**NOTIFICATION BY A PUBLIC GAS SUPPLIER  
OF INTENTION TO EXECUTE WORKS  
FOR THE CONSTRUCTION OF A HIGH PRESSURE PIPELINE**

IN accordance with Section 20(1) of the Gas Act 1968 (c.44) the Director General of Gas Supply has received notices from British Gas plc, a public gas supplier within the meaning of that Act, of its intention to execute works for the construction of high pressure pipelines for the conveyance of Natural Gas or Substitute Natural Gas as follows:

<i>Points between which pipeline is to run</i>		<i>National Grid References</i>
(i)	Lankets Grove Suffolk Honington Suffolk	TL 935 752 TL 902 738
(ii)	Yelverton Norfolk East Carleton Norfolk	TG 291 037 TG 175 030
(iii)	Brisley Norfolk Swanton Morley Norfolk	TF 949 227 TG 008 188
(iv)	Brisley Norfolk West Raynham Norfolk	TF 949 227 TF 843 245
(v)	Ammanford Dyfed Llandeilo Dyfed	SN 622 129 SN 631 212

A copy of each Notice and of the accompanying map delineating the route which the proposed pipeline is to take may be inspected free of charge between 9 a.m. and 5 p.m., Monday to Friday, in the Library of the Office of Gas Supply, Southside, 105 Victoria Street, London SW1E 6QT (telephone 01-828 0898 for an appointment). Copies may also be purchased from the Library at £1 per each set for personal callers at those times. Postal requests should be accompanied by cheques for £1 per each set made payable to the Office of Gas Supply.

Sections 20 (4) and (5) of the Gas Act 1986 provide that the Director General of Gas Supply may give directions as to the capacity of any of the proposed pipelines and as to the cost of its construction if satisfied in the light of representations —

- that a demand exists or is likely to arise for the conveyance of gas of, or of a kind similar to, the kind specified in the Notice above referred to relating to that proposed pipeline; and
- that the routes along which the gas will require to be conveyed will severally be, as to the whole or any part thereof, the same or substantially the same as the route or any part of the route so specified.

Any representations as to such matters should be made in writing and delivered to the Director General of Gas Supply, the Office of Gas Supply, Southside, 105 Victoria Street, London SW1E 6QT, so as to be received within 42 days of the publication of this Notice.

WIRELESS TELEGRAPHY ACT 1949

THE Secretary of State gives notice pursuant to subsection 1(4) of the Wireless Telegraphy Act 1949 to all those who are licensed under Ship Radio (VHF) Licences which have been issued and remain in force that from 5th January 1987, each of such licences shall be varied so as to read as follows:-

UNITED KINGDOM OF GREAT BRITAIN  
AND NORTHERN IRELAND, THE CHANNEL ISLANDS  
AND THE ISLE OF MAN

WIRELESS TELEGRAPHY ACT 1949

SHIP RADIO (VHF) LICENCE  
LICENCE RADIO DE NAVIRE (VHF)  
LICENCIA DE RADIO DE BARCO (VHF)

Date for renewal:

1 This Licence, granted on ("Date of Issue") by the Secretary of State for Trade and Industry ("the Secretary of State") to the Licensee named in Column 6 at Clause 1 below for the purposes of Section 1 of the Wireless Telegraphy Act 1949, authorises the installation and use of the Wireless Telegraphy Stations described in Clause 1 subject to the limitations and conditions contained in Clauses 6-9 and 10-19 respectively.

1			
Name of Ship ("The Ship")			
2	3	4	5
Call Sign ("The Call Sign")	Public Correspondence Category	Maritime Mobile Service Identity ("MMSI")	Selective Calling Number ("Selcall Number")
6			
Name and address of Licensee ("The Licensee")			

2 The Licensee may establish

- (a) a ship station ("the Ship Station") which shall be situated on the ship or other establishment named in Column 1 at Clause 1 above ("the Ship");
- (b) lifeboat stations ("the Lifeboat Stations") which shall be situated in the lifeboat or other survival craft of the Ship and may be portable;
- (c) a radar station ("the Radar Station") which shall be situated on the Ship;

The stations described in (a), (b), and (c) above are collectively called "the Licensed Stations" throughout the remainder of this Licence.

