## Environment

### SCOTTISH EXECUTIVE ENVIRONMENT AND RURAL AFFAIRS DEPARTMENT THE PLANT HEALTH (*PHYTOPHTHORA RAMORUM*) (SCOTLAND) ORDER 2002

The Scottish Executive Environment and Rural Affairs Department hereby gives notice that the Scottish Ministers have made The Plant Health (*Phytophthora ramorum*) (Scotland) Order 2002. This

Order, which extends to Scotland only, introduces measures to prevent the introduction and spread of *Phytophthora ramorum* - the causal organism of Sudden Oak Death - a fungus that is not established in Scotland. The Order will restrict the importation of susceptible plants, including Rhododendron and Viburnum plants directly from the USA by requiring that such imports be accompanied by a phytosanitary certificate which confirms that the material originates from a location which is officially recognised in the USA as free from the pest. It will also require statutory notification to SEERAD of commercial movements, from any origin, of Viburnum and Rhododendron plants into and within Scotland. This Order will come into force on 13th May 2002.

Copies of the Order may be obtained from The Stationery Office.

## Post and Telecom

## Telecommunications

### NOTICE UNDER SECTION 12(6A) OF THE TELECOMMUNICATIONS ACT 1984

#### MODIFICATION TO ALL PUBLIC

#### TELECOMMUNICATIONS OPERATOR LICENCES

1. During the period beginning on 2nd June 1984 and ending on 28th January 2002, the Secretary of State granted licences under section 7 of the Telecommunications Act 1984 (the "Act") to particular persons which the Secretary of State has designated by order under section 9 of the Act as having public telecommunications systems, collectively referred to hereinafter as the "PTO licences".
2. On 23rd April 2002, the Director General of Telecommunications (the "Director"), in exercise of the powers conferred on him by section 12 of the Act, made modifications to Condition 15 and its equivalent in Schedule 1 of the PTO licences. The modified condition is set out in the attached annex to this Notice.
3. In part the modification implements the Customer Interface publication requirements set out in Article 11(2) of the Revised Voice Telephony Directive - RVTD (98/10/EC) and Article 4(2) of the Radio Equipment and Telecommunications Terminal Equipment Directive - R&TTE (99/5/EC). But the Director hereby gives notice that his reason for making the modification was deregulatory and in line with Oftel's long-term strategy of ensuring that regulation is kept to the minimum necessary to obtain the appropriate outcome.
4. The modification is considered to be deregulatory for the following reasons:
  - The proposed modifications will reduce the burden on Operators by placing into the Licencee general authorisation that will allow Operators to act immediately under Condition 15 or its equivalent as circumstances dictate.
  - The proposed amendments will benefit suppliers and customers by shortening the gap between the development of new services and equipment and the ability of their providers to make them publicly available;

- The modification will not unduly disadvantage any person holding a licence granted under section 7 of the Act or a particular person as the proposed modification will apply to all licence holders which have been designated under section 9 of the Act as having public telecommunication systems.
- The modifications are considered to be deregulatory because current requirements require the Operators to obtain prior authorisation on a case by case basis, before acting to prevent harm being caused to the network.
- At the same time the protection extended to the users of such apparatus is maintained by requiring that both the Director General of Oftel and the Secretary of State are notified as soon as practicable where a refusal to connect, a disconnection or a withdrawal of service has taken place.

#### ANNEX

Condition 15 or its equivalent shall read as follows:

#### "Condition 15

#### PUBLICATION OF INTERFACES

Such period shall be not less than 12 months, except where the Director has consented to a shorter period following the written application of the Licensee.

15.3 Where the Licensee does not have Interface Control in relation to any new commonly provided Interface Specification relating to any service described in sub-paragraph (i) or (ii) of the definition of Network Service, which the Licensee intends to use, and which is not published under paragraph 15.1 above:

- (c) the modification shall include any change in the description of any Interface which may affect the maintenance of effective interoperability of services by means of the Interface described in the relevant Interface Specification.

