Measurement of the material by weight or volume is not appropriate. The amount of virus may also be expressed at 3.0Log_{10} , 4.3Log_{10} and 3.0Log_{10} respectively	Prescription Only Medicine For simultaneous immunisation against measles, mumps and rubella in the following groups. Children: recommended for immunisation of both boys and girls 12 months of age or over. Non-pregnant adolescent and adult females: immunisation of susceptible non-pregnant adolescent and adult females of childbearing age is indicated when the potential vaccinee agrees not to become pregnant for the next three months after vaccination and is informed of the reason, and is told of the frequent occurrence of generally self limiting arthralgia and/or arthritis beginning 2-4 weeks after vaccination. International travellers: Individuals planning travel abroad who are known to be susceptible to one of these diseases can receive either a single antigen vaccine (measles, mumps or rubella) or a combined antigen vaccine as appropriate. M-M-R 11 is preferred for persons likely to be susceptible to mumps and rubella as well as measles.	1st March 1996
06745/0077	Pasteur Merieux MSD Limited	Mumpsvox	Mumps Virus Vaccine Live 200,000* (Jeryl Lynn Level B Strain) *The quantity is TCID 50 (Tissue Culture Infective Doses).	Prescription Only Medicine The vaccine is indicated for immunisation against mumps in children 12 months of age or older or adults. A booster is not needed. It is not recommended for children younger than 12 months because they may retain maternal mumps - neutralising antibodies which may interfere with the immune response. Evidence indicates that the vaccine will not offer protection when given after exposure to natural mumps. Individuals planning to travel abroad, if not immune, can acquire measles, mumps or rubella and import these diseases to their country. Prior to international travel, therefore, individuals known to be susceptible to one or more of these diseases can receive either a single antigen vaccine (measles, mumps or rubella) or a combined antigen vaccine as appropriate M-M-R 11™ (Measles, mumps and rubella vaccine, live) is preferred for persons likely to be susceptible to mumps and rubella as well as measles; and if single-antigen measles vaccine is not readily available, travellers should receive M-M-R 11 regardless of their immune status to mumps or rubella.	1st March 1996

DESIGNATION OF CONSERVATION AREA

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1972,
SECTION 262

AS AMENDED BY TOWN AND COUNTRY AMENITIES
ACT 1974, SECTION 2

NOTICE is hereby given that Midlothian District Council, in accordance with the powers conferred on it by the above-noted Acts, has designated a new Conservation Area at Fala.

The area includes Fala village and Blackshiels and fields immediately adjoining on the western, northern and eastern sides of the village. To the south west, the A68 defines the boundary of the Conservation Area except opposite Blackshiels where the boundary diverts to enclose a strip of woodland on the south east side of the A68 between Moor Road and the road to Frostineb.

The effects of such designations are:- (i) that the Planning Authority must pay special attention to the applications for development in the area that may affect the character and appearance of the area; (ii) that demolition of any building in the area requires the written permission of the Planning Authority; and (iii) that all trees in the area shall be regarded as though they are protected by a Tree Preservation Order and the Planning Authority's consent is required for the cutting down, uprooting and topping or lopping of any trees.

A copy of the plan showing the Conservation Area may be seen at Midlothian District Council's offices (from 1st April 1996, Midlothian Council's offices) at 1 White Hart Street, Dalkeith EH22 1AF from Mondays to Thursdays between the hours of 9.15 am and 4.45 pm, and on Fridays during the hours 9.15 am and 3.30 pm (excluding public holidays).

CANCELLATION OF CONSERVATION AREA

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1972,
SECTION 262

AS AMENDED BY TOWN AND COUNTRY AMENITIES
ACT 1974, SECTION 2

NOTICE is hereby given that Midlothian District Council, in accordance with the powers conferred on it by the above-noted Acts, has cancelled that part of the Conservation Area at Carlops falling within Midlothian District, as previously designated by the County Council of the County of Midlothian.

The area includes the fields either side of the A702 immediately north of the District boundary. The boundary of the area to be cancelled runs from a point where the District boundary intersects with the field boundary at NT 16025611 and then runs north east to intersect with the field boundary at NT 16235644. The boundary then follows the field boundary south east to cross the A702 at a right angle to intersect with the District boundary at NT 16405630.

The effects of such cancellation are:- (i) that the Planning Authority will no longer pay special attention to the applications for development in the area that may affect the character and appearance of the area; (ii) that demolition of any building in the area may not require the written permission of the Planning Authority in every circumstance; and (iii) that the Planning Authority's consent is no longer required for the cutting down, uprooting and topping or lopping of any trees which are not protected by a Tree Preservation Order.

A copy of the plan showing the area no longer designated as part of Carlops Conservation Area may be seen at Midlothian District Council's offices (from 1st April 1996, Midlothian Council's offices) at 1 White Hart Street, Dalkeith EH22 1AF from Mondays to Thursdays between the hours of 9.15 am and 4.45 pm, and on Fridays during the hours 9.15 am and 3.30 pm (excluding public holidays).

TOWN & COUNTRY PLANNING (SCOTLAND) ACT 1972

TOWN & COUNTRY AMENITIES ACT 1974

CANCELLATION AND REDESIGNATION OF STIRLING
TOWN CENTRE CONSERVATION AREAS

THE District Council hereby cancels the Stirling Old Town, Upper Bridge Street, Port Street/Murray Place, and the Arcade Conservation Areas and re-designates the combined area, with a minor extension, as a single Conservation Area to be known as Stirling Town Conservation Area. The extension includes parts of Station Road/Murray Place, Goosecroft Road, and Stirling Railway Station.

Designation of the new Conservation Area brings all of the areas previously covered by the above Conservation Areas, and the extended area, under the protection of the new Stirling Town Conservation Area. The main effects of this designation are that it is not possible to demolish buildings or carry out works to trees without the consent of the District Council as Planning Authority. In assessing development proposals prime consideration will be given to the preservation or enhancement of the character and appearance of the Conservation Area.

Notes:

The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
