WHITEHALL, Nov. 13. 1798.

THE King has been pleased to appoint Joseph Hunt, Esq. to be a Commissioner for conducting the transport service, and for the care and custody of prisoners of war.

DUBLIN CASTLE, Nov. 6. 1798.

Sunday last being the anniversary of the birth of the late King William the Third, of glorious memory, in the morning the flag was displayed on Bedford Tower; at noon there was a splendid appearance of the Nobility and other persons of distinction at the Castle, to compliment his Excellency the Lord Lieutenant; after which his Excellency, attended by the Nobility and Gentry, and escorted by a squadron of horse, went in procession round the statue of King William. On his Excellency's return to the Castle, the great guns at the salute-battery, in his Majesty's park the Phoenix, were fired three rounds, and answered by volleys from the regiments in garrison, which were drawn up in College-Green. And at night there were bonfires, illuminations, and other demonstrations of joy.

NAPLES, September 25. 1798.

His Majesty's ships the Culloden, Captain Trowbridge, the Alexander, Captain Ball, and the frigate Bonne Citoyenne, came into this port on the 18th instant in the evening. His Sicilian Majesty went out in his boat into the bay to meet them, as did numerous English and Neapolitan boats. The ships gave the royal salute to his Majesty.—Admiral Sir Horatio Nelson, in the Vanguard, accompanied by the Thalia frigate, did not make his appearance in this bay until Saturday last the 22d instant, having been becalmed off Sicily.

The King of Naples not only went off to meet the Admiral, but instantly went on board the Vanguard, and staid on board until that vessel was at anchor in the port. The royal salute was given by all the King's ships, both on his Sicilian Majesty's arrival on board the Vanguard, and on his leaving the ship. The day being remarkably fine, numerous boats with colours and music attended the Vanguard, and all the shores and wharfs of Naples were crowded with a multitude of rejoicing people; and when the Admiral came on shore, the reception the Neapolitans gave him was expressive of the utmost kindness and gratitude.

SEPTEMBER 28. 1798.

Every assistance has been given to the Vanguard, the Culloden, and Alexander, so that these ships will be fit to go again to sea in a few days. Yesterday his Majesty's ship Colossus, Captain Murray, with four victualers, from Gibraltar, came to an anchor in this port.

This morning Sir Horatio Nelson has received a letter from Sir James Saumarez, dated from the port of Augusta in Sicily, the 17th instant, reporting all well in the Squadron under his command, and that he hoped, having got water and fresh provisions, to sail from thence for Gibraltar the Wednesday following.

SEPTEMBER 29. 1798.

Captain Gage, in the Terpsichore, arrived here this morning. He left Malta the 26th instant, when Sir James Saumarez with his Squadron, in conjunction with the Portuguese Squadron under the command of Marquis Nizza, had summoned the French to surrender and evacuate Malta, which was refused by M. Vaubois, the Commander in Chief of the Valetta; and that Sir James Saumarez was proceeding with his Squadron and French prizes to Gibraltar, having left the Portuguese

to block Malta, and having, at the request of the Maltese insurgents, supplied them with a large quantity of ammunition, and twelve hundred stand of arms from his French prizes. The Maltese say, that the French are in the greatest want at Valetta.

JUDICIAL SALE OF LANDS
IN THE COUNTY OF STIRLING.

To be SOLD, by authority of the Court of Session, within the Parliament of New Session House of Edinburgh, upon Wednesday the 19th day of December next, between the hours of five and seven afternoon,

THE ESTATE OF MUIRAVONSIDE, which comprehends the Lands of BOWHOUSES, and part of the Lands of COMPTON, situated within the parish of Muiravonside.—The lands are capable of great improvement; and there is a seam of excellent coal, which, at a trifling expence, may be wrought to very great advantage. The estate affords two freehold qualifications, and lies at the distance of two or three miles from Linlithgow. The mansion-house, with the orchard, and planting, (which is extensive, and in a very thriving state) is pleasantly situated on the banks of the water of Avon, and justly reckoned one of the most romantic beautiful situations in Scotland. The farms are mostly out of lease. The lands lie contiguous, and there is a quantity of growing wood now fit for use, which may be sold at a considerable price.

From the *Memorial* and *Abstract* it appears the estate is divided into the following Parcels:

I.—The LANDS and BARONY of MUIRAVONSIDE comprehending the Mansion-house and Mill of Muiravonside; the free rent of which at present is 277l. 8s. 6d. 2-12ths; but as the lands are mostly out of lease, it was therefore thought proper to prove what rent they would bring upon a nineteen years lease; and it appears, from the testimony of two witnesses, who have known the estate for many years, that the lands comprehended in this parcel, upon a Nineteen years lease, might yeild 256l. 18s. 6d. 8-12ths Sterling, the upset price of which, as affording a freehold qualification, is 7450l. 18s. 1d. 4-12ths. The lands are held blench of the Crown, and the proprietor has right to the teinds.

II.—The LANDS of WESTER and MIDDLE BOWHOUSES, &c. The proven free rent of these lands, which are out of lease, is 31l. 12s. 8d. but upon a nineteen years lease, they might bring 45l. Sterling. It does not appear that the proprietor has right to the teinds, so that a 5th part of the rent will fall to be deducted on that account; and the upset price, after such deduction, is 1044l. Sterling. The lands are held blench of a subject superior.

III.—The LANDS of CAMPSTON. The present rent is 115 l. 10s. but on a nineteen years lease, they would be worth 91l. 3s. 6d. Sterling.—These lands are held feu of a subject superior for payment of 10s. Sterling yearly. The proprietor has right to the teinds of part of the lands;—it does not appear he has to those of the farms of Newhouse, Easter and Wester Draffins; but the teinds of these farms are valued, as instructed by a decret of valuation in 1772.—The upset price of this parcel is 2644 l. 1 s. 6 d. Sterling.—The reason of the present rent of this parcel being higher than what would be got if the lands were on a 19 years lease is, that they were let formerly for pasture, but lately for tillage.

IV.—SUPERIORITIES and FEU-DUTIES of the Lands of REDFORD, and Part of CANDIEHEAD. The annual value of these Feu-duties is 2 l. 2s. 2 d. 4-12ths Sterling. They are classed with the above lands, in order to make up a Freehold Qualification, and the upset price is 52 l. 14s. 10 d. 4-12ths Sterling.

V.—WOOD growing upon the Lands of MURRAVONSIDE, BOWHOUSES, and COMPSTON.—The value of the wood under sale, is proved to be 1027 l. 11 s. 6 d. Sterling.

VI.—The COAL in the Lands of BOWHOUSE.—The Coal is not wrought at present owing to the level being choaked up, but which might be set agoing at little expence; and it is proved, that after deducting that expence, this Coal when upon a 19 years lease, might bring 400l. Sterling, which is therefore fixed on as the upset price of this lot.

VII.—SUPERIORITIES and FEU-DUTIES of COXHILL. These Superiorities are classed separately, as they make a Freehold Qualification. The Feu-duties payable out of these lands are 5 l. 13s. 4 d. 5-12ths Sterling yearly, and the upset price, as affording a Freehold Qualification is 341 l. 14s. 2d. 5-12ths Sterling. The composition for an entry of Singular Successors is not taxed.

The articles of roup, and a plan of the estate, with copies of the Memorial and Abstract, will be seen in the office of Mr Jeffery, Depute-Clerk of Session, and in the hands of Mr Keay, accountant, or Hector Macdonald Buchanan, writer to the signet, to whom intending purchasers may apply for further information.

Alex Meason, gardener at Linlithgow, will shew the estate.