Use of the Licensed Stations

3 The Ship Station may be used

- (a) (i) to send both verbal and non-verbal messages to other ship stations, coast stations and aircraft stations or to any other station where such message
  - (1) is intended for reception by the ship station, coast station or aircraft station to which it is sent or for ultimate reception by another ship station, coast station or aircraft station; or
  - (2) is sent or received in accordance with sub-clause 3(a)(iii) below;
- (ii) to receive both verbal and non-verbal messages intended for general reception or specific reception by the Ship Station from coast stations, other ship stations, aircraft stations, special service stations and radio navigation stations;
- (iii) to send to and receive from any other Wireless Telegraphy Station any message which is necessary for the safety of life or navigation.
- (b) Provided that when the Ship is situated at a distance of less than one mile from any port, harbour, dock or anchorage in the territorial waters of any country the Ship Station shall not be used for sending and receiving messages directly to or from any other ship station except
  - (i) where necessary in the case of distress, or
  - (ii) where necessary in an emergency involving safety of life or navigation, or
  - (iii) where necessary for the purpose of safe navigation, or
  - (iv) when communicating on the Port Operations Service (VHF).

4 The Lifeboat Stations may only be used for sending or receiving verbal or non-verbal messages which are necessary in an emergency involving safety of life or navigation or for the purpose of testing the apparatus comprised in the Lifeboat Stations.

5 The Radar Stations may only be used for sending and receiving non-verbal messages for the purpose of determining position, bearing or distance, or gaining information as to the presence, absence, position or motion of any object or of any objects.

*Limitations on Use*

- 6 The Ship Station shall only use,
- the classes of emission specified in the first column of the First Schedule to this Licence and
  - the frequency relating to such classes of emission specified in the second column of the said First Schedule and
  - the power relating to such classes of emission and such frequencies not exceeding that specified in the third column of the said First Schedule.
- 7 The Lifeboat Stations shall only use,
- the classes of emission specified in the first column of the Second Schedule to this Licence and
  - the frequencies relating to such classes of emission specified in the second column of the said Second Schedule.
- 8 The Radar Station shall only be used on the frequencies specified in the Third Schedule to this Licence.
- 9 (1) The Licensed Stations may only be operated by
- the Licensee,
  - by persons authorised by the Licensee or by the Ship's Master,
- if and for so long as the operator possesses the written authority of the Secretary of State to fill the position of operator of a Ship Station.
- (2) The Lifeboat Stations may be used by anybody in any of the lifeboats of the Ship when these are in use as the result of an emergency.

*Conditions of Use**Other Regulations*

- 10 The Licensee and all other persons operating the Licensed Stations shall observe and comply with the relevant provisions of the Telecommunication Convention.

*Apparatus*

- 11 (1) The apparatus shall at all times be so designed, constructed, maintained and used that its use does not cause any undue interference with any wireless telegraphy.
- (2) The apparatus comprised in the Ship Station, Lifeboat Stations, and Radar Stations, shall be so constructed or adjusted that, at all times during the continuance of the Licence, it is only capable of transmitting on the frequencies specified in sub-clause 6(b), sub-clause 7(b), or Clause 8 of this Licence as the case may be.
- (3) Any apparatus which is installed at the date of this Licence and had been so installed on or after 1st November 1955 shall comply, at all times during the continuance of this Licence, with the Performance Specifications relating to such apparatus.
- (4) If Performance Specifications are to be altered or replaced the date from which any new Performance Specifications are intended to operate shall be notified to all holders of Ship Radio (VHF) Licences by notice published in the London, Edinburgh and Belfast Gazettes.

*Identification*

- 12 (1) Either,
- the call sign given in column 2 at Clause 1 above ("the Call Sign") or
  - the Selective Calling Number given in column 5 at Clause 1 above ("Selcall Number") or
  - the Maritime Mobile Service Identity given in column 4 at Clause 1 above ("MMSI") shall be used whenever it is necessary to identify a Licensed Station except as provided by sub-clause (3) below. Such Call Sign, Selcall Number and MMSI shall not be used in code.

