DOWNING-STREET, November 23, 1853.

The Queen has been pleased to constitute so much of the present diocese of Cape Town, as comprises the eastern districts of the colony of the Cape of Good Hope, consisting of the divisions of Albany, Uitenhage, Port Elizabeth, Fort Beaufort, Victoria, Albert, Somerset, Graaf Reinet, Cradock, Colesberg, and Queen's Town, and all portions of that colony not comprised in these divisions, lying south of the Orange and east of the Ongara Rivers, and also the territories called or known as British Kaffraria,—to be a Bishop's See and Diocese, to be called "The Bishoprick of Graham's Town;" and Her Majesty has appointed the Reverend John Armstrong, Doctor in Divinity, to be ordained and consecrated Bishop of the said See of Graham's Town.

Her Majesty has also been pleased to constitute so much of the present diocese of Cape Town as comprises the district of Natal, to be a Bishop's See and Diocese, to be called "The Bishoprick of Natal;" and Her Majesty has appointed the Reverend John William Colenso, Doctor in Divinity, to be ordained and consecrated Bishop of the said See of Natal.

FOREIGN-OFFICE, November 23, 1853.

The Queen has been pleased to approve of Mr James H. Williams as Consul at Sydney for the United States of America.

*Board of Trade, Whitehall,  
Marine Department, November 21, 1853.*

The Right Honourable the Lords of the Committee of the Privy Council for Trade and Plantations have received, through the Secretary of State for Foreign Affairs, a copy of a Notice (a translation of which is subjoined,) issued by the French Government, respecting Light-houses and Beacons, which has been transmitted by Her Majesty's Ambassador at Paris.

By Order,

JAMES BOOTH.

LIGHTS AND BEACONS.

NOTICE TO MARINERS.

*Baleines New Lights (Ile de Re); Portrieux Beacon (Cotes-du-Nord), and Provisional Beacons on the Cherbourg Breakwater (Manche), English Channel.*

BALEINES LIGHTS.

Mariners are informed that the flashing light, eclipsed every succeeding  $\frac{1}{2}$  of a minute, at present established on the "Pointe des Baleines" (Ile de Ré), 46° 14' 41" north latitude, and 3° 53' 57" west longitude (Paris), will be replaced on the 15th of January next by two new lights, one erected on the Ile de Ré, a short distance to the east of the existing light,—the other in the sea, on the shoal named "Le Haut-Banc du Nord," about  $\frac{1}{2}$  miles (French) to the north-west of the former light.

The character and positions of the new lights are as follows:—

**"BALEINES" LIGHTS.**

Flashing light, eclipsed every half-minute [☉ 1.], on the Pointe des Baleines (Ile de Ré).

Lat. 46° 14' 41" N.—Long. 3° 53' 55" W. (Paris.)

Elevation, 50 metres.—Range, 22 miles (French).

In ordinary weather the light will appear totally eclipsed only at a distance of 10 miles (French).

**LIGHT ON THE "HAUT-BANC DU NORD."**

Fixed light [☉ 3.].

On the Shoal called the "Haut-Banc du Nord," at the distance of about 1½ miles (French) to the N.W. of the "Baleines" Light.

Lat. 46° 15' 51" N.—Long. 3° 55' 29" W. (Paris.)

Elevation, 22 metres.—Range, 15 miles (French.)

Mariners should bear in mind that the dangers on the Pointe des Baleines extend to a distance of more than a mile (French) all round this latter light.

**"PORTRIEUX" BEACON.**

(Côtes-du-Nord.)—Fixed Red Light.

Since the 24th of June last, a small beacon, consisting of a fixed red light, has been exhibited from the Jetty of Portrieux, at a distance of about 15 metres from the extreme point.

Lat. 48° 38' 50" N.—Long. 5° 9' 40" W. (Paris.)

Elevation, 9 metres.—Range, 3 miles (French.)

**PROVISIONAL BEACONS ON THE CHERBOURG BREAK-WATER (MANCHE), ENGLISH CHANNEL.**

Since the 12th of October, a provisional beacon, consisting of a *fixed red light*, has been lighted on the west point of the Cherbourg Breakwater.

Lat. 49° 40' 29" N.—Long. 3° 59' 10" W. (Paris.)

Elevation, 12 metres.—Range, 3 miles (French.)

A beacon, also provisional, of the same order as the preceding, but consisting of a *fixed green light*, erected on the east point of the said breakwater, will probably be lighted during the month of December next.

Its range will be somewhat inferior to that of the beacon on the west point.

*Board of Trade, Whitehall,  
Marine Department, November 24, 1853.*

The Right Honourable the Lords of the Committee of the Privy Council for Trade and Plantations have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch from Her Majesty's Consul at Stockholm, inclosing copy of a Notice issued by the Royal Maritime Board of Sweden (a translation of which is subjoined,) respecting the Light-house on the Störjungfruns, and also the Light-house at Holmögadds.

By Order,  
JAMES BOOTH.

(Translation.)

