AT the Court at Buckingham-Palace, the 7th day of August 1851,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Report from the General Board of Health, dated the fifteenth day of July one thousand eight hundred and fifty-one, in the words following; that is to say:—

“ To the Queen's Most Excellent Majesty.

“ We, the General Board of Health, appointed for the purposes of the Public Health Act, 1848, have, in pursuance of the provisions of that Act, upon the petition of not less than one-tenth of the inhabitants rated to the relief of the poor of and within the parishes of Sawtry All Saints and Sawtry Saint Andrew, situate in the county of Huntingdon (the number of the said petitioners greatly exceeding thirty in the whole), directed George Thomas Clark, a superintending inspector, appointed for the purposes of the said Public Health Act, to visit the said parishes, and to make public inquiry, and to examine witnesses as to the sewerage, drainage, and supply of water, the state of the burial-grounds, the number and sanitary condition of the inhabitants, and as to any local Acts of Parliament in force within such parishes, for paving, lighting, cleansing, watching, regulating, supplying with water, or improving the said parishes, or having relation to the purposes of the said Public Health Act; also as to the natural drainage, areas, and the existing municipal, parochial, or other local boundaries, and the boundaries which might be most advantageously adopted for the purposes of that Act;

“ And the said superintending inspector having previously given the notices directed by the said Public Health Act, proceeded upon the said inquiry in the manner directed by that Act, and hath reported in writing to the said Board upon the said several matters with respect to which he was directed to inquire, and upon certain other matters with respect to which he deemed it expedient to report for the purposes of that Act;

“ And copies of the said Report, accompanied by a notice, stating that written statements might be forwarded to the said Board with respect to any matter contained in or omitted from the said Report, or any amendment proposed to be made

therein, have been duly published and deposited as directed by the said Public Health Act, and the time for forwarding such statements has now elapsed;

“ And it appears by the said Report that there is no local Act of Parliament in force within the said parishes for paving, lighting, (otherwise than for the profit of proprietors or shareholders,) cleansing, watching, regulating, supplying with water, or improving such parishes, or any part of either of the same, or in anywise relating to the purposes of the said Public Health Act;

“ Now therefore we, the said General Board of Health, do hereby, in pursuance of the said Public Health Act, humbly report to your Majesty, that it appears to us to be expedient:

“ 1. That the Public Health Act, 1848, and every part thereof, except the section numbered 50 in the copies of that Act, printed by your Majesty's printers, should be applied to, and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the said parishes of Sawtry All Saints and Sawtry Saint Andrew, in the county of Huntingdon, and that such area, places, and parts of places should be and constitute a district for the purpose of the said Public Health Act accordingly.

“ 2. That the Local Board of Health to be elected under the said Public Health Act should consist of nine persons, and that the entire number should be elected for the whole of the said district.

“ 3. That the first election of the said Local Board of Health should take place on the seventeenth day of September, in the year of our Lord one thousand eight hundred and fifty-one.

“ 4. That one-third in number of the said Local Board of Health should go out of office on the twenty-fifth day of March in each year subsequently to that in which the said first election of that Local Board takes place; but in case the day so appointed shall fall on a Sunday, or on a day appointed for public fast or thanksgiving, then such one-third should go out of office on the day next following.

“ 5. That every person at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, be resident, as in the said Public Health Act, 1848, is required, and be seized or possessed of real or personal estate, or both, to the value or
