**TELFORD OFFSHORE WINDFARM LIMITED
ELECTRICITY ACT 1989 (AS AMENDED)
THE ELECTRICITY GENERATING STATIONS (APPLICATIONS
FOR VARIATION OF CONSENT) (SCOTLAND) REGULATIONS 2013
(AS AMENDED)
MARINE (SCOTLAND) ACT 2010
MARINE AND COASTAL ACCESS ACT 2009**

Notice is hereby given that Telford Offshore Windfarm Limited, registered under company registration 07386810, Stevenson Offshore Windfarm Limited, registered under company registration 07386838, and MacColl Offshore Windfarm Limited, registered under company registration 07386891, have applied to the Scottish Ministers to vary the consents granted under section 36 of the Electricity Act 1989 on 19 March 2014 to construct and operate offshore generating stations known as the Telford Offshore Wind Farm, the Stevenson Offshore Wind Farm and the MacColl Offshore Wind Farm offshore from the Highland and Moray coastline.

The applications, made under section 36C of the Electricity Act 1989, seek to make the following variations: variations to permit the use of higher rated wind turbines (up to 10 MW) for each of the Telford, Stevenson and MacColl Offshore Wind Farms with no amendment to the turbine physical parameters and, a variation of the maximum capacity from 372 MW to 500 MW for the MacColl Offshore Wind Farm. The maximum total installed capacity for the Telford, Stevenson and MacColl Offshore Wind Farms will not exceed the already consented 1,116 MW.

The variation application and supporting information are available for inspection, free of charge, during normal office hours at: Inverness Library, Ferraline Park, Inverness IV1 1NH

They can also be viewed online at <http://www.morayoffshore.com/moray-east/document-library/>. Copies of the variation application and supporting information may also be obtained from Craig Milroy, info@morayeast.co.uk, tel: 0131 556 7602.

Any representations should be made in writing by email to: moray-east.representations@gov.scot or by post to The Scottish Government, Marine Scotland Licensing Operations Team, Marine Laboratory, 375 Victoria Road, Aberdeen, AB11 9DB, identifying the proposal and specifying grounds for objection or support, not later than 26th January 2018, although the Scottish Ministers may consider representations received after this date. Representations should be dated and should clearly state the name (in block capitals) and the full return email or postal address of those making representation.

Subsequent submission by the companies detailed above of additional information to the Scottish Ministers will be publicised in a similar manner to the current variation application. Representations relative to additional information should be made on the same basis as detailed above.

Where the Scottish Ministers decide to exercise their discretion to do so the Scottish Ministers shall cause a Public Local Inquiry (PLI) to be held.

Following receipt of all views and representations, the Scottish Ministers will determine the application for consent in one of two ways:

- Consent to the variation application, with or without conditions attached; or
- Reject the variation application.

If consent is granted for the variation application, the Scottish Ministers will consider exercising their discretion to vary the Marine Licences granted in respect of the wind farms on the 3rd September 2014 (licence numbers 04629/13/0, 04627/13/0 and 04628/13/0). The variations would revise the descriptions in Paragraph 2.2 of the respective Marine Licences to reflect the changes proposed by the variation application. The Scottish Ministers would consider the variation of the Marine Licences in terms of section 72 (3) (d) of the Marine and Coastal Access Act 2009 and section 30(3)(d) of the Marine (Scotland) Act 2010 to ensure that the marine licence and consent granted under section 36 of the Electricity Act 1989 (as

amended) are consistent. Any representations in relation to the potential marine licence variation should be submitted to the Scottish Government's Marine Scotland Licensing Operations Team ("MS-LOT") in the same manner as described as above relative to representations in respect of the variation application and within the same timeframe.

Fair Processing Notice

MS-LOT processes applications under the Marine (Scotland) Act 2010, the Marine and Coastal Access Act 2009 and The Electricity Act 1989 (as amended). During the consultation process written representations can be sent to the Scottish Ministers.

Should the Scottish Ministers call a Public Local Inquiry (PLI) copies of representations will be sent to the Directorate of Planning and Environmental Appeals for the Reporter to consider during the inquiry. These representations will be posted on their website but will not publish your personal data (e.g. your name and address) as this is removed beforehand in compliance with the Data Protection Act 1998.

You can choose to mark your representation as confidential, in which case it will only be considered by the Scottish Ministers and will not be shared with the planning authority, the applicant, the Reporter (should a PLI be called) or any other third party.

If you have any queries or concerns about how your personal data will be handled, contact MS-LOT by email at: ms.marinerenewables@gov.scot or by post to The Scottish Government, Marine Scotland Licensing Operations Team, Marine Laboratory, 375 Victoria Road, Aberdeen, AB11 9DB. (2937150)

ENVIRONMENTAL PROTECTION

**SCOTTISH GOVERNMENT
ENVIRONMENTAL PROTECTION ACT (1990)
THE ENVIRONMENTAL PROTECTION (MICROBEADS)
(SCOTLAND) REGULATIONS 2018**

Notice is hereby given that the Scottish Ministers intend to introduce legislation in accordance with section 140 of the Environmental Protection Act 1990 to prohibit the manufacture and sale of rinse-off personal care products containing plastic microbeads. Breach of this prohibition is an offence. A person found guilty of such an offence will be liable on summary conviction to a fine not exceeding £5000 or on conviction on indictment to a term of imprisonment not exceeding 2 years or a fine not exceeding £5,000 or both. Local authorities will authorise persons to enforce provisions of these Regulations. It is anticipated that these Regulations will come into force on 9 July 2018. The draft legislation is available to view on the Marine Scotland website here:
