## OFFICE OF GAS SUPPLY

Notice Under Section 29(1) of the Gas Act 1986

1. THE Director General of Gas Supply (hereafter referred to as "the Director"), pursuant to section 29(1) of the Gas Act 1986 (c.44) (hereafter referred to as "the Act"), hereby gives notice that —

(a) he proposes to make a final order under section 28 of the Act to the effect set out in the Schedule hereto;

(b) (i) paragraph 4(3) of Condition 3 included in the authorisation dated 28th July 1986 which has effect as if granted under section 7 of the Act to British Gas public limited company (hereafter referred to as "British Gas") provides that the written forecasts of the Maximum Average Price per therm, together with its components, in respect of the years commencing respectively on 1st April 1987 and the 1st April 1988 required to be provided by British Gas under paragraph 4(1)(a) of the said condition 3 should be accompanied by such information as regards the assumptions (such as economic growth, exchange rate changes and energy prices) which were critical features thereof as might be necessary to enable the Director to be reasonably satisfied that the forecasts had been properly prepared on a consistent basis;

(ii) the written forecasts referred to in paragraph (i) above were not accompanied by information as regards the assumptions made as to the amounts to be included in the Allowable Gas Cost, a component of the Maximum Average Price per therm, by reference to the several subparagraphs of the definition of "Allowable Gas Cost" contained in paragraph 2 of Condition 3 contained in the authorisation including, in particular, in respect of subparagraph (a) of that definition, assumptions as to the quantities of gas to be delivered under each contract for the purchase of gas by British Gas and the amounts to be paid for those quantities and British Gas have subsequently refused to provide the Director with that information;

(iii) in the opinion of the Director that information is information required to be provided under paragraph 4(3) of Condition 3 included in the authorisation and the failure to provide it constitutes a contravention of that provision of the Condition; and

(iv) in the opinion of the Director the making of the order would be justified having regard to the duties imposed on him by section 4 of the Act because the contravention referred to in paragraph (iii) would make the written forecasts referred to in paragraph (i) above ineffectual as evidence that British Gas was complying with its obligation under paragraph 1(b) of Condition 3 included in the authorisation, in setting its prices for tariff customers having effect on or after 1st April 1987, to take all reasonable steps, having particular regard to the interests of those customers, to secure that in each Relevant Year its Average Price per

term should not exceed the Maximum Average Price per therm calculated in accordance with the formula set out in that sub-paragraph; and

- (c) any representations or objections to the proposed order may be made before 11th September 1987.
2. Expressions used in this notice have the same meaning as in the conditions included in the authorisation.

#### SCHEDULE

1. The Director General of Gas Supply (hereafter referred to as "the Director"), being satisfied that British Gas public limited company (hereafter referred to as "British Gas"), a public gas supplier within the meaning of Part I of the Gas Act 1986 (c.44) (hereafter referred to as the "Act"), is contravening paragraph 4(3) of Condition 3 included in the authorisation dated 28th July 1986 which has effect as if granted under section 7 of the Act to British Gas, by a final order makes the provision contained in paragraph 2 below.
2. British Gas shall furnish to the Director information as regards the assumptions made for the purposes of the written forecasts of the Maximum Average Price per therm, together with its components, provided by British Gas to the Director in respect of the years commencing respectively on 1st April 1987 and 1st April 1988 as to the amounts included in the Allowable Gas Cost, a component of the Maximum Average Price per therm, by reference to the several sub-paragraphs of the definition of "Allowable Gas Cost" contained in paragraph 2 of Condition 3 included in the authorisation including, in particular, in respect of sub-paragraph (a) of that definition, assumptions as to the quantities of gas to be delivered under each contract for the purchase of gas by British Gas and the amounts to be paid for those quantities.
3. Expressions used in this order have the same meaning as in the conditions included in the authorisation.
4. This order shall take effect on 1987.

Director General of Gas Supply.

THE Lords Commissioners of Her Majesty's Treasury read Section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with Section 5 of the said Act.

- II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.) or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- III. The rates of such interest shall be:—
