FRIDAY, DECEMBER 6, 1850.

AT the Court at Windsor, the 13th day of November 1850,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Report from the General Board of Health, dated the thirty-first day of October one thousand eight hundred and fifty, in the words following; that is to say:—

“ To the Queen's Most Excellent Majesty.

“ We, the General Board of Health, appointed for the purposes of the Public Health Act, 1848, have, in pursuance of the provisions of that Act, upon the petition of not less than one-tenth of the inhabitants rated to the relief of the poor of and within the parish of Diss, in the county of Norfolk, (the number of the said petitioners greatly exceeding thirty in the whole,) directed William Lee, Esq. a Superintending Inspector appointed for the purposes of the said Public Health Act, to visit the said parish, and to make public inquiry, and to examine witnesses as to the sewerage, drainage, and supply of water, the state of the burial-grounds, the number and sanitary condition of the inhabitants, and as to any local Acts of Parliament in force within such parish for paving, lighting, cleansing, watching, regulating, supplying with water, or improving the said parish, or having relation to the purposes of the said Public Health Act; also as to the natural drainage, areas, and the existing municipal, parochial, or other local boundaries, and the boundaries which might be most advantageously adopted for the purposes of that Act;

“ And the said Superintending Inspector, having previously given the notices directed by the said Public Health Act, proceeded upon the said inquiry in the manner directed by that Act, and hath reported in writing to the said Board upon the said several matters with respect to which he was directed to inquire, and upon certain other matters with respect to which he deemed it expedient to report for the purposes of that Act;

“ And copies of the said Report, accompanied by a notice, stating that written statements might be forwarded to the said Board, with respect to any matter contained in or omitted from the said Report, or any amendment proposed to be made therein, have been duly published and deposited as directed by the said Public Health Act, and the time for forwarding such statements has now elapsed;

“ And it appears by the said Report that there is no local Act of Parliament in force within the said parish for paving, lighting (otherwise than for the profit of proprietors or shareholders), cleansing, watching, regulating, supplying with water, or improving such parish, or any part thereof, or in anywise relating to the purposes of the said Public Health Act;

“ Now, therefore, We, the said General Board of Health, do hereby, in pursuance of the said Public Health Act, humbly report to your Majesty, that it appears to us to be expedient that the Public Health Act, 1848, and every part thereof, except the section numbered 50 in the copies of that Act, printed by your Majesty's printers, should be applied to, and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the said parish of Diss, in the county of Norfolk, and that such area, places, and parts of places should be, and constitute a district for the purpose of the said Public Health Act accordingly.

“ 2. That the Local Board of Health to be elected under the said Public Health Act, shall consist of nine persons, and that the entire number shall be elected for the whole of the said district.

“ 3. That the first election of the said Local Board of Health shall take place on the twenty-first day of January, in the year of our Lord one thousand eight hundred and fifty-one.

“ 4. That one-third in number of the said Local Board shall go out of office on the twenty-first day of January in each year subsequently to that in which the first election of that Local Board takes place; but in case the day so appointed shall fall on a Sunday, or on a day appointed for Public Fast or Thanksgiving, then such one-third shall go out of office on the day next following.

“ 5. That every person at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, be resident, as in the said Public Health Act, 1848, is required, and be seized or possessed of real or personal estate, or both, to the value or amount of not less than one thousand pounds; or shall be so resident and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than twenty-five pounds.

“ 6. That at the first election of the said Local Board, the Reverend William Manning, Rector of the parish of Diss, shall have the powers and per-

form the duties vested in or imposed upon the Chairman of the Local Board of Health by the Public Health Act, 1848, in relation to the election by owners of property and rate-payers, and shall perform all other duties which it may be requisite for him to perform in conducting and completing the said first election; and in case the said William Manning, from illness, or other sufficient cause, shall be unable to exercise or discharge such powers or duties, or shall be absent, or shall refuse to act, then Samuel Farrow, Esq. of the parish of Diss, shall exercise and perform such of the said powers and duties as then remain to be exercised or performed.

7. That the fourteen days' notice of qualification required by the Public Health Act, 1848, to be given by owners of property, in order to entitle them to vote at the said first election, shall be given to the said Reverend William Manning, at the Rectory, within the said district of Diss; or in case he shall refuse, or be unable to receive the same, then to the said Samuel Farrow, at his residence at Diss, likewise within the district aforesaid.

Given under our hands, and under the seal of the General Board of Health, this thirty-first day of October, in the year of our Lord one thousand eight hundred and fifty.