- The Call Sign, followed by two digits (other than the digits 0 or 1), shall be used to identify any of the Lifeboat Stations and each Lifeboat Station shall use different digits in a different combination from each of the other such Lifeboat Stations.
- When using radiotelephony the Ship's name, together with, if necessary, the name of the owner of the ship, the Ship's registration number or port of registry, and not encoded, can be substituted for the Call Sign unless the use of such name would result in confusion with other distress, urgency or safety signals;

*Inspection and Closure*

- 13 (1) The Licensee shall not permit any unauthorised person to operate the Licensed Stations or to have access to the apparatus.
- (2) The Licensee shall permit any person authorised by the Secretary of State to have access to the Licensed Stations at all reasonable times for the purpose of inspecting and testing the apparatus.
- (3) The Licensee and the Ship's Master shall ensure that the persons operating the Licensed Stations know and observe the terms, limitations and conditions of this Licence at all times.
- (4) The Licensed Stations shall be closed down at any time on the demand of a person acting under the authority of the Secretary of State.
- (5) This Licence, and any notices of variation served on the Licensee in writing under subsection 1(4) of the Wireless Telegraphy Act 1949, and the Validation Document described in sub-clause 15(4)(b) below,
- shall be carried on board the Ship in the wireless room and
  - shall be available for inspection, when required by any person authorised by the Secretary of State and by competent authorities of any other country which the Ship visits.
- (6) The Licence Display Slip issued with this Licence and with the Validation Document described in sub-clause 15(4)(b) below shall be displayed on the port side of the cockpit or wheelhouse window of the Ship.

*Variation and Revocation*

- 14 For the purposes of subsection 1(4) of the Wireless Telegraphy Act 1949 this Licence may only be revoked, or its terms, provisions or limitations varied, by a notice in writing of the Secretary of State served on the Licensee, or by a general notice addressed to all holders of Ship Radio (VHF) Licences and published in the London, Edinburgh and Belfast Gazettes. Any notice so published may take effect forthwith or on such subsequent date as may be specified in the notice.

*Period of Licence and Fees Due*

- 15 (1) The Licensee shall pay to the Secretary of State, or any agency designated by the Secretary of State, at such times and in such manner as the Secretary of State shall direct, such fees as the Secretary of State shall levy in respect of all charges, due or payable under the Telecommunication Convention, in respect of messages, including radiotelegrams and radiotelephone calls exchanged between the Ship Station and any other station.
- (2) A certified statement of any such sums, signed by an officer of the Secretary of State or a person acting under the authority of the Secretary of State, shall for all purposes (including the purpose of any proceedings by or against the Crown) be sufficient evidence, unless the contrary is proved, of the facts there stated.
- (3) Subject to the payment of a fee in the manner indicated in sub-clause (4) below this Licence shall continue in force from year to year until revoked by the Secretary of State.
- (4) The Licensee shall pay to the Secretary of State
- on the issue of this Licence, the sum prescribed by the Regulations for the time being in force under subsection 2(1) of the Wireless Telegraphy Act 1949; and

- (b) on or before the anniversary of the Date of Issue in each year, the fee on renewal prescribed by the said Regulations, and on the payment of such fee the Secretary of State will issue to the Licensee a document in the form of the title page of this Licence which will indicate the last date on which this Licence was renewed ("the Validation Document").

#### General

- 16 This Licence is not transferable.
- 17 This Licence shall be returned to the Secretary of State if it has been revoked.
- 18 Any Licence, however described, which the Secretary of State has previously granted to the Licensee in respect of the Licensed Stations or any one of them is revoked.
- 19 This Licence authorises the use of wireless telegraphy apparatus, which is designed or adapted for reception only, for the reception of messages from any licensed amateur stations for wireless telegraphy, provided that such apparatus is maintained and used so as to cause no undue interference with any other wireless telegraphy and is open to inspection at all reasonable times by a person acting under the authority of the Secretary of State and shall cease to be used at any time on the demand of any such person.

#### Interpretation

- 20 In this Licence except where stated otherwise,
- (a) words and expressions shall have the same meaning as they have in the Wireless Telegraphy Act 1949, and the words "station" and "apparatus" where they appear in this Licence shall have the meanings ascribed to "stations for wireless telegraphy" and "apparatus for wireless telegraphy" in Section 19 of that Act;
- (b) the expressions "the Telecommunication Convention" and "Radio Regulations" mean the International Telecommunication Convention in force at the time and the Radio Regulations and Additional Radio Regulations in force thereunder and include any Convention and Regulations which may from time to time be in force in substitution for or in amendment of the said Convention or the said Regulations;
- (c) "Port Operations Service" means a service for communicating between coast stations operated by a Harbour Board or similar authority and ship stations, or between ship stations, in which messages are restricted to those related to the movement and the safety of ships, and, in emergency, to the safety of persons.

