of such additional whole paid up ordinary Shares, or Share Capital, to the holders of the said Bonds, Debentures, and Mortgages, in lieu of such arrears of interest, and also in lieu of any difference between the rate of interest now exigible, and the rate of interest to be exigible thereupon under the Act so to be applied for; to make provision for the final settlement of all claims against the said Company for Land and other property taken or acquired by the said Company, and for the price of Ferries, and other special claims upon the said Company, and for the application of the first moneys to be raised under the powers to be conferred by the Act so to be applied for (other than moneys raised to pay off existing Bonds, Debentures, and Mortgages), in the settlement of such claims; to regulate and provide for the order and priority of ranking of the said Bonds, Debentures, and Mortgages, and of the other Debts and Obligations of the said Company, or of the Vouchers or Securities to be granted or created for the liquidation of the said Debts and Obligations, and of the interest thereupon, upon the revenues and property, or any of them, of the Company; to make provision for the Rolling Stock, and Plant, and other moveables belonging to the said Company, being upheld in good order and repair, and secured for the uninterrupted working of the traffic, and to provide against the same being carried off to the prejudice of the Holders of the said Bonds, Debentures, and Mortgages, and of the other Creditors of the Company, or any of them; and to alter the constitution and mode of appointment of the Board of Directors of the said Company; and, in particular, to make provision for the Holders of such Bonds, Debentures, and Mortgages being represented at the Board of Direction of the said Company.

And it is also intended by the said Bill to authorise the issuing by the said Company of Bonds, Debentures, and Mortgages, and also of Permanent or other Annuity Bonds, or Certificates of Funded Debt, or other Vouchers of Debt, or Securities, or Debenture or Creditors' Stock, at such guaranteed rate of interest, annuity, or dividend, as the said Company may think fit, or as may be enacted by Parliament, (postponed always to the Bonds, Debentures, and Mortgages issued or authorised under the existing Acts of the said Company, and to the new Vouchers and Securities, and Stock, to be granted or created, in substitution thereof, under the powers to be conferred by the Act to be applied for as aforesaid), in satisfaction of the debts due by the said Company to land-owners, ferry-proprietors, and others, and in satisfaction of debts of the said Company for which the present or past Directors of the said Company, or some of them, have become personally responsible, and generally in satisfaction of the whole floating debts and obligations of the said Company, or in satisfaction of parts of the said debts and obligations, or of some of them; and to authorise the raising money thereon for the purpose of satisfying the said debts or obligations, or some of them; to regulate the rates of interest or annuity, or dividend, to be payable on the Securities, or Debenture or Creditors' Stock, so to be created according to the nature of the debts in respect of which they may be issued; to reduce and fix the amount of interest payable upon the said debts due by the said Company to land-owners, ferry-proprietors, and others, to and at certain rates per centum per annum, varying according to the nature of the said debts, for five years, or for some other period to be fixed in the said Bill; to regulate the order and priority of ranking of the said Bonds, Debentures, Mortgages, Annuity Bonds, Certificates of Funded Debt, or other

Vouchers or Securities, and Debenture or Creditors' Stock, *inter se*, or as with each other, and also as with the Bonds, Debentures, or Mortgages issued, or authorised, under the existing Acts of the said Company, or with the Securities or Stock to be substituted therefor; to provide for the discharge of the debts, and, in particular, the simple contract debts due by the said Company, or of certain of the said debts to the extent of one-half, or some other proportion, by issuing to the creditors therein such Bonds, Debentures, Mortgages, Annuity Bonds, Certificates of Funded Debt, or other Vouchers or Securities, or Debenture or Creditors' Stock as aforesaid, for such restricted or diminished amounts, and to fix and regulate the interest thereon; and to provide for the discharge of the other half or remainder of the said debts by authorising the issuing of a portion of the foresaid whole paid up additional or ordinary Shares, or Share Capital, to the creditors in the foresaid debts, or some of them, each creditor receiving an amount of such whole paid up additional ordinary Shares, or Share Capital, equal in nominal value to the full amount of his debt, or bearing some other fixed proportion relative thereto.

