Written representations received by SEPA within 28 days of this advertisement will be taken into consideration in determining the application. Any such representations will be placed in a public register unless the person making them requests that they should not be. Where such a request is made SEPA will include a statement in the register indicating that representations have been made which have been the subject of such a request.

Before determining the application, SEPA will:

- assess the risk to the water environment posed by the carrying on of the activity or activities;
- assess the indirect effects of that impact on any other aspects of the environment likely to be significantly affected;
- consider any likely adverse social and economic effects of that impact and of any indirect
- environmental effects that have been identified; consider the likely environmental, social and economic benefits of the activity;
- assess the impact of the controlled activity or activities on the interests of other users of the water environment;
- assess what steps may be taken to ensure efficient and sustainable water use; and
- apply and have regard to relevant legislation.

SEPA will then either grant or refuse to grant the application.
