**FRESHWATER AND SALMON FISHERIES
(SCOTLAND) ACT 1976**

**PROPOSALS UNDER SECTION 1 FOR PROTECTION
OF FRESHWATER FISHERIES
PROTECTION ORDER FOR THE RIVER DON AND
PART OF THE RIVER URIE**

1. IN terms of Paragraph 1 of Schedule 1 of the above Act, notice is hereby given that proposals for a Protection Order for the River Don and part of the River Urie have been submitted to the Secretary of State under Section 1 of the Act.
2. The general effect of the proposals is that, if implemented, they would result in a significant increase in availability of access to freshwater fishing in over 115 miles of the inland waters in part of the catchment area of the River Don and Urie at charges of £1.50 to £5.00 per day per rod, and would prohibit persons without legal right or without written permission from a person having such rights from fishing or taking freshwater fish in the inland waters to which the proposals relate. The area to be protected is part of the catchment area of the Rivers Don and Urie consisting of the River Don from the confluence of the Allt Tuillach and the Meoir Veannaich (OS Grid Reference NJ 222088) to the sea and the River Urie from the point where the B9001 road crosses the river (OS Grid Reference NJ 767230) to its confluence with the River Don.
3. Copies of the proposals and accompanying map may be inspected, free of charge at the following places during their normal business hours.
