SOCIAL SECURITY ADVISORY COMMITTEE

NOTICE OF SUBMISSION OF REGULATIONS TO REMOVE
ENTITLEMENT TO HOUSING BENEFIT FOR CERTAIN
PEOPLE IN REGISTERED RESIDENTIAL CARE
AND NURSING HOMES

THE Social Security Advisory Committee gives notice that it has been asked by the Secretary of State for Social Security under Section 10 of the Social Security Act 1980 to consider and report on proposed regulations to remove entitlement to housing benefit for certain people in registered residential care and nursing homes.

A short explanatory note provided by the Department of Social Security on these proposals is appended to this notice. The Committee will consider representations on the subject received not later than 28th November 1990. These should be addressed to Mr L.C. Smith, the Secretary, Social Security Advisory Committee, Room 458, New Court, Carey Street, London WC2A 2LS from whom a note setting out changes may be obtained. Representations will be accepted from Northern Ireland where similar provisions will be introduced.

Explanatory Note

The proposed changes would remove entitlement to housing benefit for certain people in registered residential care and nursing homes. People in small homes and other establishments where entitlement to income support depends on a care assessment would continue to be entitled to housing benefit. In addition, people in registered residential care and nursing homes who are already in receipt of, or have already, claimed housing benefit will be given transitional protection under the current rules.

Len Smith.
