It is held of the Prince, and is valued in the cess-books at £501:13:4 Scots. The houses and fences are in good condition. They are held of the King and Prince; and there appears to be a Freehold Qualification, upon the old extent, attached to them. They afford a desirable investment for capital. The arable lands are of excellent quality; and the pasture is sound and healthy. The houses and enclosures are substantial; the teinds are valued; and the public burdens do not amount to £12 per annum. The lands are rented at £255, upon a lease for a year; and there is a certainty of a considerable increase of rent, if let on a 19 years lease. The upset price of this Lot is to be £9,000.

Lot Third.—**THE LANDS OF FAULDCRAIGOCH, GAS, MONTECOCH, MEIKLE SHALLOCH, and KNOCKLUIY**, lying in the parish of Straiton.

They are held of the Crown, and appear to afford a Freehold Qualification in the county, on the old extent. The Proprietor has a right to the teinds, which are valued. The burdens do not amount to £2:5s. per annum. The lands are rented at £170 yearly, and the upset price is to be £5,600.

The land is of excellent quality, and the farm-produce meets with a ready market at Maybole. The Quarry affords excellent Freestone, for which there is a considerable demand. There is a right to the teinds of Cultezoun and Knockover; and all the lands hold of the Crown or Prince, and the teinds are valued. The public burdens do not exceed £3 per annum.
