FRIDAY, AUGUST 23, 1850.

At the Court at Buckingham-Palace, the 14th day of August 1850,
PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act passed in the Session of Parliament holden in the twelfth and thirteenth years of the reign of Her present Majesty, intituled "An Act to amend the laws in force for the encouragement of British Shipping and Navigation," it is amongst other things enacted, that no goods or passengers shall be carried from one part of any British possession in Asia, Africa, or America, to another part of the same possession, except in British ships: provided always, that if the Legislature or proper legislative authority of any such British possession shall present an Address to Her Majesty, praying Her Majesty to authorize or permit the conveyance of goods or passengers from one part of such possession to another part thereof, in other than British ships, it shall be lawful for Her Majesty, by an Order in Council, so to authorize the conveyance of such goods or passengers, as the case may be, in such terms and under such conditions as to Her Majesty may seem good;

And whereas an Address has been presented to Her Majesty by the Court of Policy of the Colony of British Guiana, praying that Her Majesty will be graciously pleased to authorize and permit the conveyance of goods and passengers from any part of the said colony to any other part thereof, in steamers or other vessels, of whatever build the same may be, and owned by subjects of any Nation, in terms of amity and alliance with Her Majesty;

Now therefore, Her Majesty, by and with the advice and consent of Her Most Honourable Privy Council, and in pursuance of the authority vested in Her as aforesaid, doth order, and it is hereby ordered, that it shall be lawful to employ steamers or other vessels, of whatever build the same may be, and by the subjects of whatever Nation, (being a Nation in terms of amity with Her Majesty) the same may be owned, in the conveyance of goods and passengers from any part of the said colony to any other part of the same.

And the Right Honourable the Lords Commissioners of Her Majesty's Treasury, and the Right Honourable Earl Grey, one of Her Majesty's Principal Secretaries of State, are to give the necessary directions herein, as to them respectively shall appertain.

C. C. GREVILLE.

At the Court at Buckingham-Palace, the 14th day of August 1850,
PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Report from the General Board of Health, dated the twenty-third day of July one thousand eight hundred and fifty, in the words following; that is to say:—

"To the Queen's Most Excellent Majesty.

"We, the General Board of Health, appointed for the purposes of the Public Health Act, 1848, have, in pursuance of the provisions of that Act, upon the petition of not less than one-tenth of the inhabitants rated to the relief of the poor of and within that part of the parish of Bangor known as the Parliamentary borough of Bangor, in the county of Carnarvon, and within the boundaries of the said borough, as fixed for the purposes of an Act passed in the second and third years of the reign of King William the Fourth, intituled, 'An Act to settle and describe the divisions of counties, and the limits of cities and boroughs, in England and Wales, in so far as respects the election of members to serve in Parliament,' (the number of the said petitioners greatly exceeding thirty in the whole,) directed George Thomas Clark, Esq. a Superintending Inspector appointed for the purposes of the said Public Health Act, to visit the said borough, and to make public inquiry, and to examine witnesses as to the sewerage, drainage, and supply of water, the state of the burial grounds, the number and sanitary condition of the inhabitants, and as to any local Acts of Parliament in force within such borough, for paving, lighting, cleansing, watching, regulating, supplying with water, or improving the said borough, or having relation to the purposes of the said Public Health Act; also as to the natural drainage, areas, and the existing municipal, parochial, or other local boundaries, and the boundaries which might be most advantageously adopted for the purposes of that Act;

"And the said Superintending Inspector, having previously given the notices directed by the said Public Health Act, proceeded upon the said inquiry in the manner directed by that Act, and hath reported in writing to the said Board upon the several matters with respect to which he was directed to inquire, and upon certain other matters

with respect to which he deemed it expedient to report for the purposes of that Act;

"And copies of the said Report, accompanied by a notice, stating that written statements might be forwarded to the said Board with respect to any matter contained in or omitted from the said Report, or any amendment proposed to be made therein, have been duly published and deposited as directed by the Public Health Act, and the time for forwarding such statements has now elapsed, and the statement which has been received by the said Board has been duly deposited, as required by that Act;

"And it appears by the said Report, that there is no local Act of Parliament in force within the said borough for paving, lighting (otherwise than for the profit of proprietors or shareholders), cleansing, watching, regulating, supplying with water, or improving such borough, or any part thereof, or in anywise relating to the purposes of the said Public Health Act;

"Now therefore, We, the said General Board of Health, do hereby, in pursuance of the said Public Health Act, humbly report to your Majesty, that it appears to us to be expedient that the Public Health Act, 1848, and every part thereof, except the section numbered 50 in the copies of that Act, printed by your Majesty's printers, should be applied to, and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries at present fixed, as aforesaid, as the boundaries of the said borough of Bangor, and that such area, places, and parts of places should be and constitute a district for the purpose of the said Public Health Act accordingly.