The Royal Board of Maritime Affairs makes known to Mariners that the Notice issued on the 4th March concerning a change to take place in the manner of lighting the "Störjungfruns" light-

house (viz.—that from a closed coal-fire beacon it should be made into a lantern of the 3d class,) has been carried into effect during the past summer, so that the new method of lighting might commence on the evening of the 28th of last month, and continue to be lighted during the same period as the other light-houses of this Kingdom. The light-house is built of granite, and "lime dashed," so as to appear white to a height of 46¼ feet, where the balcony begins; and thereupon is erected a breast wall of fire-proof tiles, which supports the lantern in which the lighting apparatus is fixed, and which gives, while burning, a stationary strong light at the height of 57 feet above the ground, which is 31 feet high, consequently the flame is 88 feet above the level of the sea, and lights the horizon from about N.W. to W. ½ W. N.E., and S. to S.W. ½ S. by the compass. The light should be visible from the deck of a vessel, in tolerably clear weather, at a distance of 3½ Swedish miles (sea), or 14 English minutes. The light-house is situate in latitude N. 61° 9' 56", and in longitude 17° 20' 15" E. from Greenwich.

As it now appears that the rebuilding of the light-house at Holmögadds, which was announced at the same time, cannot be ready during the present year, the announcements formerly made for its being provisionally lighted shall continue in force till next year.

**THE EXECUTOR AND TRUSTEE SOCIETY.**

*(Incorporation of Society for the Performance of Executorships and Trusts, and the Care and Management of Executorship and Trust Property; Continuous Executorship and Trusteeship.)*

NOTICE is Hereby Given, that application is intended to be made to Parliament, in the ensuing Session, for leave to bring in a Bill for the following; or some of the following purposes; that is to say:

1st. To incorporate a Society or Company for the purposes hereinafter mentioned.

2nd. To enable the said Society or Company to accept and execute trusts of any property, whether real or personal, created by wills, settlements, or other instruments, and to accept and execute the duties of executor under wills, and of administrator of personal estates, or receiver of property of any description, and for such purposes to accept, hold, manage, and administer the lands, tenements, property, and effects conveyed, assigned, transferred, devised, or bequeathed by such wills, settlements, or instruments, and to accept transfers from trustees, executors, or administrators, already constituted as such, of the property and effects vested in them, and to indemnify them in making such transfer.

3d. To enable the said Society or Company to appoint official trustees, executors, and administrators, with powers to hold lands, tenements, property, and effects in perpetual succession, and from time to time to remove such officers and appoint others in their place, and to enable courts, having jurisdiction over wills, to grant probate of wills and administration of the effects of persons dying intestate to such the persons for the time being acting as official executors and administrators.

4th. To enable the said Society or Company to sue and be sued by any one or more of its officers or members.

5th. To enable the said Society or Company to accept and receive a rate or per centage on the value or amount of lands, tenements, property, and effects under their care and management, and on the income thereof.

6th. To make provision for the investment of the monies, property and effects transferred to or vested in the said Society or Company or their officers, and to enable the said Society or Company, under certain restrictions, to lease any lands, tenements, or hereditaments so transferred to them.

7th. To provide for the appointment of auditors of the affairs of the said Society or Company, under the direction of the Lords Commissioners of Her Majesty's Treasury or otherwise.

8th. To provide for the security of all lands, tenements, property, and effects confided to the

said Society or Company by the constitution of a guarantee fund or otherwise.

9th. To enable the said Society or Company to raise a capital stock.

#### PATENT SOLID SEWAGE MANURE COMPANY.

*Additional Capital and Further Powers—Limited  
Liability—Transference of Powers—Amendment  
of Act.*

NOTICE IS HEREBY GIVEN, That application is intended to be made to Parliament, in the next Session, for an Act to enable the Patent Solid Sewage Manure Company to raise a further sum of money by the creation of new Shares and by Mortgage of their Undertaking, or by both or either of such means, and to make provisions with respect to the Shares, monetary transactions, and dealings, and the powers, rights, and privileges of the said Company, and to limit the liability of the Individual Shareholders in the said Company to the amounts of their respective Shares, and to empower the said Company to make contracts with any Local Boards of Health, bodies politic or corporate, or persons, and to empower all Local Boards of Health, bodies politic and corporate, and persons, to make contracts with the said Company for entitling the said Company to any sewage or filth for terms of years or otherwise, or relating to Sewers, or to the deodorization of Sewage, or the Manufacture of Manure, or otherwise connected with the Undertaking of the said Company, and to give effect to such contracts, and to repeal, alter, extend, enlarge, consolidate, and amend all or some of the provisions of "The Patent Solid Sewage Manure Company's Act, 1852." And the said intended Act will provide, if need be, for the Dissolution of the said Company, and for transferring to and vesting in a New Company to be incorporated either by the said intended Act or by Royal Charter, the estate, property, and effects of the Patent Solid Sewage Manure Company, and the powers, authorities, privileges, and liabilities of that Company, under the said recited Act or otherwise, and for conferring upon such New Company all or any of the powers hereinbefore mentioned or referred to, as proposed to be applied for in the said intended Act.

And Notice is hereby further given, That on or before the thirty-first day of December next, printed copies of the intended Bill will be deposited in the Private Bill Office of the House of Commons.

Dated this twenty-fifth day of November, one thousand eight hundred and fifty-three.
