WM. L. BATHURST.

At the Court at Buckingham-Palace, the 21st day of February 1853,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Report from the General Board of Health, dated the eighth day of February one thousand eight hundred and fifty-three, in the words following; that is to say:—

" To the Queen's Most Excellent Majesty.

" We, the General Board of Health, appointed for the purposes of the Public Health Act, 1848, have, in pursuance of the provisions of that Act, upon the Petition of not less than one-tenth of the inhabitants rated to the relief of the poor of and within the township of Batley, in the West Riding of the county of York, the said township being a place having a known and defined boundary (the number of the said petitioners greatly exceeding thirty in the whole), directed William Ranger, a Superintending Inspector appointed for the purposes of the said Public Health Act, to visit the said township, and to make public inquiry, and to examine witnesses, as to the sewerage, drainage, and supply of water, the state of the burial-grounds, the number and

sanitary condition of the inhabitants, and as to any local Acts of Parliament in force within such township for paving, lighting, cleansing, watching, regulating, supplying with water, or improving the said township, or having relation to the purposes of the said Public Health Act; also as to the natural drainage areas, and the existing municipal, parochial, or other local boundaries, and the boundaries which might be most advantageously adopted for the purposes of that Act;

“And the said Superintending Inspector, having previously given the notices directed by the said Public Health Act, proceeded upon the said inquiry in the manner directed by that Act, and hath reported in writing to the said Board upon the said several matters with respect to which he was directed to inquire, and upon certain other matters with respect to which he deemed it expedient to report for the purposes of that Act;

“And copies of the said Report, accompanied by a notice stating that written statements might be forwarded to the said Board with respect to any matter contained in or omitted from the said Report, or any amendment proposed to be made therein, have been duly published and deposited as directed by the said Public Health Act, and the time for forwarding such statements has now elapsed;

“And it appears by the said Report that there is no local Act of Parliament in force within the said township for paving, lighting (otherwise than for the profit of proprietors or shareholders), cleansing, watching, regulating, supplying with water, or improving such township, or any part thereof, or in anywise relating to the purposes of the said Public Health Act;

“Now therefore, we, the said General Board of Health, do hereby, in pursuance of the Public Health Act, humbly report to your Majesty that it appears to us to be expedient—

“1. That the Public Health Act, 1848, and every part thereof, except the section numbered 50 in the copies of that Act, printed by your Majesty's printers, should be applied to and be in force within and throughout the entire area, places, and parts of places comprised within the said township of Batley, in the West Riding of the county of York, and that such area, places, and parts of places, should be and constitute a district for the purposes of the said Public Health Act accordingly.

“2. That the Local Board of Health to be elected under the said Public Health Act should consist of nine persons, and that the entire number should be elected for the whole of the said district.

“3. That the first election of the said Local Board of Health should take place on the thirty-first day of March in the year of our Lord one thousand eight hundred and fifty-three.

“4. That one-third in number of the said Local Board should go out of office on the thirty-first day of March in each year subsequently to that in which the said election takes place; but in case the day so appointed should fall on a Sunday, or on a day appointed for public fast or thanksgiving, then that such one-third should go out of office on the day next following.

“5. That every person at the time of his election as member of the said Local Board, and so long as he shall continue in office by virtue of such election, be resident, as in the said Public Health Act, 1848, is required, and be seized or possessed of real or personal estate, or both, to the value or amount of not less than five hundred pounds, or should be so resident and rated to the relief of the poor of some parish, township, or place, of which

some part is within the said district, upon an annual value of not less than fifteen pounds.

“6. That at the first election of the said Local Board, Mr John Jubb, of Providence Place, Batley, should have the powers and perform the duties vested in or imposed upon the Chairman of the Local Board of Health by the Public Health Act, 1848, in relation to the election by owners of property and rate-payers, and should perform all other duties which it may be requisite for him to perform in conducting and completing the said first election; and in case the said John Jubb, from illness or other sufficient cause, should be unable to exercise or discharge such powers or duties, or should be absent, or should refuse to act, then that Mr Benjamin Senior, Manufacturer, of Batley aforesaid, should exercise and perform such of the said powers and duties as then remain to be exercised or performed.

“7. That the fourteen days' notice of qualification required by the Public Health Act, 1848, to be given by owners of property, in order to entitle them to vote at the said first election, should be given to the said John Jubb, at his residence, in Providence Place, Batley; or in case he should refuse, or be unable to receive the same, then to the said Benjamin Senior, at his residence, likewise within the said district of Batley.

“Given under our hands, and under the seal of the General Board of Health, this eighth day of February in the year of our Lord one thousand eight hundred and fifty-three.

(Signed) WILLIAM MOLESWORTH.
T. SOUTHWOOD SMITH.”

