**Telecommunications****Notice Under Section 12(6A) of the Telecommunications Act 1984  
MODIFICATIONS TO THE CONDITIONS OF THE  
LICENCES OF VODAFONE LTD AND OF BT CELLNET**

1. The Secretary of State for the Trade and Industry granted licences (the "Licences") to Telecom Securicor Cellular Radio Ltd on 22nd March 1994 and to Vodafone Ltd on 9th December 1993 under section 7 of the Telecommunications Act 1984 (the "Act") for the running of the telecommunications systems specified in Annex A to the Licences.
2. On 6th September 2001, the Director General of Telecommunications (the "Director"), in exercise of the powers conferred on him by section 12 of the Act, as amended by the Electronic Communications Act 2000, made the following modification to the conditions in Part K of Schedule 1 to the Licences:  
a new Condition 70A was inserted after Condition 70.
3. In accordance with section 12(6A) of the Act, the Director hereby gives notice that his reason for making the modification is to provide a mechanism so that, in the event of a reference being made by 31st January 2002 by the Director to the Competition Commission (the "Commission") of any modifications to the Licences that the Director might propose in the future as a result of his ongoing review of competition in the market for calls to mobile phones, the existing controls on termination charges in Condition 70 of the Licences will be maintained for a further 12 month period beginning on 1st April 2002 and ending on 31st March 2003. In the Director's view, this extended period will allow the existing controls to be maintained until the Commission has had time to report on its findings and any of the Commission's recommendations to remedy any effects adverse to the public interest to be implemented by the Director.

(2202/94)

**Notice<sup>1</sup> Under Section 12(2) of the Telecommunications Act 1984  
PROPOSED MODIFICATION OF ALL PUBLIC  
TELECOMMUNICATION OPERATORS ("PTO") LICENCES**

1. The Director General of Telecommunications (the "Director") in accordance with section 12(2) of the Telecommunications Act 1984 as amended by the Electronic Communications Act 2000 (the "Act") hereby gives notice that he proposes to make modifications to all licences granted by the Secretary of State for Trade and Industry (the "Secretary of State") under section 7 of the Act to particular persons during the period beginning on 22nd June 1984 and ending on 29th August 2001 for the running of telecommunications systems which the Secretary of State has designated by order under section 9 of the Act as public telecommunication systems, collectively referred to hereinafter as the "PTO licences".
2. The effect of the proposed modifications to the PTO licences would be to widen the definition of what type of premium rate services ("PRS") might be caught under the PTO licences by replacing the current definition of 'Controlled Services' with the definition of 'Controlled Premium Rate Services'. In broad terms, only live PRS are currently caught by the former definition. As a result, there is no code of practice governing

the provision of PRS other than live PRS (such as recorded PRS) that can be recognised by the Director under the PTO licences. The proposed modifications take the form of replacing the current Condition 22 (Controlled Services) of the PTO licences with a new Condition 22 (Controlled Premium Rate Services).

3. The reason why the Director is making the above-mentioned proposal is to strengthen the regulatory regime in the PRS industry, so that the provision of a potentially larger category of PRS (other than simply live PRS) could be governed by a code of practice recognised by the Director. In this way, the Director will have more 'backstop' powers to require network operators to cut off such services that are not complying with the code of practice administered by the Independent Committee for the Supervision of Standard of Telephone Information Services (ICSTIS) following it making such a request to the Director and the Director considers it appropriate to make such a direction.
4. The Director also proposes to make modifications of a relatively minor drafting nature to the current Condition 23 (Provision of Special Facilities Relating to Chatline and Message Services) by replacing it with a new Condition 23. The Director is making this proposal because it is necessary to refer to certain definitions now contained in the proposed new Condition 22 and the Director also considers that Condition 23 could be made clearer in certain other parts.
5. The text of the proposed modifications and their effects are set out in full in the Oftel Statement entitled 'Regulation of Premium Rate Services: Licence Modification', which was published on 24th July 2001. The document is available via Oftel's website ([www.offtel.gov.uk](http://www.offtel.gov.uk)). The Director is seeking comments on the proposed modifications to the PTO licences. Interested parties have 28 days from the day after publication of this Notice to make representations on the proposed modifications. There will be no further period for interested parties to make comments on any comments made during the above-mentioned period. In accordance with section 12(6D) of the Act, representations made against the proposed modifications shall be taken to constitute an objection only if they are accompanied by a written statement that they are to be so taken.
6. Copies of the full text of the proposed modifications (and a full list of licences affected) are also available from Gabrielle Dakhama at the address below (telephone: 020 7634 8735; e-mail: [gabrielle.dakhama@oftel.gov.uk](mailto:gabrielle.dakhama@oftel.gov.uk)).
7. Representations on the proposed modifications can be made to Gavin Daykin, Regulation of PRS Consultation, Numbering Unit OFTEL, 50 Ludgate Hill, London, EC4M 7JJ (telephone: 020 7634 5338; e-mail: [gavin.daykin@oftel.gov.uk](mailto:gavin.daykin@oftel.gov.uk)) by no later than 12th October 2001.
8. The Director is required by section 12(2) of the Act to consider any representations or objections on the proposed modifications duly made and not withdrawn. Subject to such consideration, and to receiving any objection to the respective modifications by the licensees of the PTO licences, the Director proposes to make the modifications as soon as practicable after the statutory consultation has been completed.
9. Any confidential material should be clearly marked as such and separated out into a confidential annex. All representations and objections received by Oftel, with the exception of material marked confidential, will be made available for inspection in Oftel's Research and Intelligence Unit.

*'This Notice replaces the Previous Notice published on 7th September 2001 under Section 12(2) of the Telecommunications Act in the London, Belfast and Edinburgh Gazettes and placed in the Official Journal of Europe setting out the proposed modifications of Conditions 22 and 23, and making reference to a new Condition 26, in all PTO licences, and was subsequently withdrawn.'*

### Trust Deeds

Bankruptcy (Scotland) Act 1985: Schedule 5, Paragraph 5(3)  
Notice by Trustee Under a Trust Deed for the Benefit of Creditors  
Trust Deed for Creditors by

**JAMES ALEXANDER AULDER**

A Trust Deed has been granted by James Alexander Aulder, 8 The Linn, Kelso TD5 8EX on 7th September 2001 conveying (to the extent specified in section 5(4)(a) of the Bankruptcy (Scotland) Act 1985) his estate to me Eileen Blackburn, HLB Kidsons, Breckenridge House, 274 Sauchiehall Street, Glasgow, G2 3EH as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

If a creditor wishes to object to either trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: Each trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. Trust Deed for Creditors by

**ANN BRADFORD**

A Trust Deed has been granted by Ann Bradford, residing at 25 Bath Street, Glasgow, G2 1HW, on 20th August 2001 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) her estate to me, Peter C Dean, Mazars Neville Russell, 90 St Vincent Street, Glasgow G2 5UB, as Trustee for the benefit of her creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

Notice by Trustee Under a Trust Deed for the Benefit of Creditors  
Trust Deed for Creditors by

**ELIZABETH CAMERON SMITH**

A trust deed has been granted by Elizabeth Cameron Smith, 15 Gallowshade Road, Forfar, Angus on 31st August 2001 conveying (to extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) her estate me Matthew P Henderson, Grant Thornton, Chartered Accountants, 1-4 Atholl Crescent, Edinburgh, Scotland EH3 8LQ as trustee for the benefit of her creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on

the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
