Now therefore We, the said General Board of Health, do hereby, in pursuance of the said Public Health Act, humbly report to your Majesty, that it appears to us to be expedient that the Public Health Act, 1848, and every part thereof, except the section numbered 50 in the copies of that Act printed by your Majesty's printers, shall be applied to, and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries at present fixed as the boundaries of the said township; and that such area, places, and parts of places should be and constitute a district for the purpose of the said Public Health Act accordingly.

2. That the Local Board of Health, to be elected under the said Public Health Act, shall consist of six persons, and that the entire number shall be elected for the whole of the said district.

4. That one-third in number of the said Local Board shall go out of office on the thirty-first day of March in each year subsequently to that in which the said election takes place.

6. That at the first election of the said Local Board, William Newton, Esq. of The Mills, Litton, shall have the powers, and perform the duties vested in or imposed upon the Chairman of the Local Board of Health by the Public Health Act, 1848, in relation to the election by owners of property and rate-payers, and shall perform all other duties which it may be requisite for him to perform in conducting and completing the said first election; and in case the said William Newton, from illness, or other sufficient cause, shall be unable to exercise or discharge such powers or duties, or shall be absent, or shall refuse to act, then Mr John Baker, Senior, Farmer, of Litton, shall exercise and perform such of the said powers and duties as then remain to be exercised or performed.

7. That the fourteen days' notice of qualification required by the Public Health Act, 1848, to be given by owners of property, in order to entitle them to vote at the said first election, shall be given to the said William Newton, at his residence, The Mills, within the aforesaid dis-
