The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Report from the General Board of Health, dated the fifteenth day of July one thousand eight hundred and fifty-one, in the words following; that is to say:—

“ To the Queen's Most Excellent Majesty.

“ We, the General Board of Health, appointed for the purposes of the Public Health Act, 1848, have, in pursuance of the provisions of that Act, upon the petition of not less than one-tenth of the inhabitants rated to the relief of the poor of and within the parishes of Sawtry All Saints and Sawtry Saint Andrew, situate in the county of Huntingdon (the number of the said petitioners greatly exceeding thirty in the whole), directed George Thomas Clark, a superintending inspector, appointed for the purposes of the said Public Health Act, to visit the said parishes, and to make public inquiry, and to examine witnesses as to the sewerage, drainage, and supply of water, the state of the burial-grounds, the number and sanitary condition of the inhabitants, and as to any local Acts of Parliament in force within such parishes, for paving, lighting, cleansing, watching, regulating, supplying with water, or improving the said parishes, or having relation to the purposes of the said Public Health Act; also as to the natural drainage, areas, and the existing municipal, parochial, or other local boundaries, and the boundaries which might be most advantageously adopted for the purposes of that Act;

“ And the said superintending inspector having previously given the notices directed by the said Public Health Act, proceeded upon the said inquiry in the manner directed by that Act, and hath reported in writing to the said Board upon the said several matters with respect to which he was directed to inquire, and upon certain other matters with respect to which he deemed it expedient to report for the purposes of that Act;

“ And copies of the said Report, accompanied by a notice, stating that written statements might be forwarded to the said Board with respect to any matter contained in or omitted from the said Report, or any amendment proposed to be made

therein, have been duly published and deposited as directed by the said Public Health Act, and the time for forwarding such statements has now elapsed;

“ And it appears by the said Report that there is no local Act of Parliament in force within the said parishes for paving, lighting, (otherwise than for the profit of proprietors or shareholders,) cleansing, watching, regulating, supplying with water, or improving such parishes, or any part of either of the same, or in anywise relating to the purposes of the said Public Health Act;

“ Now therefore we, the said General Board of Health, do hereby, in pursuance of the said Public Health Act, humbly report to your Majesty, that it appears to us to be expedient:

“ 1. That the Public Health Act, 1848, and every part thereof, except the section numbered 50 in the copies of that Act, printed by your Majesty's printers, should be applied to, and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the said parishes of Sawtry All Saints and Sawtry Saint Andrew, in the county of Huntingdon, and that such area, places, and parts of places should be and constitute a district for the purpose of the said Public Health Act accordingly.

“ 2. That the Local Board of Health to be elected under the said Public Health Act should consist of nine persons, and that the entire number should be elected for the whole of the said district.

“ 3. That the first election of the said Local Board of Health should take place on the seventeenth day of September, in the year of our Lord one thousand eight hundred and fifty-one.

“ 4. That one-third in number of the said Local Board of Health should go out of office on the twenty-fifth day of March in each year subsequently to that in which the said first election of that Local Board takes place; but in case the day so appointed shall fall on a Sunday, or on a day appointed for public fast or thanksgiving, then such one-third should go out of office on the day next following.

“ 5. That every person at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, be resident, as in the said Public Health Act, 1848, is required, and be seized or possessed of real or personal estate, or both, to the value or

amount of not less than five hundred pounds, or should be so resident and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than twenty pounds.

"6. That at the first election of the said Local Board, the Reverend Charles Birch, Rector of Sawtry All Saints aforesaid, should have the powers and perform the duties vested in or imposed upon the Chairman of the Local Board of Health by the Public Health Act, 1848, in relation to the election by owners of property and rate-payers, and should perform all other duties which it may be requisite for him to perform in conducting and completing the said first election; and in case the said Charles Birch, from illness or other sufficient cause, should be unable to exercise or discharge such powers or duties, or should be absent, or should refuse to act, then Mr Stephen Hart, Churchwarden of Sawtry All Saints aforesaid, should exercise and perform such of the said powers and duties as then remain to be exercised or performed.

"7. At the Court at Buckingham-Palace, the 7th day of August 1851,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Report from the General Board of Health, dated the twenty-fifth day of July, one thousand eight hundred and fifty-one, in the words following; that is to say :—

" To the Queen's Most Excellent Majesty.