"2. That the Local Board of Health, to be elected under the said Public Health Act, shall consist of nine persons, and that the entire number shall be elected for the whole of the said district.

"3. That the first election of the said Local Board of Health shall take place on the first day of October one thousand eight hundred and fifty.

"4. That one-third in number of the said Local Board shall go out of office on the thirty-first day of March in each year subsequently to that in which the said election takes place.

"5. That every person, at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, be resident, as in the said Public Health Act, 1848, is required, and be seized and possessed of real or personal estate, or both, to the value or amount of not less than eight hundred pounds, or shall be so resident and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than twenty-five pounds.

"6. That at the first election of the said Local Board, Hugh Beaver Roberts, Esq. shall have the powers, and perform the duties vested in or imposed upon the Chairman of the Local Board of Health by the Public Health Act, 1848, in

relation to the election by owners of property and rate-payers, and shall perform all other duties which may be requisite for him to perform in conducting and completing the said first election; and in case the said Hugh Beaver Roberts, from illness, or other sufficient cause, shall be unable to exercise or discharge such powers or duties, or shall be absent, or shall refuse to act, then Henry Lloyd Jones, Esq. shall exercise and perform such of the said powers and duties as then remain to be exercised or performed.

"7. That the fourteen days' notice of qualification required by the Public Health Act, 1848, to be given by owners of property, in order to entitle them to vote at the said first election, shall be given to the said Hugh Beaver Roberts, at his residence at Bryn Menai, within the said district of Bangor; or in case he shall refuse, or be unable to receive the same, then to the said Henry Lloyd Jones, Solicitor, at his residence at Frondeg, within the same district.

"Given under our hands and under the seal of the General Board of Health, this twenty-third day of July one thousand eight hundred and fifty.

(Signed) ASHLEY.

(L.S.)

EDWIN CHADWICK."

Now therefore, Her Majesty, having taken the said Report into consideration, is pleased to approve thereof, and, by and with the advice of Her Privy Council, doth hereby, under and in pursuance of the Public Health Act, 1848, order and direct, that from and after the date of this Order, the Public Health Act, and every part thereof, except the section numbered 50 in the copies of that Act, printed by Her Majesty's printers, shall be applied and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of that part of the parish of Bangor known as the Parliamentary borough of Bangor, in the county of Carnarvon, as such boundaries are fixed for the purposes of an Act passed in the second and third years of the reign of King William the Fourth, intituled, 'An Act to settle and describe the divisions of counties, and the limits of cities and boroughs, in England and Wales, so far as respects the election of members to serve in Parliament,' and that such area, places, and parts of places shall be, and constitute a district for the purposes of the said Public Health Act accordingly.

2. That the Local Board of Health, to be elected under the said Public Health Act, shall consist of nine persons, and that the entire number shall be elected for the whole of the said district.

3. That the first election of the said Local Board of Health shall take place on the first day of October one thousand eight hundred and fifty.

4. That one-third in number of the said Local Board shall go out of office on the thirty-first day of March in each year subsequently to that on which the said election takes place,

5. That every person, at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, be resident, as in the said Public Health Act, 1848, is required, and be seized or possessed of real or personal estate, or both, to the value or amount of not less than eight hundred pounds, or shall be so resident and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than twenty-five pounds.

6. That at the first election of the said Local Board, Hugh Beaver Roberts, Esq. shall have the powers, and perform the duties vested in or imposed upon the Chairman of the Local Board of Health by the Public Health Act, 1848, in relation to the election by owners of property and rate-payers, and shall perform all other duties which it may be requisite for him to perform in conducting and completing the said first election; and in case the said Hugh Beaver Roberts, from illness, or other sufficient cause, shall be unable

to exercise or discharge such powers or duties, or shall be absent, or shall refuse to act, then Henry Lloyd Jones, Esq. shall exercise and perform such of the said powers and duties as then remain to be exercised or performed.

That the fourteen days' notice of qualification required by the Public Health Act, 1848, to be given by owners of property, in order to entitle them to vote at the said first election, shall be given to the said Hugh Beaver Roberts, at his residence at Bryn Menai, within the said district of Bangor; or in case he shall refuse, or be unable to receive the same, then to the said Henry Lloyd Jones, Solicitor, at his residence at Frondeg, within the same district.