Issued on behalf of the Secretary of  
State for Trade and Industry

#### NOTES TO SHIP RADIO (VHF) LICENCE

- (a) The Secretary of State should be notified promptly of any change in the address of the Licensee, or of any change in the stations comprised in this Licence. Except as provided below correspondence about this Licence should be sent to the Department of Trade and Industry, Radiocommunications Division, Ship Licensing Section, Room 613, Waterloo Bridge House, Waterloo Road, London SE1 8UA (Tel 01-275 3316/3047).
- (b) Remittances and correspondence about payments to the Secretary of State required under this Licence should be sent to the Cashier, Department of Trade and Industry, FRM Accounts Branch, PO Box 100, Government Buildings, Cardiff Road, Newport, Gwent NP9 1ZA quoting reference "Ship".
- (c) The requirements of operators' qualifications, inspection of apparatus comprised in the stations and the operating procedures and frequencies to be used for communicating with coast stations, ship stations and aircraft stations, are detailed in the "Manual for use by the Maritime Mobile and Maritime Mobile-Satellite Services," published by the ITU, Geneva. The information is also contained in the "Handbook for Radio Operators", published by Lloyds of London Press. Details of the precise frequencies to be used for communicating with individual coast stations are contained in the List of Coast Stations, Volumes I and II, published by the ITU, and in other publications which may from time to time be available from

operating agencies. Details of UK coast stations are given in "Maritime Radio Short and Medium Range Services: Guidance for Ships' Radio Officers" published by British Telecom International. Details of individual radio services are published in the "Admiralty List of Radio Signals".

- (d) This Licence does not authorise the doing of any act which is an infringement of any copyright which may exist in the matter sent or received.
- (e) This Licence does not authorise the transmission of music.
- (f) The sending and receipt (except in emergency) of messages to and from stations other than those stated in this Licence is prohibited.
- (g) Licensees are reminded that for the purpose of this Licence the expression "wireless telegraphy" has the meaning assigned to it in the Wireless Telegraphy Act 1949, and includes radio telephony.
- (h) Under Section 1 of the Wireless Telegraphy Act 1949, it is an offence to use any station or apparatus for wireless telegraphy otherwise than under and in accordance with a licence granted by the Secretary of State. Breach of this provision may result in this Licence being revoked and the offender prosecuted.
- (i) If any message, the receipt of which is not authorised by this Licence, is received by means of the said Stations, neither the Licensee nor any person using the said Stations should make known the contents of any such message, its origin or destination, its existence or the fact of its receipt, to any person except a duly authorised officer of Her Majesty's Government or a competent legal tribunal, and should not retain any copy or make any use of such message, or allow it to be reproduced in writing, copied or made use of. It is an offence under Section 5 of the Wireless Telegraphy Act 1949, deliberately to receive messages the receipt of which is unauthorised or (except in the special circumstances mentioned in that Section of the Act) to disclose any information as to the contents, sender or addressee of any such message.
- (j) It is an offence under Section 5 of the Wireless Telegraphy Act 1949, to send false distress signals and certain other misleading messages.
- (k) It is an offence under Section 13 of the Wireless Telegraphy Act 1949, to use apparatus for the purpose of interfering with any wireless telegraphy.
- (l) Apparatus in the Ship Station or the Lifeboat Stations installed before 1st November 1955, is not at present required (under the terms of this Licence) to comply with the Performance Specifications. If it is to be required to comply with them in the future, the terms of the Licence will be varied under Clause 14. However, any requirements made by or under the Merchant Shipping (Safety Convention) Act 1949, or any other of the Merchant Shipping Acts from time to time in force must be complied with in addition to the conditions of this Licence.

NOTES ON TERMS USED IN THE SCHEDULES TO THE SHIP RADIO (VHF) LICENCE

Classes of emission and values for maximum power are shown in the form currently adopted by the International Frequency Registration Board of the ITU. The following is a brief explanation of entries appearing in the Schedules.

Classes of Emission

Single Sideband (SSB) Telephony:

H3E — full carrier

Double Sideband (DSB) Telephony:

A3E — double sideband telephony

VHF Telephony:

F3E — frequency modulation

G3E — phase modulation

Morse Telegraphy:

A2A — double sideband modulated carrier

A2B — DSB auto-alarm signal

H2A — SSB modulated carrier

H2B — SSB auto-alarm signal

Radiotelex:

VHF: F1B — narrow band direct printing (NBDP)

Radar:

P0N — pulse modulation

Maximum Power

This is the maximum permitted power input to the antenna and is shown as a value in decibels relative to 1 watt (dBW). The value is entered as Mean Power (PY) or Peak Envelope Power/PEP (PX) dependent upon the class of emission to which the entry refers.