And it is also intended by the said Bill to make provision for the order and priority in which the moneys to be raised upon the said new Bonds, Debentures, Mortgages, Annuity Bonds, Certificates of Funded Debt, or other Vouchers or Securities, or Debenture or Creditors' Stock, are to be applied towards the discharge of the different debts, in order to the liquidation of which they are to be issued as aforesaid; and also to make provision with respect to the sale or disposal of the surplus lands, and other heritable property, belonging to the said Company, and for the application of the proceeds thereof in payment of debts due by the said Company to land-owners or others; and to authorise, in certain events, the appointment of Receivers or Judicial Factors, one or more, with power to receive the tolls, rates, and charges, leviable for the time under the Acts after specified, relating to the said Company, or some of them, and all other necessary powers.

And it is also intended by the said Bill to cancel or authorize the cancellation of the present Preference Stock or Shares in the said Company, amounting to £97,720 of nominal value, or thereby, known as, or called "Edinburgh, Leith, and Granton Railway "New Stock," or "Granton Preference Stock," issued, or created, under the authority of the Act 7 and 8 Vict., cap. 81, intituled "An Act to alter, explain, revive, and continue the powers and provisions of the Acts relating to the Edinburgh, Leith, and Newhaven Railway, and to make two Branch "Railways therefrom;" and to cancel or authorize the cancellation of the existing obligation of the said Edinburgh, Perth, and Dundee Railway Company for payment, for the future, of a Preferential Dividend on the said Stock or Shares, and also for payment of the arrears of Preferential Dividend outstanding on the said Stock or Shares; to authorise the creation of a new 1st Class Preference Stock having precedence over all other Preference Stock,—other than the foresaid Debenture or Creditors' Stocks proposed to be created or issued under the powers to be conferred by the Act so to be applied for as aforesaid,—and to authorise the issuing of such new 1st Class Preference Stock or Shares to the holders of the said "Granton Preference Stock" rateably, in the proportion of £13 of the said new 1st Class Preference Stock for every £20 of the said "Granton Preference Stock," or in such other proportion as may be enacted by Parliament, but so that each holder of the said "Granton Preference Stock"

receiving the same, shall have a less nominal amount of such new 1st Class Preference Stock than he had of such "Granton Preference Stock"—such new 1st Class Preference Stock to yield a maximum fixed dividend of 4 per cent., or of some other fixed amount; to authorise the issuing of a portion of the foresaid whole paid up additional ordinary Shares, or Share Capital, to the holders of the said "Granton Preference Stock," or Shares,—each holder of said "Granton Preference Stock," or Shares, to receive an amount of such whole paid up additional ordinary Shares or Share Capital, equal in nominal value to the full nominal amount of his Granton Preference Stock, or Shares, or bearing some other fixed proportion relative thereto; and to make provision for the holders of the said Granton Preference Stock, or Shares, or the holders of the new 1st Class Preference Stock or Shares, to be issued to the holders of the said Granton Preference Stock, or Shares, as aforesaid, being represented at the Board of Direction of the said Company.

And it is also intended by the said Bill to cancel or authorize the cancellation of the present ordinary Preference Stock or Shares in the said Company—being the Shares, amounting to £550,000 of nominal value, or thereby, issued or created, under the authority of the Act 12th Vict., cap. 15, intituled "An Act to enable the Edinburgh and Northern Railway Company to raise a further sum of money"—and to cancel or authorize the cancellation of the existing obligation of the said Company for payment, for the future, of a preferential dividend on the said Stock or Shares, and also for payment of the arrears of preferential dividend outstanding on the said Stock or Shares; to provide for or authorise the creation of a new 2d Class Preference Stock, postponed to the said new 1st Class Preference Stock, and the issuing rateably to certain holders of the said ordinary Preference Stock, or Shares, of such new 2d Class Preference Stock, to the extent of £46,122, 10s., more or less, divisible into Shares yielding a maximum fixed preferential dividend of four per cent., or a maximum dividend of some other fixed amount, postponed to the said new 1st Class Preference Stock; to provide for or authorise the issuing of a portion of the foresaid whole paid up additional ordinary Shares, or Share Capital, to the holders of the said ordinary Preference Stock, or Shares, or certain of them—each holder of ordinary Preference Stock or Shares, receiving such whole paid up additional ordinary Shares, or Share Capital, in respect thereof, taking an amount of such whole paid up additional ordinary Shares, or Share Capital, equal in nominal value to the full amount of his ordinary Preference Stock or Shares, or bearing some other fixed proportion relative thereto; and further to authorise, and make provision for, the substitution of Bonds, Debentures, or Mortgages, or Permanent or other Annuity Bonds, or Certificates of Funded Debt, or other vouchers of debt or securities, or Debenture or Creditors' Stock (postponed always to the Bonds, Debentures, or Mortgages, issued, or authorised, under the existing Acts of the said Company, and also to the new vouchers and securities or stocks to be granted or created, in substitution thereof, under the powers to be conferred by the Act to be applied for as aforesaid) for such portion of the said ordinary Preference Stock or Shares as stands registered in the names of the Directors of the said Edinburgh, Perth, and Dundee Railway Company, or some of them, or in the names of Banks, or other parties, acquiring right from them, the nominal value or amount of such substituted securities, or Debenture or Creditors' Stock, being always the same as the nominal amount of the said ordinary Preference Stock, in the room of which it comes—and all