Now therefore, Her Majesty having taken the said Report into consideration, is pleased to approve thereof, and by and with the advice of Her Privy Council, doth hereby, under and in pursuance of the Public Health Act, 1848, order and direct:—

1. That from and after the date of this Order, the Public Health Act, 1848, and every part thereof, except the section numbered 50 in the copies of that Act, printed by Her Majesty's printers, shall be applied to and be in force within and throughout the entire area, places, and parts of places comprised within the boundaries of the township of Batley, in the West Riding of the county of York; and that such area, places, and parts of places shall be and constitute a district for the purposes of the said Public Health Act accordingly.

2. That the Local Board of Health to be elected under the said Public Health Act shall consist of nine persons, and that the entire number shall be elected for the whole of the said district.

3. That the first election of the said Local Board of Health shall take place on the thirty-first day of March in the year of our Lord one thousand eight hundred and fifty-three.

4. That one-third in number of the said Local Board of Health shall go out of office on the thirty-first day of March in each year subsequently to that in which the said election takes place; but in case the day so appointed shall fall on a Sunday, or on a day appointed for public fast or thanksgiving, then such one-third shall go out of office on the day next following.

5. That every person at the time of his election as member of the said Local Board of Health, and so long as he shall continue in office by virtue of such election, be resident, as in the said Public Health Act 1848, is required, and be seized or

possessed of real or personal estate, or both, to the value or amount of not less than five hundred pounds, or shall be so resident and rated to the relief of the poor of some parish, township, or place, of which some part is within the said district, upon an annual value of not less than fifteen pounds.

6. That at the first election of the said Local Board of Health, Mr John Jubb, of Providence Place, Batley, shall have the powers and perform the duties vested in or imposed upon the Chairman of the Local Board of Health by the Public Health Act, 1848, in relation to the election by owners of property and rate-payers, and shall perform all other duties which it may be requisite for him to perform in conducting and completing the said first election; and in case the said John Jubb, from illness or other sufficient cause, shall be unable to exercise or discharge such powers or duties, or shall be absent, or shall refuse to act, then that Mr Benjamin Senior, Manufacturer, of Batley aforesaid, shall exercise and perform such of the said powers and duties as then remain to be exercised or performed.

7. That the fourteen days' notice of qualification required by the Public Health Act, 1848, to be given by owners of property, in order to entitle them to vote at the said first election, shall be given to the said John Jubb, at his residence, in Providence Place, Batley, within the district aforesaid, or in case he shall refuse, or be unable to receive the same, then to the said Benjamin Senior, at his residence, likewise within the said district of Batley.

TREASURY WARRANT.

Whereas by an Act passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of postage," power is given to the Commissioners of Her Majesty's Treasury, from time to time, by Warrant under their hands, to alter and fix any of the rates of British postage or inland postage, payable by law on the transmission by the post of Foreign or Colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant

as aforesaid, to appoint at what time the rates that may be payable are to be paid.

Now We, the undersigned, being two of the Commissioners of Her Majesty's Treasury, do, in exercise of the powers and authorities in us for such purpose vested in and by the said Act, and of all other powers and authorities enabling us in this behalf, order and direct:—

That on every letter, not exceeding half an ounce in weight, posted in or addressed to the Island of Java, or any other of the Dutch colonies in the East Indies, and transmitted by the post between any part of the United Kingdom and the said Island of Java, or any other of such colonies (the sea conveyance being by packet-boat), there shall be charged and taken in lieu of any rates of British postage now payable by law on such respective letters, an uniform rate of British postage of one shilling.

On every letter, exceeding half an ounce in weight, and not exceeding one ounce in weight, two rates of postage.

On every letter, exceeding two ounces and not exceeding three ounces in weight, six rates of postage.

And on every letter, exceeding three ounces and not exceeding four ounces in weight, eight rates of postage.

And for every ounce in weight above the weight of four ounces there shall be charged and taken two additional rates of postage, and every fraction of an ounce above the weight of four ounces shall be charged as one additional ounce, and each progressive and additional rate chargeable under this clause shall be estimated and charged at the sum which any such letter would be charged with under this Warrant, if not exceeding half an ounce in weight.

And We direct that nothing herein contained shall be construed to extend to any letters sent through France, or any other Foreign Country to which a transit rate of postage would be payable thereon, nor to any letters sent by private ships.

And We further direct that the term "by the post," used in this Warrant, shall, as to the sea conveyance, include the conveyance by packet-boat, and shall also include the conveyance through Egypt, so long as no transit rate of postage be payable thereon; and that the several other terms and expressions used in this Warrant shall be construed to have the like meaning in all respects as they would have had if inserted in the said Act passed in the fourth year of the reign of Her present Majesty.

Provided, lastly, and We hereby declare and direct that it shall be lawful for the Commissioners, for the time being, of Her Majesty's Treasury, or any two of them, by Warrant under their hands, at any time hereafter to alter or repeal any of the rates hereby fixed or altered, or the regulations hereby made, and to make and establish any new or other rates or regulations in lieu thereof, and, from time to time, to appoint at what time the rates that may be payable are to be paid.
