LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 14th March 1984

THE Lords Commissioners of Her Majesty's Treasury read Section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with Section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 14th March 1984 and until the coming into operation of a further determination:

- I. The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;
- II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at the maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- III. The rates of such interest shall be:—

A Structure Plan is the Council strategy for the use and development of land in Strathclyde. It was approved by the Secretary of State with effect from 23rd January 1981. Subsequently a First Review was approved on 21st April 1983.

What is the Second Review?

The Council monitors the Structure Plan annually to assess its performance, and publishes the results (see Structure Plan Monitoring Reports 1980, 1982 and 1983).

The Council also reviews the Plan on a biennial basis to refine or update policies and proposals as necessary to ensure their continued effectiveness.

The content of the Second Review

The content of the Second Review falls into 2 main categories:

- (1) *The monitoring of approved policies and their review and further development as necessary.* This includes, particularly, Urban Renewal priorities, public and private sector Housing, Industrial Land and Floorspace, certain aspects of Transportation, such as city centre roads and car parking policy, and Shopping.
- (2) *New Policy Areas*, including Minerals (other than mineral aggregates which are included in the approved Structure Plan), Heritage (including Archaeology), Urban Sport and Recreation and some aspects of Urban nature Conservation.

Can the people have a say in what happens next?

Yes. At present the Second Review is in draft form as a basis for consultation with District Councils, Interest Groups, Community Councils and individuals. All are encouraged to give their views and they will be considered when the final draft is drawn up in the Autumn of this year.

How will people be able to have their say?

Copies of the Consultative Draft will be available at all public libraries, District Council Headquarters and Regional Council Headquarters (at Glasgow, Paisley, Hamilton, Dumbarton, Ayr and Lochgilphead). It will also be sent to district and community councils, and other relevant bodies.