parties entitled, at the date of the Act to be applied for as aforesaid, to such ordinary Preference Stock or Shares, or having any right, title, or interest therein, being to have the same powers, rights, and privileges with reference to the said substituted Securities, or Debenture or Creditors' Stock, as they have, or are possessed of, or are entitled to, with reference to the said ordinary Preference Stock or Shares, the one coming precisely, or as nearly as may be, in the room of the other.

And it is also intended by the said Bill to authorise the cancellation of Forfeited Shares in the said Company, or, in the option of the said Company, the re-issuing, for the purposes of the said Bill, or any of them, of such Forfeited Shares, as Shares wholly paid up as at the date of such re-issue; and to authorise the cancellation of Share Capital, which has, by restriction of the nominal value of Shares, or otherwise, merged in the general Capital Stock of the said Company, and is, by reason of such merging, in the hands of the Company; or, in the option of the said Company, the issuing, for the purposes of the said Bill, or any of them, of Shares to the nominal value of such merged Share Capital, which Shares shall be held as wholly paid up as at the date of such issue.

And it is also intended by the said Bill to make provision for facilitating voluntary arrangements and agreements between the Edinburgh, Perth, and Dundee Railway Company on the one hand, and its Creditors and Shareholders, or Creditors or Shareholders, or any class of its Creditors or Shareholders, on the other; to make provision for the mode in which such arrangements and agreements may be entered into and completed; and to provide for such arrangements and agreements being binding and effectual, with the consent only of three-fourths, or of such other proportion as may be enacted by Parliament, of those present, personally or by proxy, at any meeting called to consider any such proposed arrangement or agreement, of the Creditors and Shareholders, or Creditors or Shareholders, or the class or classes of Creditors or Shareholders intended to be parties to any such arrangement or agreement.

And it is intended by the said Bill to make such further and other arrangements with respect to the affairs of the said Company, and the interests of the Preference and other Shareholders therein, and of the Debenture holders and other creditors thereof, as may be found necessary or expedient; and to make such other and further provisions with regard to the several matters and things to be regulated or affected by the said Bill, as aforesaid, as may be necessary for effectually carrying out the general objects of the said Bill.

And it is intended by the said Bill to confer all such powers, rights, and privileges as may be necessary for the full and effectual carrying out of the objects aforesaid, or incidental thereto, and to vary or extinguish all such existing rights and privileges, whether of Creditors, or of the Preference or other Shareholders of the said Company, or any others, as may in any way interfere with the said objects.

And it is also intended by the said Bill to authorise the said Company to enter into an arrangement with the Magistrates and Council of the Royal Burgh of Burntisland, and the said Magistrates and Council to enter into an arrangement with the said Company, with reference to the application of the moneys payable by the said Company to the said Royal Burgh, in respect of Harbour Dues or Burgh Customs.