#### *Withdrawals of Commonly Provided Interfaces*

15.5 Where any interface described in any Interface Specification to which paragraph 15.1, 15.2 or 15.3 apply is withdrawn by the Licensee:

- (a) the Licensee shall notify such withdrawal to the Director and publish such withdrawal in accordance with paragraph 15.6 below; and
- (b) the Licensee shall not make any modifications to the Applicable Systems conforming the new Interface Specification until a sufficient period has elapsed after publication of the Interface Specification to enable any Relevant Party to have a reasonable period in which to make any appropriate modifications to apparatus connected to the Applicable Systems. Such period shall not be less than 12 months, except where the Director has consented to a shorter period following the written application of the Licensee.

#### *Publication Requirements*

15.6 The requirements as to publication are that:

- (a) the description of the Technical Characteristics must be such as to assist in securing the effective interoperability of telecommunication systems and apparatus, and, in particular, (although without prejudice to the generality of the foregoing) the correct operation of Terminal Equipment;
- (b) the Interface Specification published shall: (i) be in sufficient detail to permit the design of telecommunications terminal equipment capable of utilising all services provided through the corresponding interface; (ii) detail any changes in existing Interface Specifications; and (iii) include, *inter alia*, all the information necessary to allow manufacturers to carry out, at their choice, the relevant tests for the essential requirements applicable to the telecommunications terminal equipment;
- (c) the Interface Specifications shall be made readily available by the Licensee;
- (d) the Licensee shall ensure that each Interface Specification is published in a manner appropriate for bringing the matters to which the Interface Specification relates to the attention of:
  - (i) the Secretary of State, the British Standards Institution, all persons to whom functions have been delegated pursuant to section 25 of the Act, all Operators with whom the Licensee is obliged to negotiate Interconnection under Condition 9, or offer to enter into Interconnection agreements with, as the case may be, under Part C of this Licence, appropriate representatives of suppliers, and manufacturers of Telecommunication apparatus and

systems and appropriate representatives of users or consumer interests; and

- (ii) a person whom the Director considers likely to be affected by or to have an interest in such matters and whom the Director has determined for the purpose of this sub-paragraph; and
  - (iii) any other person likely to be affected by or to have an interest in such matters; and
- (e) where the Director considers it necessary to enable Interested Parties to obtain easy access to the information contained in Interface Specifications, he may direct the Licensee to send copies of any Interface Specification, or any class of Interface Specification, to any person specified by him for the purposes of this sub-paragraph.

#### *Amendments of Interface Specifications directed by the Director*

15.7 If, following any representation made to him, the Director concludes that any Interface Specification contains insufficient information for its purpose he may direct the Licensee to:

- (a) amend the Interface Specification in order to remedy the defect; and
- (b) publish the amended Interface Specification in accordance with the provisions of paragraph 15.6 and in relation to any period specified by the Director which takes into account the need to ensure a sufficient period has elapsed after publication of the amended Interface Specification to enable any Relevant Party to have a reasonable period in which to make any appropriate modifications to apparatus connected to the Applicable Systems.

15.8 To the extent that the Licensee is running a Fixed Public Telephone System by means of which it provides Fixed Publicly Available Telephone Services, the Licensee shall inform the Director in writing, without undue delay, of any particular network characteristics which are found to affect the correct operation of apparatus. Such information shall be made available to Terminal Equipment suppliers at their request by the Director pursuant to Regulation 17(4)(c) of the Revised Voice Telephony Regulations.

15.9 Nothing in this Condition shall require the Licensee to publish or send to the Director information which it has already published or sent to the Director."

### **REVOCATION OF BEER ORDERS – NOTICE PURSUANT TO SECTIONS 91(2) AND 91(1) OF, AND SCHEDULE 9 TO THE FAIR TRADING ACT 1973**

1. The Secretary of State for Trade and Industry intends to lay in draft before Parliament the Supply of Beer (Tied Estate) (Revocation) Order 1989 (S.I. 1989/2390), as amended by the Supply of Beer (Tied Estate) (Amendment) Order 1997 (S.I. 1997/1740).
2. The Secretary of State for Trade and Industry intends to make the Supply of Beer (Loan Ties, Licensed Premises and Wholesale Prices) (Revocation) Order to revoke the Supply of Beer (Loan Ties, Licensed Premises and Wholesale Prices) Order 1989 (S.I. 1989/2258).

