TUESDAY, JULY 20, 1847.

WHITEHALL, July 14, 1847.

THE Queen has been pleased to present the Reverend John Scarth to the church at Sandwick, in the united parishes of Sandwick, Dunrossness, and Cunningsburgh, in the presbytery of Lerwick and stewartry of Orkney and Shetland, vacant by the transportation of the Reverend Alexander Shand, late Minister thereof, to the parish of Nesting.

ST JAMES'S-PALACE, July 14, 1847.

The Queen has been pleased to appoint Charles H. Broadwood, Esq. Exon of Her Majesty's Body Guard of the Yeomen of the Guard, vice Henry Chard, Esq. resigned.

CAMBRIDGE-HOUSE, July 15, 1847.

The Duke of Cambridge has been pleased to appoint the Reverend Stephen Jordan Rigaud, M. A. F. R. A. S. Senior Assistant Master at Westminster School, to be one of his Royal Highness's Chaplains.

FOREIGN-OFFICE, July 15, 1847.

The Queen has been pleased to approve of Mr. William Carrol, as Consul at St Helena for his Majesty the King of Sweden and Norway.

The following Regulations respecting Foreign Orders conferred upon British Subjects, which have been established by the Queen and by Her Royal Predecessors, are published for general information.

1st. That no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2d. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3d. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the enemy, either at Sea or in the Field; or unless he shall have been actually employed in the Service of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's license and permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander in Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—
7th. "That if the service for which it is proposed to confer the Order has been performed during War, the Notification required by the 2d Regulation must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two years of the date of such service.

8th. "When a British Subject has received the Royal Permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred."

(Signed) ABERDEEN.

Foreign-Office, August 22, 1843.

The Queen has made known Her pleasure,—

9th. "That the 8th Clause of the Regulations respecting Foreign Orders shall not be

"taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her predecessors, Their Majesties King George IV. and King William IV. on whose heads the Crowns of Great Britain and Hanover were united.

"Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of the 5th Clause of the Regulations. They must be rather considered as personal favours bestowed on British subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover."

(Signed) ABERDEEN.

Foreign-Office, July 6, 1846.