Values applied to ship stations are as follows:

14PY — Mean Power 25 Watts

H3E shall be used only for Distress and Calling purposes on 2182 kHz.

A3E shall be used only on 2182 kHz where equipment is provided solely for Distress, Urgency and Safety purposes.

The abbreviation "RR" in the First Schedule refers to an Appendix to the Radio Regulations specified in the Manual for Use by the Maritime Mobile Service.

- (2) is sent or received in accordance with sub-clause 3(a)(iii) below;
- (ii) to receive both verbal and non-verbal messages intended for general reception or specific reception by the Ship Station from coast stations, other ship stations, aircraft stations, special service stations and radio navigation stations;
- (iii) to send to and receive from any other Wireless Telegraphy Station any message which is necessary for the safety of life or navigation.
- (b) Provided that when the Ship is situated at a distance of less than one mile from any port, harbour, dock or anchorage in the territorial waters of any country the Ship Station shall not be used for sending and receiving messages directly to or from any other ship station except
- (i) where necessary in the case of distress, or
- (ii) where necessary in an emergency involving safety of life or navigation, or
- (iii) where necessary for the purpose of safe navigation, or
- (iv) when communicating on the Port Operations Service (VHF).
- 4 The Lifeboat Stations may only be used for sending or receiving verbal or non-verbal messages which are necessary in an emergency involving safety of life or navigation or for the purpose of testing the apparatus comprised in the Lifeboat Stations.
- 5 The Radar Station may only be used for sending and receiving non-verbal messages for the purpose of determining position, bearing or distance, or gaining information as to the presence, absence, position or motion of any object or of any objects.
- 6 The On-Board Communication Stations may only be used for the purpose of sending to and receiving from other On-Board Communication Stations or On-Board Repeater Stations verbal messages concerning the business of the Licensee in connection with the operation of the Ship.
- 7 An On-Board Repeater Station may only be used for the purpose of automatically relaying messages sent by one On-Board Communications Station for reception by a second On-Board Communications Station.

#### Limitations on Use

- 8 The Ship Station shall only use,
- (a) the classes of emission specified in the first column of the First Schedule to this Licence and
- (b) the frequencies relating to such classes of emission specified in the second column of the said First Schedule and
- (c) the power relating to such classes of emission and such frequencies not exceeding that specified in the third column of the said First Schedule.
- 9 The Lifeboat Stations shall only use,
- (a) the classes of emission specified in the first column of the Second Schedule to this Licence and
- (b) the frequencies relating to such classes of emission specified in the second column of the said Second Schedule.
- 10 The Radar Station shall only be used on the frequencies specified in the Third Schedule to this Licence.
- 11 (1) The On-Board Communication Stations shall only use,
- (a) the classes of emission specified in the first column of the Fourth Schedule to this Licence and
- (b) the frequencies relating to such classes of emission specified in the second column of the said Fourth Schedule and
- (c) the power relating to such classes of emission and such frequencies not exceeding that specified in the third column of the said Fourth Schedule.
- (2) On-Board Repeater Stations shall only use,
- (a) the classes of emission specified in relation to On-Board Repeater Stations in the first column of the Fourth Schedule to this Licence and
- (b) the frequencies relating to such classes of emission specified in relation to On-Board Repeater Stations in the second column of the said Fourth Schedule and
- (c) the power relating to such classes of emission and such frequencies not exceeding that specified in relation to On-Board Repeater Stations in the third column of the said Fourth Schedule.
- 12 (1) The Licensed Stations may only be operated by
- (a) the Licensee,
- (b) by persons authorised by the Licensee or by the Ship's Master,
- if and for so long as the operator possesses the written authority of the Secretary of State to fill the position of operator of a Ship Station.
- (2) The On-Board Communication Stations may be operated on the Licensee's behalf by persons authorised by the Licensee to do so.
- (3) The Lifeboat Stations may be used by anybody in any of the lifeboats of the Ship when these are in use as the result of an emergency.

#### Conditions of Use

#### Other Regulations

- 13 If On-Board Communication Stations or On-Board Repeater Stations are used within the territorial limits of any country other than the United Kingdom of Great Britain and Northern Ireland, the Channel Islands and Isle of Man, such use shall be in accordance with any regulations which may have been made by the relevant administration of such other country.
- 14 The Licensee and all other persons operating the Licensed Stations shall observe and comply with the relevant provisions of the Telecommunication Convention.

