THE Lords Commissioners of Her Majesty's Treasury hereby give notice that they have made an Order under Sections 1, 3(6) and 13 of the Import Duties Act 1958.

Viz.:—

This Order, which comes into operation on 1st January 1974, provides that the goods listed in the Schedules shall be subject to a reduction in or exemption from import duty up to and including 30th June 1974, or, in the case of goods listed in Schedule 1, until the earlier dates there specified.

The reduced rates of duty are lower for goods qualifying for Commonwealth preference than for goods which are subject to the full rate (or any rate higher than the reduced rate e.g. in some cases goods of countries associated with the European Economic Community). The reductions in the case of Commonwealth preference do not affect any greater reductions and exemption available, apart from this Order, in the case of goods of part only of the Commonwealth preference area.

Goods affected by this Order are subject to whole or partial suspension of duty in the Community's Common Customs Tariff and the exemptions and reductions in this Order are made in accordance with the United Kingdom's obligations.

The Order comes into operation 1st January 1974 and has been published as Statutory Instruments 1973 No. 1844.

Copies of the Order may be purchased (price 10½p net) direct from Her Majesty's Stationery Office, at the following addresses:

49 High Holborn, London WC1V 6HB; 13a Castle Street, Edinburgh, EH2 3AR; 258 Broad Street, Birmingham, B1 2HE; 50 Fairfax Street, Bristol, BS1 3DE; Brazennose Street, Manchester, M60 8AS; 109 St. Mary Street, Cardiff, CF1 1JW; 80 Chichester Street, Belfast, BT1 4JY.

or from any bookseller.

Treasury Chambers,
London S.W.1.

THE Lords Commissioners of Her Majesty's Treasury hereby give notice that they have made an Order under Sections 1, 2 and 13 of the Import Duties Act 1958.

Viz.:—

This Order, which comes into operation on 1st January 1974, replaces with amendment the Import Duties (General) (No. 7) Order 1971 (and the Orders amending it listed in Schedule 5), which sets out the United Kingdom Customs Tariff and the protective import duties chargeable in accordance with it.

Schedule 1 completes a process begun by the Import Duties (General) (No. 4) Order 1972 and continued in subsequent Order in amending the manner in which most of the headings in Chapters 25-99 of the Customs Tariff are sub-divided.

Article 3 of the Order provides in the case of the full rates of import duty (those pre-fixed by "F" — or unprefix — in column 3 of Schedules 1 and 2) for the moves which have to be made on 1st January 1974 towards the duties in the Common Customs Tariff (CCT) of the European Economic Community and the unified tariff of the European Coal and Steel Community (ECSC). In general, these moves reduce the difference between the full rate of duty applied in the United Kingdom at 1st January 1972 ("the basic duty") and the duty in the CCT and the ECSC unified tariff by 40%; the principle exceptions are:

- for horticultural products the difference is reduced by 20%;
- for EURATOM products listed in Annex III to the Treaty of Accession the CCT duties are applicable in full from 1st January 1974;
- for goods on which the "basic duties" do not differ by more than 15% in either direction from the duties in the CCT or the ECSC unified tariff these latter duties are applicable from 1st January 1974.

Article 4 of the Order continues the process begun by the Import Duties (European Communities) (Reduction and Exemptions) Order 1973 in providing a second 20% reduction of the "basic duties" on goods entitled to benefit from the eventual abolition of customs duties in trade between the United Kingdom and other Member States of the European Communities. It also provides the first 20% reduction on such goods in the horticultural sector and abolishes import duties in intra-Community trade in the EURATOM products referred to above. (The intra-Community rates are those prefixed by "M" in column 4 of Schedule 1).

Article 5 of the Order provides for the maintenance of pre-accession duty-free treatment or preferential rates of duty for goods of the Republic of Ireland, the Channel Islands and Denmark. (In the case of goods of Denmark the rates in question are those prefixed by "D" in Schedule 1 and Part 1 of Schedule 3).

Article 6 of the Order provides for the goods of the EFTA countries which are included in the Agreements between those countries and the Communities to remain duty-free if they are entitled to such treatment under the terms of the Agreements. It also prescribes preferential rates of duty for goods which are not entitled to duty-free treatment under the Agreements or which do not satisfy origin conditions necessary for entitlement

to such treatment. And it prescribes preferential rates equal to 40% of the duties shown in the CCT for goods which are excluded from the Agreements, but were formerly duty-free as goods of EFTA Convention Area origin. (The rates described in this paragraph are those prefixed by "E" in Schedules 1 and 2 and the rates in Schedule 3). The Agreements with Austria, Iceland, Portugal, Sweden, Switzerland and Norway are annexed respectively to Regulations (EEC) Nos. 2836/72.

(O.J. No. L300, p.188) 1691/73

(O.J. No. L171, p.1) the Agreement with Finland has yet to be published in the Official Journal.

Article 7 of the Order provides in the case of goods qualifying for Commonwealth preference:

- for the moves which have to be made towards the duties in the CCT and the ECSC unified tariff at 1st January 1974; in general these moves reduce by 40% the difference between the Commonwealth Preference Area rate applied in the United Kingdom at 1st January 1972 and the duty in the CCT and the ECSC unified tariff, the principal exceptions being that for horticultural products the difference is reduced by 20% and for the EURATOM products, referred to in paragraph (3)b. above, the CCT duties are applicable in full; (the Commonwealth Preference Area rates are those prefixed by "C1" — or unprefix — in column 5 of Schedule 1 and in column 3 of Schedule 2); and that
- for goods of the area formed by the countries listed in Part 1 of Schedule 4, the Commonwealth Preference Area rate applied before Accession continues in force if lower than the rate chargeable under a. above; (the rates applicable to goods of the area formed by those countries are prefixed by "C2" — or unprefix — in column 5 of Schedule 1; where the rates and the symbol "C2" are in square brackets in column 5 of Schedule 1, the information is provided solely for the purpose of determining the duty charge on goods falling within tariff heading 63.01).

Article 8 of the Order provides that in the case of goods of certain countries and territories associated with the European Economic Community (listed in Part II of Schedule 4) the full rate applied before Accession (prefixed by "S" in Schedules 1 and 2) shall continue in force if lower than the full rate ("F") chargeable under this Order.

The Order also provides (Article 9) for the conversion of sums expressed in units of account (ua) into pounds sterling where goods are classified or import duties are expressed by reference to ua.

The Order comes into operation on 1st January 1974 and has been published as Statutory Instruments 1973 No. 1845.

Copies of the Order may be purchased (price £4.15p net) direct from Her Majesty's Stationery Office, at the following addresses:—
