MINISTRY OF AGRICULTURE, FISHERIES AND FOOD

DEPARTMENT OF AGRICULTURE AND FISHERIES FOR SCOTLAND

DISEASES OF ANIMALS ACT 1950

NOTICE is hereby given in pursuance of Section 85(3) of the Diseases of Animals Act, 1950 that the Minister of Agriculture, Fisheries and Food and the Secretary of State for Scotland, acting jointly have made the following Order:

(Statutory Instruments 1969 No. 1737)

The Exotic Animals (Importation) Order 1969

(Made 4th December 1969)

This Order, which came into operation on 15th December 1969, extends the application of the Diseases of Animals Act 1950 so as to include prescribed exotic animals, imposes a general prohibition on the importation of such animals (other than from Northern Ireland, the Republic of Ireland, the Channel Islands and the Isle of Man) and thereby in general requires any such animals which are brought to Great Britain from overseas in contravention of such prohibition to be slaughtered on landing. Exceptions are made for certain kinds of prescribed animals (e.g. monkeys) which may be imported under licence where the importation is for research purposes; but such animals may only be landed at prescribed ports and airports from which they may be moved, again only under licence, directly or indirectly to approved research establishments. Other exotic animals, which are prescribed, may also be imported under licence (subject to the above conditions) where as an exceptional measure it is judged expedient to allow them to be imported to enable research to be carried out of a kind for which the first category of exotic animals is considered unsuitable.

The order also contains provision for the importation under licence (subject to similar conditions) of exotic animals of both categories where the purpose of importation is for exhibition in an approved zoo.

The order contains default powers.

Copies of the Statutory Instruments 1969 No. 1737 may be obtained from Her Majesty's Stationery Office, 13a Castle Street, Edinburgh 2, Price 1s. 3d. (by post 1s. 7d.).