#### Apparatus

- 15 (1) The apparatus shall at all times be so designed, constructed, maintained and used that its use does not cause any undue interference with any wireless telegraphy.
- (2) The apparatus comprised in the Ship Station, Lifeboat Stations, Radar Stations, On-Board Communication Stations and On-Board Repeater Stations shall be so constructed or adjusted that, at all times during the continuance of the Licence, it is only capable of transmitting on the frequencies specified in sub-clause 8(b), sub-clause 9(b), clause 10 or sub-clause 11(1)(b) or sub-clause 11(2)(b) of this Licence as the case may be.
- (3) Any apparatus which is installed at the date of this Licence and had been so installed on or after 1st November 1955 shall comply, at all times during the continuance of this Licence, with the Performance Specifications relating to such apparatus.
- (4) If Performance Specifications are to be altered or replaced the date from which any new Performance Specifications are intended to operate shall be notified to all holders of Ship Radio Licences by notice published in the London, Edinburgh and Belfast Gazettes.

#### Identification

- 16 (1) Either,
- (a) the call sign given in column 2 at Clause 1 above ("the Call Sign") or
- (b) the Selective Calling Number given in column 5 at Clause 1 above ("Selcall Number") or
- (c) the Maritime Mobile Service Identity given in column 4 at Clause 1 above ("MMSI") shall be used whenever it is

necessary to identify a Licensed Station except as provided by sub-clause (3) below. Such Call Sign, Selcall Number and MMSI shall not be used in code.

- (2) The Call Sign, followed by two digits (other than the digits 0 or 1), shall be used to identify any of the Lifeboat Stations and each Lifeboat Station shall use different digits in a different combination from each of the other such Lifeboat Stations.
- (3) When using radiotelephony,
  - (a) the Ship's name, together with, if necessary, the name of the owner of the ship, the Ship's registration number or port of registry, and not encoded, can be substituted for the Call Sign unless the use of such name would result in confusion with other distress, urgency or safety signals;
  - (b) where the Ship is a hovercraft the Hovercraft Registration Mark shall be used in accordance with the Hovercraft (General) Order 1972 (SI No 674 of 1972).

#### *Inspection and Closure*

- 17 (1) The Licensee shall not permit any unauthorised person to operate the Licensed Stations or to have access to the apparatus.
- (2) The Licensee shall permit any person authorised by the Secretary of State to have access to the Licensed Stations at all reasonable times for the purpose of inspecting and testing the apparatus.
- (3) The Licensee and the Ship's Master shall ensure that the persons operating the Licensed Stations know and observe the terms, limitations and conditions of this Licence at all times.
- (4) The Licensed Stations shall be closed down at any time on the demand of a person acting under the authority of the Secretary of State.
- (5) This Licence, and any notices of variation served on the Licensee in writing under subsection 1(4) of the Wireless Telegraphy Act 1949, and the Validation Document described in sub-clause 19(4)(b) below,
  - (a) shall be carried on board the Ship in the wireless room and
  - (b) shall be available for inspection, when required by any person authorised by the Secretary of State and by competent authorities of any other country which the Ship visits.
- (6) The Licence Display Slip issued with this Licence and with the Validation Document described in sub-clause 19(4)(b) below shall be displayed on the port side of the cockpit or wheelhouse window of the Ship.

#### *Variation and Revocation*

- 18 For the purposes of subsection 1(4) of the Wireless Telegraphy Act 1949 this Licence may only be revoked, or its terms, provisions or limitations varied, by a notice in writing of the Secretary of State served on the Licensee, or by a general notice addressed to all holders of Ship Radio Licences and published in the London, Edinburgh and Belfast Gazettes. Any notice so published may take effect forthwith or on such subsequent date as may be specified in the notice.

#### *Period of Licence and Fees Due*

- 19 (1) The Licensee shall pay to the Secretary of State, or any agency designated by the Secretary of State, at such times and in such manner as the Secretary of State shall direct, such fees as the Secretary of State shall levy in respect of all charges, due or payable under the Telecommunication Convention, in respect of messages, including radiotelegrams and radiotelephone calls exchanged between the Ship Station and any other station.
- (2) A certified statement of any such sums, signed by an officer of the Secretary of State or a person acting under the authority of the Secretary of State, shall for all purposes (including the purpose of any proceedings by or against the Crown) be sufficient evidence, unless the contrary is proved, of the facts there stated.
- (3) Subject to the payment of a fee in the manner indicated in sub-

clause (4) below this Licence shall continue in force from year to year until revoked by the Secretary of State.