4. The Supply of Beer (Tied Estate) Order contains a cap on the size of brewers' tied estates, a requirement on large brewers not to "tie" their tenants and tied loan clients to purchasing drinks, other than beer containing above 1.2% alcohol, from them, and the "guest beer provision" which allows the tenants

and tied loan clients of large brewers to buy one brand of cask-conditioned beer and (as amended in 1997) one bottle-conditioned beer from any supplier they choose.

5. The Supply of Beer (Loan Ties, Licensed Premises and Wholesale Prices) Order requires brewers to publish wholesale prices, not to refuse to supply beer except in certain circumstances, not to sell pubs with covenants preventing their use as pubs in the future and to enable brewery tied loans to be repayable by the recipient on not more than three months' notice without penalty.
6. In his report to the Secretary of State entitled "The Beer Orders and Undertakings given pursuant to the Competition Commission's Report of March 1989 on the Supply of Beer" (Cm.651) dated 28th July 2000 ("the 2000 Report"), the Director General of Fair Trading advised that all of the provisions of the Supply of Beer (Tied Estate) Order be revoked. He also advised that the Supply of Beer (Loan Ties, Licensed Premises and Wholesale Prices) Order should be revoked except for the provisions relating to loan tie agreements, the prohibition on refusing to supply beer for resale and the requirement to publish wholesale prices.

Trust Deed for the Benefit of Creditors  
Trust Deed for Creditors by  
**EDWARD JOHNSTONE BAILLIE &**

**HEATHER MARY MARGARET BAILLIE**

A Trust Deed has been granted by Edward Johnstone Baillie and Heather Mary Margaret Baillie, residing at 13 Balgreggie Park, Cardenden, Lochgelly, Fife KY5 0NQ on 25th April 2002 conveying (to the extent specified in section 5(4A) of the Bankruptcy (Scotland) Act 1985) their estate to me Graham Cameron Tough, CA MABRP, Martin Aitken & Co, 1 Royal Terrace, Glasgow G3 7NT as Trustee for the benefit of their creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

A Trust Deed has been granted by Nancy Clinton, residing at 152 Balmalloch Road, Kilsyth G65 9PJ on 9th May 2002 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) her estate to me, Peter C Dean, Personal & Corporate Development Ltd, Gresham Chambers, 45 West Nile Street, Glasgow G2 1PT, as Trustee for the benefit of her creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.

Bankruptcy (Scotland) Act 1985: Section 5, Paragraph 5(3)  
Notice by Trustee Under a Trust Deed for the Benefit of Creditors  
Trust Deed for Creditors by  
**WENDY NEWTON**

A Trust Deed has been granted by Wendy Newton, residing at 14 Lochy Road, Inverloch, Fort William, PH33 6NJ on Friday 3rd May 2002 conveying (to the extent specified in Section 5(4A) of the Bankruptcy (Scotland) Act 1985) his estate to me Jonathan G. Lord, McCann Taylor, 11 Great King Street, Dumfries, DG1 1BA as Trustee for the benefit of his creditors generally.

If a creditor wishes to object to the trust deed for the purposes of preventing it becoming a protected trust deed (see notes below on the objections required for that purpose) notification of such objection must be delivered in writing to the Trustee within 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette*.

Notes: The trust deed will become a protected trust deed unless within the period of 5 weeks of the date of publication of this Notice in *The Edinburgh Gazette* a majority in number or not less than one third in value of the creditors notify the Trustee in writing that they object to the trust deed and do not wish to accede to it. The effect of this is that paragraphs 6 and 7 of Schedule 5 to the Act will apply to the trust deed. Briefly, this has the effect of restricting the rights of non-acceding creditors to do diligence (ie to enforce court decrees for unpaid debts) against the debtor and confers certain protection upon the trust deed from being superseded by the sequestration of the debtor's estate.