" We, the General Board of Health, appointed for the purposes of the Public Health Act, 1848, having, in pursuance of the provisions of that Act, upon the petition of not less than one-tenth of the inhabitants rated to the relief of the poor of and within the parish of New Sleaford, in the county of Lincoln (the number of the said petitioners greatly exceeding thirty in the whole), directed William Ranger, a superintending inspector appointed for the purposes of the said Public Health Act, to visit the said parish, and to make public inquiry, and to examine witnesses as to the sewerage, drainage, and supply of water, the state of the burial-grounds, the number and sanitary condition of the inhabitants, and as to any local Acts of Parliament in force within such parish for paving, lighting, cleansing, watching, regulating, supplying with water, or improving the said parish, or having relation to the purposes of the said Public Health Act; also as to the natural drainage, areas, and the existing municipal, parochial, or other local boundaries, and the boundaries which might be most advantageously adopted for the purposes of that Act;

" And the said superintending inspector, having previously given the notices required by the aforesaid Public Health Act, and having, after proceeding upon that inquiry, reported to the Board in writing upon the several matters which he was directed to inquire into, and other matters upon which he deemed it expedient to report for the purposes of that Act;

" And copies of the said Report having been duly published and deposited, according to the provisions of the Public Health Act aforesaid;

" And it appearing by the said Report that there is no local Act of Parliament in force within the said parish for paving, lighting (otherwise than for the profit of proprietors or shareholders), cleansing, watching, regulating, supplying with water, or improving such parish, or any part thereof, or in anywise relating to the purposes of the said Public Health Act;

" We, the said General Board of Health, did, on the sixteenth day of September now last past, under our hands and seal, humbly report to your Majesty, recommending that the Public Health Act, 1848, and every part thereof, except the section numbered 50 in the copies of that Act, printed by your Majesty's printers, should be applied to and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the said parish, and that such area, places, and parts of places should be and constitute a district for the purpose of the said Public Health Act accordingly ;

" And whereas your Majesty was graciously pleased to approve of the said Report ; and by and with the advice of your Majesty's Most Honourable Privy Council, under and in pursuance of the Public Health Act, 1848, did, by an Order dated the thirteenth day of November one thousand eight hundred and fifty, order and direct that from and after the date of that Order, the said Public Health Act, and every part thereof, except the section numbered 50 in the copies of that Act, printed by your Majesty's printers, should be applied to and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the parish of New Sleaford, situate in the county of Lincoln, that such area, places, and parts of places should be and constitute a district for the purposes of the said Public Health Act accordingly ;

" And whereas the aforesaid Order in Council, among other matters, fixed nine to be the number of persons to constitute the Local Board of Health to be elected under the said Public Health Act, and appointed a day for the first election of the Local Board aforesaid ;

" And whereas the said first election of the said Local Board of Health was held in due manner and form on the fifteenth day of January last, but the persons so elected to constitute that Board did not, within the space of three months next after the election, make and subscribe the declaration as to their property qualification, as specified and required by the Public Health Act, 1848, and have therefore, according to the provisions of that Act, ceased to be members of the said Local Board, and their offices as such have become hereupon vacant ;

" And whereas it now becomes necessary, in consequence of the aforesaid neglect of the members of such Local Board, that a fresh election should be had of nine duly qualified persons to constitute a Local Board of Health for the aforesaid district of New Sleaford ;

" We, the General Board of Health, humbly report to your Majesty that it appears to us to be expedient :

" 1. That a fresh election should be had of nine persons, qualified in the same manner and to the same amount as specified in the hereinbefore recited Order in Council of the date of the thirteenth day of November last, to constitute the Local Board of Health for the district of New Sleaford.

" 2. That the said election of the said Local Board of Health shall take place on the eighteenth day of September, in the year of our Lord one thousand eight hundred and fifty-one.

" 3. That one-third in number of the said Local Board should go out of office on the thirty-first day of March in each year subsequently to that in which the said first election takes place ; but in case the day so appointed shall fall on a Sunday, or on a day appointed for public fast or thanksgiving, then

such one-third shall go out of office on the day next following.

" 4. That at the said election of the Local Board, Maurice Peter Moore, Esq. of Northgate, in the parish of New Sleaford, should have the powers and perform the duties vested in or imposed upon the Chairman of the Local Board of Health by the Public Health Act, 1848, in relation to the election by owners of property and rate-payers, and should perform all other duties which it may be requisite for him to perform in conducting and completing the said first election ; and in case the said Maurice Peter Moore, from illness, or other sufficient cause, shall be unable to exercise or discharge such powers or duties, or should be absent, or should refuse to act, then that William Foster, Esq. Solicitor, should exercise and perform such of the said powers and duties as then remain to be exercised or performed.

" 5. That the fourteen days' notice of qualification required by the Public Health Act, 1848, to be given by owners of property, in order to entitle them to vote at the said first election, should be given to the said Maurice Peter Moore, at his residence in Northgate, within the said district of New Sleaford ; or in case he should refuse, or be unable to receive the same, then to the said William Foster, at his residence, likewise situate within the district of New Sleaford aforesaid.

" Given under our hands, and under the seal of the General Board of Health, this twenty-fifth day of July, in the year of our Lord one thousand eight hundred and fifty-one.
