ADMIRALTY-OFFICE, July 2. 1799.

Copy of a letter from Mr **WILLIAM LE LACHEUR**, Commander of the cutter private ship of war the Resolution, to **EVAN NEPEAN**, Esq. dated at Guernsey, the 20th ult.

SIR,

I deem it my duty to acquaint you, for the information of my Lords Commissioners of the Admiralty, that on the 25th May, in lat. 43. N. long. 16. W. I fell in with and captured the French schooner privateer *La Vigie*, of 14 long four-pounders, and 71 men, belonging to Bourdeaux, last from Corunna, from which place she had been out eight days and had taken nothing; the vessel is quite new, coppered, and was completely fitted out for a three months cruize.

I have the honour to be, Sir, &c.

W. LE LACHEUR.

His Majesty's ship *Champion*, Yarmouth Roads, June 30. 1799.

SIR,

I beg leave to inform your Lordship, that on the morning of the 26th instant, being off the Dudgeon, a brig was observed from his Majesty's ship under my command boarding two merchant vessels to leeward.

After a chase of three days and two nights, I had the satisfaction to capture the *Anacreon* French privateer, commanded by Citizen *Blanckeman*, belonging to Dunkirk, of 16 guns and 125 men, 74 of whom were away in prizes she had made this cruize.

She is almost a new vessel, sails remarkably fast, is coppered-bottomed, and seems fit for his Majesty's service.

I feel myself very happy in this capture, as she has been a great annoyance to the trade on the northern coast.

I have the honour to be, &c.

G. E. HAMOND.

Admiral Lord Duncan.
