PRICES AND INCOMES ACT 1966

Reference to *The National Board for Prices and Incomes*

PAY OF MANUAL WORKERS IN LOCAL AUTHORITIES IN SCOTLAND

1. THE pay of manual workers in the Scottish local authority service has in the past been closely related to that of similar manual workers employed by local authorities in England and Wales and in the gas and water supply industries. In view of these relationships and the fact that other relevant agreements in the public sector (i.e. local authority manual workers in England and Wales, manual workers in the gas and water supply industries and ancillary workers in the National Health Service) have been referred for examination by the National Board for Prices and Incomes, the Government consider it desirable that the Board should also examine the pay and conditions of service of manual workers in the local authority services in Scotland, and report on the principles for determining these concurrently with its examination of the other groups already referred to.

2. Subject to the views of the Government as to the date of implementation, a two-year pay agreement has been provisionally concluded by the National Joint Industrial Council for Local Authority Services in Scotland for manual workers employed by Scottish local authorities (including those employed on water supply). This would provide for general increases for full time adult male workers of 22s. 6d. a week, to be paid in two instalments (a) one of 12s. 6d. a week at the outset and (b) a further instalment of 10s. a week twelve months thereafter. The last general pay increase was effective from 15th November 1965, and included a reduction in the normal working week.

3. In pursuance of their powers under section 2(1) of the Prices and Incomes Act 1966 the First Secretary of State and the Secretary of State for Scotland hereby refer to the National Board for Prices and Incomes for examination the pay and conditions of service, and the principles for determining these, of manual workers in local authority services in Scotland.

PRIVATE LEGISLATION PROCEDURE (SCOTLAND) ACT 1936

BRITISH RAILWAYS (No. 2)

NOTICE is hereby given in terms of Section 1(4) of the Private Legislation Procedure (Scotland) Act, 1936, that the Secretary of State, the Chairman of Committees of the House of Lords and the Chairman of Ways and Means in the House of Commons having considered representations by the British Railways Board that it is expedient that the under-mentioned Parliamentary powers to be operative in Scotland and elsewhere which the Board desire to obtain should be conferred by one enactment have decided that the said powers would more properly be obtained by the promotion of a Private Bill than by the promotion of a Private Bill and of a Provisional Order under the said Act:

1. To empower the British Railways Board to provide shipping services under the Railway Shipping Acts as defined in paragraph 2 of Part II of the Second Schedule to the Transport Act, 1962, to and from any authorised port in Great Britain from and to any authorised port outside Great Britain, that is to say, between all those ports and places to or from which the Board are authorised by the said Acts to provide shipping services from or to Great Britain, as the case may be
2. To empower the Board and their subsidiary British Rail Hovercraft Limited to provide hovercraft services for the carriage of goods and passengers in addition to the services authorised by the Railway Shipping Acts
3. To extend, at the Board's harbours, the powers of harbour masters as authorised by the Harbours Docks and Piers Clauses Act, 1847, and the powers of the Board relating to the leasing and granting of interests in harbour property, the berthing of vessels, the enforcement and recovery of charges in respect of vessels and goods; and to make special provisions as to dangerous goods entering the Board's harbours and the safety of goods deposited thereat.
