maintains the existing full and Commonwealth preference rates of duty on "imitation patent leather" but reduces the E.F.T.A. rate applicable thereto from 8% to 3% ad valorem, which is the E.F.T.A. rate of duty applicable to "patent leather."

Certain E.F.T.A. products which had, in the earlier part of the E.F.T.A. transitional period (i.e., since 1st January 1960), been admitted as "patent leather" at the lower "patent leather" rate of duty, were subsequently classified as "imitation patent leather" chargeable at a higher rate of duty. In these circumstances and as both rates of duty will become "nil" by the end of 1966 under the present timetable for the elimination of duties between E.F.T.A. countries, it has been decided to reduce the E.F.T.A. rate of duty on "imitation patent leather" forthwith to the level of the current E.F.T.A. rate of duty on "patent leather," namely 3% ad valorem. This Order gives effect to this decision.

The Order has been published as Statutory Instruments 1964 No. 658.