- (4) The Licensee shall pay to the Secretary of State
  - (a) on the issue of this Licence, the sum prescribed by the Regulations for the time being in force under subsection 2(1) of the Wireless Telegraphy Act 1949; and
  - (b) on or before the anniversary of the Date of Issue in each year, the fee on renewal prescribed by the said Regulations, and on the payment of such fee the Secretary of State will issue to the Licensee a document in the form of the title page of this Licence which will indicate the last date on which this Licence was renewed ("the Validation Document").

#### *General*

- 20 This Licence is not transferable.
- 21 This Licence shall be returned to the Secretary of State if it has been revoked.
- 22 Any Licence, however described, which the Secretary of State has previously granted to the Licensee in respect of the Licensed Stations or any one of them is revoked.
- 23 This Licence authorises the use of wireless telegraphy apparatus, which is designed or adapted for reception only, for the reception of messages from any licensed amateur stations for wireless telegraphy provided that such apparatus is maintained and used so as to cause no undue interference with any other wireless telegraphy and is open to inspection at all reasonable times by a person acting under the authority of the Secretary of State and shall cease to be used at any time on the demand of any such person.

#### *Interpretation*

- 24 In this Licence except where stated otherwise,
  - (a) words and expressions shall have the same meaning as they have in the Wireless Telegraphy Act 1949, and the words "station" and "apparatus" where they appear in this Licence shall have the meanings ascribed to "stations for wireless telegraphy" and "apparatus for wireless telegraphy" in Section 19 of that Act;
  - (b) the word "ship" shall include a hovercraft, (within the meaning of Section 4 of the Hovercraft Act), an oil rig or an oil platform;
  - (c) the expressions "the Telecommunication Convention" and "Radio Regulations" mean the International Telecommunication Convention in force at the time and the Radio Regulations and Additional Radio Regulations in force thereunder and include any Convention and Regulations which may from time to time be in force in substitution for or in amendment of the said Convention or the said Regulations;
  - (d) "Port Operations Service" means a service for communicating between coast stations operated by a Harbour Board or similar authority and ship stations, or between ship stations, in which messages are restricted to those related to the movement and the safety of ships, and, in emergency, to the safety of persons.

Issued on behalf of the Secretary of State for Trade and Industry

#### NOTES TO SHIP RADIO LICENCE

- (a) The Secretary of State should be notified promptly of any change in the address of the Licensee, or of any change in the stations comprised in this Licence. Except as provided below correspondence about this Licence should be sent to the Department of Trade and Industry, Radiocommunications Division, Ship Licensing Section, Room 613, Waterloo Bridge House, Waterloo Road, London SE1 8UA (Tel 01-275 3316/3047).
- (b) Remittances and correspondence about payments to the Secretary of State required under this Licence should be sent to the Cashier, Department of Trade and Industry, FRM Accounts Branch, PO Box 100, Government Buildings, Cardiff Road, Newport, Gwent NP9 1ZA quoting reference "Ship".

