(INVEREY CONSERVATION AREA) 1997

RESTRICTIONS OF CLASSES OF PERMITTED DEVELOPMENT

ON 8th December 1997 the Secretary of State for Scotland approved a Direction made by Aberdeenshire Council on 18th March 1997, in exercise of the powers conferred on them by Article 4 of the Town and Country Planning (General Permitted Development) (Scotland) Order 1992.

The effect of the Direction is that as from the date when the Direction is brought into operation, any person wishing to carry out development of the types listed in the Schedule hereto (and fully set out in the Schedule to the Direction) in any part of the Aboyne, Braemar and Inverey Conservation Areas will require to apply for and obtain planning permission in respect of these developments.

The additional power of development control has been sought by the Council as a means of prompting the conservation of the area and to do so it has been found necessary to direct that these classes of minor development listed which would otherwise be permitted development not requiring permission, will now be the subject of specific control.

The Direction will come into force on the date of publication of the notice namely 19th December 1997. A copy of the Direction will be available at the Planning Services (South), Viewmount, Arduthie Road, Stonehaven, during normal office hours from Monday to Friday inclusive. For further information on the effect of the Order intending developers should consult the Head of Planning Services (South), Viewmount, Arduthie Road, Stonehaven, tel. (01569) 768301.

Trust Deed for Creditors by

FUNG TAI CHUNG

A TRUST DEED has been granted by Fung Tai Chung, residing at 5 Glen Farar Way, Kilmarnock KA2 0LP formerly t/a 5 Star Restaurant, 23 Titchfield Street, Kilmarnock on 4th December 1997 conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) her Estate to me, Alan O'Boyle, Kidsons Impey, Breckenridge House, 274 Sauchiehall Street, Glasgow G2 3EH as Trustee for the benefit of her creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes:

The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes:

The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it.

The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