(Signed) EDWIN CHADWICK,
(L.S.) T. SOUTHWOOD SMITH.

Now therefore, Her Majesty, having taken the said Report into consideration, is pleased to approve thereof, and by and with the advice of Her Privy Council, doth hereby, under and in pursuance of the Public Health Act, 1848, order and direct that from and after the date of this Order, the Public Health Act, and every part thereof, except the section numbered 50 in the copies of that Act, printed by Her Majesty's printers, shall be applied to and be in force within, and throughout the entire area, places, and parts of places comprised within the boundaries of the parish of Diss, in the county of Norfolk, and that such area, places, and parts of places shall be, and constitute a district for the purposes of the said Public Health Act accordingly.

2. That the Local Board of Health, to be elected under the said Public Health Act, shall consist of nine persons; and that the entire number shall be elected for the whole of the said district.

3. That the first election of the said Local Board of Health shall take place on the twenty-first day of January, in the year of our Lord one thousand eight hundred and fifty-one.

4. That one-third in number of the said Local Board shall go out of office on the twenty-first day of January in each year subsequently to that in which the first election of that Local Board takes place; but in case the day so appointed shall fall on a Sunday, or on a day appointed for Public Fast or Thanksgiving, then such one-third shall go out of office on the day next following.

5. That every person at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, be resident, as in the said Public Health Act, 1848, is required, and be seized or possessed of real or personal estate, or both, to the value of amount of not less than one thousand pounds; or shall be so resident and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than twenty-five pounds.

6. That at the first election of the said Local Board, the Reverend William Manning, Rector of the parish of Diss, shall have the powers and perform the duties vested in or imposed upon the Chairman of the Local Board of Health by the Public Health Act, 1848, in relation to the election by owners of property and rate-payers, and shall perform all other duties which it may be requisite for him to perform in conducting and completing the said first election; and in case the said William Manning, from illness or other sufficient cause, shall be unable to exercise or discharge such powers or duties, or shall be absent, or shall refuse to act, then Samuel Farrow, Esq. of the parish of Diss, shall exercise and perform such of the said powers and duties as then remain to be exercised or performed.

7. That the fourteen days' notice of qualification required by the Public Health Act, 1848, to be given by owners of property in order to entitle them to vote at the said first election, shall be given to the said Reverend William Manning, at the Rectory, within the said district of Diss; or in case he shall refuse, or be unable to receive the same, then to the said Samuel Farrow, at his residence at Diss, likewise within the said district aforesaid.

WHEREAS under the provisions of an Act passed in the Session of Parliament held in the third and fourth years of the reign of His late Majesty King William the Fourth, entitled "An Act for consolidating and amending the Laws relative to Jurors and Juries in Ireland," the Justices assembled at the October Quarter Sessions, of the Peace, holden in and for the division of Ballinrobe, in the county of Mayo, at Claremorris, in the said division, on the 10th day of October last, duly fixed a Special Sessions to be holden at the Sessions' House in Hollymount, on Saturday the 14th day of December 1850, within and for the division of Ballinrobe, in said county of Mayo, for the purpose of examining the Lists of Jurors returned by the High Constables and Collectors within said division, pursuant to the provisions in said Act contained, and did give public notice of such place and time:

And whereas it has been represented unto Us by the Clerk of the Peace for said county of Mayo, that the Lists of persons returned, pursuant to the provisions of said recited Act, for the said division of Ballinrobe, could not be examined or corrected by reason of the date, fixed as above stated, for holding a Special Sessions, not being in conformity with the provisions of an Act passed in the fourth year of His late Majesty, and therefore said Sessions could not be effectually holden for the purpose aforesaid:

And whereas by an Act passed in the Session of Parliament held in the second and third years of the reign of Her present Majesty, entitled "An Act to amend two Acts of the third and fourth and fourth and fifth years of His late Majesty King William the Fourth, for consolidating and amending the laws relative to Jurors and Juries in Ireland," it is enacted

that in every case in which, in any county at large, or any division thereof, or in any county of a city, or county of a town, such Special Sessions shall not be effectually held for the purpose in said Act stated, whether by reason of a sufficient number of Justices not attending, or by reason of a day or place not being fixed for the holding of such Sessions, or by any other cause, it shall and may be lawful for the Lord Lieutenant, or other Chief Governor or Governors of Ireland, by Warrant under his or their hand or hands, to fix a day, and also a place in such county or division, or county of a city, or county of a town, for holding a Special Session for the purpose of examining the List of Jurors, as in the said Act of the third and fourth years of the reign of His said late Majesty is directed :
