PROPERTY IN THE WEST OF FIFE

FOR SALE.

To be Sold by Public Roup, under the authority of the Court of Session, upon Wednesday the 30th day of May next, at two o'clock afternoon, within the Royal Exchange Coffeehouse, Edinburgh,

Entry at Martinmas first,

I. A PARK or INCLOSURE lying to the north of the village of Torryburn, consisting of twelve acres Scotch measure or thereby, of rich arable land. This Inclosure has been in pasture grass for a number of years, and commands a most beautiful view of the Forth and its banks. It is well sheltered by the plantations on the adjacent Pleasure Grounds of Torry, and there is an excellent spring of water on the premises. A more delightful situation for a Villa cannot be met with.

II. A GARDEN lying immediately on the south side of said Park, consisting of about three and a half acres, as presently possessed by James Edward, with a Dwelling House thereon, and a strip of planting on the west side of the Garden.

III. SEVERAL HOUSES in the village of Torryburn, sometime used as a Distillery, now converted into Dwelling Houses and Work Shops for Weavers, let to different Tenants.

The foregoing subjects hold of the Proprietor of Torry for payment of small feu-duties. They are part of the property of the late James Harrowar of Inzievar, Esquire, and are now brought to sale under the authority of the Court of Session, obtained in a process of cognition and sale, at the instance of Mr. Harrowar's only Son and others, against his Father's Creditors.

Farther particulars may be learned by application to Messrs. Campbell and Mack, W. S. 21, Society, Edinburgh, in whose hands are the Articles of Roup and Title-Deeds, or to William Gulland, Esquire, Stripside, by Dunfermline. James Edward, Gardener in Torryburn, will show the properties.

**ESTATE IN AYRSHIRE,
AND FEUING GROUND IN THE IMMEDIATE
NEIGHBOURHOOD OF KILMARNOCK,
FOR SALE.**

TO BE SOLD, by Public Roup, within the George Inn, Kilmarnock, upon Friday the 22d day of June next, at two o'clock afternoon, by virtue of an act and warrant of Sale, pronounced by the Lords of Council and Session, upon the 21st February 1826, in a Process of Cognition and Sale, at the instance of JAMES AYLASON and others, against JOHN TOD and others, Creditors of the late Robert Aylason, of Cowdam.

LOT I. ALL and HALL the Five Pound Land of Old Extent of OVER and NETHER COWDAM, with the pertinents, lying in the parish of Symington and County of Ayr, consisting of 173 acres of arable land or thereby. This property is situated about five miles from Kilmarnock, and seven from Ayr, the road to which places passes through it. There is abundance of coal and lime in the immediate neighbourhood, and the towns of Kilmarnock, Ayr, and Irvine afford a ready market for the produce. The teinds are not valued; but the stipend, under a late augmentation, is moderate. There are many most eligible situations on the property for building, and as it is in the centre of the most cultivated part of Ayrshire, and in a good neighbourhood, it would form an excellent place of residence for any person wishing to settle in that part of the country.

The property is not under permanent leases at present, but from the memorial and abstract in the process of cognition and sale, it appears that the proven annual value for a lease of nineteen years is for

Low Cowdam,	£237 10 0
High Cowdam,	120 9 0
	£357 19 0

and the Court have authorised this lot to be exposed to sale at twenty-six years' purchase of that rental, being £9,308.

The public and parish burdens, and feu-duty, presently payable on this lot, amount in whole to £25 : 11 : 3.

But the valuation proceeds on the footing that the tenant is to pay these; and the Court have authorised the upset price to be 26 years' purchase of the estimated rent on that footing.

LOT II. ALL and WHOLE the NURSERY GROUNDS in the Kirkton Holm of Kilmarnock, possessed by Mr. Allan Foulds, nurseryman, and extending to three acres and three-fourths of an acre or thereby; together with a DWELLING-HOUSE and GARDEN, situated at the head of Titchfield Street, Kilmarnock, and presently possessed by Mr. John Wyllie, surveyor of taxes. The Nursery grounds are close to the town of Kilmarnock, where building is carried on to a large and very advantageous extent; and many offers were made for feuing these grounds on most advantageous terms; but on account of the Process of Sale being then in dependence, these offers could not be accepted. Their local situation, which is very near the centre of the town, affords by far the most eligible site for an elegant square of any around the place.

The proven annual value of these grounds, per the memorial and abstract, is £90
and of the house in Titchfield Street, the rent at present payable is 17

	£107
and the Court have authorised this Lot to be exposed at 20 years purchase of the proven annual value of the Nursery Grounds, being	£1800
and 15 years purchase of the rent of house,	255
Upset price of Lot II,	£2055

LOT III. ALL and WHOLE these HOUSES, in Sandbed of Kilmarnock, possessed by John Thomson, Mrs. Alison Rose, John Orr, Wright, and James King; the yearly rent of which, after making allowance for repairs, is £20, and the Court have authorised this lot to be exposed so low as eight years purchase of the rental, being £160. The rental of this lot can be greatly increased by a small outlay in repairs; at all events, the present upset price is extremely low, and would afford a purchaser nearly 13 per cent. for his money. These premises lying immediately adjacent to the river, afford an excellent situation for a new erection.

LOT IV. FEU-DUTIES amounting to the sum of £4 : 7 : 1d. payable from Properties in Kilmarnock, the greater part of which are valuable houses in King Street, and the casualties of superiority not being taxed, considerable sums will be drawn on the entries of singular successors.

The Court have authorised this lot to be exposed at 30 years purchase, or £87 : 1 : 8d.

Also,

To be SOLD by public roup, place, date, and hour foresaid, if not previously disposed of by private bargain,

ALL and WHOLE the LANDS of FOWTON and HARA, with the pertinents, being a five merk land of old extent, lying in the parish of Craigie and County of Ayr, with the Teinds of the same, extending to 200 acres or thereby, of arable land, presently let for one year only.

The soil is of an excellent quality, and fit for raising any sort of crop. The lands lie on the south side of the road between Ayr and Kilmarnock, to which there is easy access, by a branch joining that road at the village of Monkton, and are within four miles of Ayr and six of Kilmarnock. The property consists of three farms, two of which are out of lease. The whole are enclosed, and fitly subdivided by excellent hedge and ditch fences, and there is a good standing and set of offices on each farm. There are coal and lime in the vicinity, and moss in the lands fit to answer the purposes of manure.

There are fine situations for building on the lands, commanding extensive views of the Frith of Clyde and adjacent country.

The lands hold blanch of a subject superior. Although these lands are not to be sold under the warrant of the Court, as the Trustees thereon are empowered to sell them, yet their value was proved in the proceedings towards the sale of the other lands, and the total proven free rental stated at £274; and they are accordingly to be exposed at 26 years purchase of that rental, being £7124 Sterling.

The public and parish burdens, including stipend, are payable by the tenants; they are extremely moderate, being in whole upon an average only £5 : 13 : 8 annually.

The teinds are valued by an old decret of valuation, whereby the stipend of four bolls meal and one boll bear is made payable to the minister of Stair, to which parish the lands are annexed quod sacra, and by which decret the stipend above mentioned is declared not to be subject to farther augmentation. Besides that stipend, there is a small sum of 19s. 8d. Scots, or 1s. 7d. 6.12ths Sterling, payable to the minister of Craigie, in which parish the lands lie.

Robert Young, Symington, by Kilmarnock, will supply any information required, and give directions for showing the lands.

The articles of roup and title-deeds are in the hands of Messrs. Hunter, Campbell, and Cathcart, Writers to the Signet, to whom, or Messrs. Gregg, Writers, Kilmarnock, application may be made for farther particulars.