- (c) The requirements of operators' qualifications, inspection of apparatus comprised in the stations and the operating procedures and frequencies to be used for communicating with coast stations, ship stations and aircraft stations, are detailed in the "Manual for use by the Maritime Mobile and Maritime Mobile-Satellite Services," published by the ITU, Geneva. The information is also contained in the "Handbook for Radio Operators", published by Lloyds of London Press. Details of the precise frequencies to be used for communicating with individual coast stations are contained in the List of Coast Stations, Volumes I and II, published by the ITU, and in other publications which may from time to time be available from operating agencies. Details of UK coast stations are given in "Maritime Radio Short and Medium Range Services: Guidance for Ships' Radio Officers" and in "Long Range Maritime Radio Services: Guidance for Ships' Radio Officers" published by British Telecom International. Details of individual radio services are published in the "Admiralty List of Radio Signals".
- (d) This Licence does not authorise the doing of any act which is an infringement of any copyright which may exist in the matter sent or received.
- (e) The Licence does not authorise the transmission of music.
- (f) The sending and receipt (except in emergency) of messages to and from stations other than those stated in this Licence is prohibited.
- (g) Licensees are reminded that for the purpose of this Licence the expression "wireless telegraphy" has the meaning assigned to it in the Wireless Telegraphy Act 1949, and includes radio telephony.
- (h) Under Section 1 of the Wireless Telegraphy Act 1949, it is an offence to use any station or apparatus for wireless telegraphy otherwise than under and in accordance with a licence granted by the Secretary of State. Breach of this provision may result in this Licence being revoked and the offender prosecuted.
- (i) If any message, the receipt of which is not authorised by this Licence, is received by means of the said Stations, neither the Licensee nor any person using the said Stations should make known the contents of any such message, its origin or destination, its existence or the fact of its receipt, to any person except a duly authorised officer of Her Majesty's Government or a competent legal tribunal, and should not retain any copy or make any use of such message, or allow it to be reproduced in writing, copied or made use of. It is an offence under Section 5 of the Wireless Telegraphy Act 1949, deliberately to receive messages the receipt of which is unauthorised or (except in the special circumstances mentioned in that Section of the Act) to disclose any information as to the contents, sender or addressee of any such message.
- (j) It is an offence under Section 5 of the Wireless Telegraphy Act 1949, to send false distress signals and certain other misleading messages.
- (k) It is an offence under Section 13 of the Wireless Telegraphy Act 1949, to use apparatus for the purpose of interfering with any wireless telegraphy.
- (l) Apparatus in the Ship Station or the Lifeboat Stations installed before 1st November 1955, is not at present required (under the terms of this Licence) to comply with the Performance Specifications. If it is to be required to comply with them in the future, the terms of the Licence will be varied under Clause 18. However, any requirements made by or under the Merchant Shipping (Safety Convention) Act 1949, or any other of the Merchant Shipping Acts from time to time in force must be complied with in addition to the conditions of this Licence.

\*These frequencies may be withdrawn as a result of an ITU Conference to be held in 1987

#### NOTES ON TERMS USED IN THE SCHEDULES TO THE SHIP RADIO LICENCE

Classes of emission and values for maximum power are shown in the form currently adopted by the International Frequency Registration Board of the ITU. The following is a brief explanation of entries appearing in the Schedules.

##### Classes of Emission

###### Single Sideband (SSB) Telephony:

- H3E — full carrier
- R3E — reduced carrier
- J3E — suppressed carrier

###### Double Sideband (DSB) Telephony:

- A3E — double sideband telephony

###### VHF Telephony:

- F3E — frequency modulation
- G3E — phase modulation

###### Morse Telegraphy:

- A1A — continuous wave (CW)
- A2A — double sideband modulated carrier
- A2B — DSB auto-alarm signal
- H2A — SSB modulated carrier
- H2B — SSB auto-alarm signal

###### Radiotelex:

- VHF: F1B — narrow band direct printing (NBDP)
- MF/HF: F1B/J2B — narrow band direct printing (NBDP)

###### Radar:

- PON — pulse modulation

##### Maximum Power

This is the maximum permitted power input to the antenna and is shown as a value in decibels relative to 1 watt (dBW). The value is entered as Mean Power (PY) or Peak Envelope Power/PEP (PX) dependent upon the class of emission to which the entry refers.

Values applied to ship stations are as follows:

- 6PYe — Mean effective radiated power 250 mW
- 3PYe — Mean effective radiated power 2 Watts
- 14PY — Mean Power 25 Watts
- 23PY — Mean Power 200 Watts
- 26PX — PEP 400 Watts
- 26.4PY — Mean Power 450 Watts
- 29.5PX — PEP 900 Watts
- 31.8PX — PEP 1500 Watts

H3E shall be used only for Distress and Calling purposes on 2182 kHz.

R3E and J3E may be used for telephony, where applicable, in the band 1605-4000 kHz, but J3E should be used whenever possible.

Only J3E shall be used for telephony in the bands 4000-27500 kHz.

A3E shall be used only on 2182 kHz where equipment is provided solely for Distress, Urgency and Safety purposes.

Only A1A (or when applicable F1B of J2B) shall be used on working frequencies in the band 415-535 kHz.

Whenever possible, A1A should not be used on the distress and calling frequency 500 kHz.

The abbreviation "RR" in the First Schedule refers to a Radio Regulation or to an Appendix to the Radio Regulations specified

in the Manual for Use by the Maritime Mobile Service and the Maritime Mobile-Satellite Service.
