NOTICE.

IN the Process of Ranking and Sale of the Estates of PAPDALE and Others, raised in name of Richard Mackenzie, Esquire, Deputy-Keeper of Her Majesty's Signet for Scotland, and others, the Trustees for managing the Fund established by Acts of Parliament for making provision for the Widows of the Writers to Her Majesty's Signet in Scotland, and now insisted in by Alexander Bain, Writer in Kirkwall, Judicial Factor on the Estates included in said action, against SAMUEL LAING, Esquire, of Strenzie, and his Creditors,—A Minute has been lodged on behalf of the Common Agent, setting forth that since the raising of the action it has been discovered that the said Samuel Laing stands infest in certain subjects which are described in said Minute as follows:—All and Whole that piece of enclosed ground lying between the lands of Pabdale and Weyland, sometime occupied as a barn by the said Malcolm Laing; as also, All and Whole those parts and portions of waste ground adjoining to the said lands of Pabdale,

and allotted to the said Malcolm Laing, for straightening his dikes of Pabdale, as the same had been marked and meithed by a Committee of the Council of the said Burgh of Kirkwall, lying in the parish of St Ola, Mainland and County of Orkney: That the said subjects appear to have been for a long series of years incorporated and possessed along with the Estate of Pabdale, but have not been specially enumerated and described in the Summons; and that being contained in titles separate and distinct from those of the Lands and others specially described in the Summons, it appears necessary to have said subjects brought under the process, in terms of the Acts of Sederunt thereanent, and craving his Lordship to appoint the intimation required by said Acts of Sederunt, and thereafter to authorise the other proceedings necessary for having said subjects brought to sale: Upon the Lord Robertson, Ordinary, being moved, in terms of said Minute, his Lordship pronounced the following Interlocutor:—*9th July 1851.*—The Lord Ordinary having heard what is stated in the Minute, No. 291 of Process, authorises and ordains notice to be made that the subjects therein described have been discovered to belong to the Bankrupt, and are to be sold as part of his estate; and that by Advertisement weekly, for three weeks successively, in the Edinburgh Gazette, in terms of the Acts of Sederunt, 17th January 1756, and 11th July 1794.