And it is also intended by the said Bill to authorise the said Company to shut up, or to make provision with a view to the shutting up, at the points where they are respectively crossed by the line of the Edinburgh, Perth, and Dundee Railway, of the Three following Roads—viz., of the Road in the Parish of Collesie (Cupar Branch), numbered 41 on the Plans referred to in the Act 8th and 9th Vict., cap. 158, as deposited with the principal Sheriff-Clerks of the Counties of Fife and Perth; of the Road in the Parish of Leuchars, numbered 206 on the Plans referred to in the Act 9th and 10th Vict., cap. 136, as deposited in the Office of the Principal Sheriff-Clerk of the County of Fife, at Cupar; and of the Road, in the Parish of Dumbarny, numbered 5 on the Plans referred to in the Act 9th and 10th Vict., cap. 139, as deposited in the respective Offices of the Sheriff-Clerks of the Counties of Fife and Perth; and to discontinue the maintenance of Stations or Lodges or the employment of gate-keepers at the foresaid points of crossing.

And it is also intended by the said Bill to alter and amend, and so far as necessary to repeal, the Act 9th and 10th Vict., cap. 189, intituled "An Act to enable the Scottish Central Railway Company to make certain Terminal Branches, and other Works, at the City of Perth," so far as relates to the general management, regulation, and control of the General Station at Perth, common to all of the Railways aftermentioned—viz., the Scottish Central Railway, the Scottish Midland Junction Railway, the Dundee and Perth Railway, or Dundee and Perth and Aberdeen Railway Junction, and the Edinburgh and Northern Railway, now the Edinburgh, Perth, and Dundee Railway, or common to some of the said Railways, to the effect of making provision for the said general management, regulation, and control being vested in a joint-committee composed of an equal, or other proportionate number of Directors, of each of the said Railway Companies who contribute to the said General or Common Station at Perth, or in a Joint-Committee, otherwise composed, of representatives of the said contributing Companies.

And it is also intended by the said Bill to define and fix, and, if necessary, to enlarge the limits of the said General Station at Perth; and also to provide for the apportionment of the cost of the construction of the said General Station among the said Contributing Companies, and for the conversion of the proportions of such cost which may be found due by the said Contributing Companies, or, at all events, of the proportion thereof which may be found due by the Edinburgh, Perth, and Dundee Railway Company, to the Scottish Central Railway Company, into annual or other termly payments; and also to make provision for the due apportionment among the said Contributing Companies of the annual expense of the management of the said Station according to the extent of traffic conducted by the said Companies respectively, or otherwise, as may be enacted by Parliament.

And it is also intended by the said Bill to define, modify, restrict, fix, and determine the Tolls and Rates which the Scottish Central Railway Company shall be entitled to charge the Edinburgh, Perth, and Dundee Railway Company in respect of any use to be had or taken by the said last-mentioned Company of the portion of the Scottish Central Line from the Hilton Junction through the Tunnel to Perth, and to authorise the taking and levying of new Tolls and Rates restricted within fair and reasonable

limits for or in respect of such use; and also to make provision for compounding the said Tolls and Rates into an annual or other termly payment by the said Edinburgh, Perth, and Dundee Railway Company.

And, for the above and other purposes, it is intended by the said Bill to alter and amend, and so far as necessary to repeal, some of the powers and provisions of "The Edinburgh, Perth, and Dundee, Railway (Consolidation) Act, 1851," and of the several other Acts relating to the said Edinburgh, Perth, and Dundee Railway Company, so far as now in force, and, among others, the following Acts (Local and Personal), or some of them; that is to say, the Act 6th and 7th William the 4th, cap. 131; 2d and 3d Vict., cap. 51; 7th and 8th Vict., cap. 81; 8th and 9th Vict., cap. 158; 9th Vict., cap. 57; 9th and 10th Vict., caps. 72, 79, 136, 138, and 139; 10th and 11th Vict., caps. 151, 152, 192, 220, 239, 274, and 277; 11th and 12th Vict. caps. 98 and 112; 12th Vict., cap. 15; and 12th and 13th Vict., cap. 79; and also some of the provisions of the Act 8th and 9th Vict., cap. 161, intituled "An Act for making a Railway from the City of Perth by Stirling, to the Edinburgh and Glasgow Railway, to be called the Scottish Central Railway."

And notice is lastly given, that a Printed Copy of the said Bill annexed to the Petition therefor, together with other Printed Copies of the said Bill, will be deposited in the Private Bill Office of the House of Commons on or before the 31st day of December next 1852.
